FILED

1 AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article,  
2 designated §15A-4A-1, 15A-4A-2, 15A-4A-3, 15A-4A-4, 15A-4A-5, 15A-4A-6 and 15A-4A-  
3 7, all relating generally to creating an expanded required work release pilot project within  
4 the Division of Corrections and Rehabilitation; stating the purposes of the article, setting  
5 forth findings; limiting programs to no more than five locations; defining terms; establishing  
6 eligibility and ineligibility criteria; directing the commissioner to establish policies and  
7 procedures; and providing for the return offenders who do not successfully complete work  
8 release to other facilities.

*Be it enacted by the Legislature of West Virginia:*

**CHAPTER 15A. DEPARTMENT OF MILITARY AFFAIRS  
AND PUBLIC SAFETY.**

**ARTICLE 4A. EXPANDED WORK RELEASE PILOT PROGRAM.**

**§15A-4A-1. Purpose of article and legislative findings.**

1 (a) The purpose of this article is to establish an expanded required work release pilot  
2 program in no more than five locations in this state.

3 (b) The Legislature finds that the primary reasons for requiring participation in a work  
4 release program are to increase public protection while aiding the transition of the offender back  
5 into the community where he or she will be going with or without work release program  
6 participation. Participating in work release may reduce the likelihood of recidivism by gradually  
7 reintroducing an offender to the community while providing security, structure, and supervision  
8 and providing necessary services.

9 (c) The Legislature further finds that participation in a work release program provides an  
10 transitional environment for offenders nearing the end of their sentences while maintaining  
11 structure, supervision, offender accountability, improved program opportunities, employment  
12 counseling and placement, substance abuse, and life skills training.

**§15A-4A-2. Definitions.**

1 As used in this article, unless the context clearly requires a different meaning, the term:
