Be it enacted by the Legislature of West Virginia:

ARTICLE 1. DEPARTMENT OF COMMERCE.

**§5B-1-9. Authority to assist qualifying tourism development projects and tourism
development expansion projects; legislative findings.**

1 (a) The Department of Commerce may assist qualifying tourism development projects and
2 tourism development expansion projects by approved companies pursuant to §5B-2E-1 *et seq.*
3 of this code which are located in, or partially in, municipalities with a population of 2,000 or less,

4 effective as of the effective date of the most recent census, as specified in §8-1-4 of this code
5 relating to the creation of tourism development districts.

6 (b) The Legislature finds and declares that the general welfare and material well-being of
7 the citizens of the state depend, in large measure, upon the development and expansion of
8 tourism in the state, and that, beyond the creation and expansion of tourism development projects
9 and tourism development expansion projects, it is in the best interest of the state to induce and
10 assist in tourism development in small municipalities through the creation of tourism development
11 districts, in order to advance the public purposes of relieving unemployment by preserving and
12 creating jobs, and preserving and creating new and greater sources of revenues for the support
13 of public services provided by the state and local government; and that tourism development
14 districts are of paramount importance to the state and its economy and for the state's contribution
15 to the national economy.

16 It is the intent of the Legislature to occupy the whole field of the creation and regulation of
17 tourism development districts. The stated purpose of this section is to promote uniform and
18 consistent application of the act within the state.

19 (c) This section prohibits:

20 (1) Certain municipalities, whether by ordinance, resolution, administrative act, or
21 otherwise, from enacting, adopting, implementing, or enforcing ordinances, regulations, or rules
22 which limit, in any way, the creation of, and acquisition, construction, equipping, development,
23 expansion, and operation of any tourism development project or tourism development expansion
24 project in a tourism development district; and

25 (2) Certain municipalities from imposing or enforcing local laws and ordinances concerning
26 the creation or regulation of any tourism development district and any tourism development
27 project or tourism development expansion project therein.

28 (d) Any developer or owner of a tourism development project or tourism development
29 expansion project which has been determined by the West Virginia Development Office, pursuant

30 to §5B-2E-1 *et seq.* of this code, to be an approved company and which has entered into an
31 agreement with the development office pursuant to §5B-2E-6 of this code to provide the approved
32 company with a credit against the West Virginia consumers sales and service tax imposed by
33 §11-15-1 *et seq.* of this code may apply to the development office for designation of a tourism
34 development district encompassing the area where the tourism development project or the
35 tourism development expansion project is to be acquired, constructed, equipped, developed,
36 expanded, and operated: *Provided*, That notwithstanding any provision of §5B-2E-5(c)(2) of this
37 code to the contrary, only tourism development projects and tourism development expansion
38 projects with aggregate projected costs of construction, reconstruction, restoration, rehabilitation,
39 or upgrading of not less than \$25 million shall be eligible for designation as a tourism development
40 district.

41 (e) Applicants for the creation of a tourism development district shall demonstrate that the
42 district, when designated, will create significant economic development activity:

43 (1) Applicants shall submit a development plan that provides specific details on proposed
44 financial investment, direct and indirect jobs to be created, and the viability of the proposed
45 tourism development district; and

46 (2) The applicant shall own, control, or have the right of use to all real property within the
47 proposed tourism development district and shall provide evidence of such ownership, control, or
48 right of use in the application to the development office.

49 (f) The proposed district shall be entirely or partially within the corporate limits of a
50 municipality which has a population of 2,000 or less as of the effective date of the most recent
51 census, as specified in §8-1-4 of this code.

52 (g) All costs for the application shall be borne by the applicant.

53 (h) The application submitted by the applicant to the development office pursuant to §5B-
54 2E-1 *et seq.* of this code may be considered by the development office to be sufficient to meet
55 some of the requirements of this section.

56 (i) The decision of the development office to designate a tourism development district shall
57 be final.

58 (j) The total number of approved tourism development districts may not exceed five. When
59 the total number of designated tourism development districts equals five, no further designations
60 may be approved by the development office.

61 (k) Each tourism development district shall terminate by operation of law 99 years from
62 the date approved by the development office, unless a shorter time period for termination is
63 agreed to by the applicant and the development office. The development office may terminate a
64 tourism development district if the development office determines that the tourism development
65 project or tourism development expansion project has been abandoned or ceased operations for
66 five consecutive years.

67 (l) In accordance with subsections (b) and (c) of this section, and notwithstanding any
68 provision of this code to the contrary, or any municipality's home rule powers with respect to
69 ordinances and ordinance procedures, including any authority pursuant to the Municipal Home

85 pursuant to this code, specifically including, but not limited to, §7-11B-1 *et seq.* of this code, for
86 formal consent of the governing body of a municipality for county or state action regarding the
87 establishment of tax increment financing development or redevelopment districts or the approval
88 of tax increment financing development or redevelopment plans.
