(a) Unless otherwise provided in this chapter, every retailer engaging in business in this state and making sales of tangible personal property, custom software, or taxable services for delivery into this state, or with the knowledge, directly or indirectly, that the property or service is intended for use in this state, that are not exempted under the provisions of §11-15A-3 of this code, shall at the time of making the sales, whether within or without the state, collect the tax
imposed by this article from the purchaser, and give to the purchaser a receipt therefor in the
manner and form prescribed by the Tax Commissioner, if the Tax Commissioner prescribes by
rule.

(b) Each retailer shall list with the Tax Commissioner the name and address of all the
retailer's agents operating in this state, and the location of any and all distribution or sales houses
or offices or other places of business in this state of the retailer and the retailer's agent or agents.

(a) A retailer may advertise or hold out or state to the public or to any purchaser, consumer
or user, directly or indirectly, that the tax or any part thereof imposed by this article will be assumed
or absorbed by the retailer or that any part required to be added to the purchase price will be
refunded, so long as:

(1) The retailer separately states the selling price of the property sold and the full amount
of tax imposed by this article on such property; and

(2) For each sale for which the retailer assumes or absorbs all or any part of the tax
imposed by this article, the retailer shall remit to the Department of Tax and Revenue the full
amount of such tax with the return that covers the period in which the retailer completed the sale
or transaction.

(b) The Tax Commissioner has the power to adopt and promulgate rules for adding,
assuming, or absorbing the tax, or the equivalent thereof, by providing different methods applying
uniformly to retailers within the same general classification for the purpose of enabling retailers to
add, assume, absorb, or collect, as far as practicable, the amount of the tax.

(c) The provisions of this section shall apply to §11-15-1 et seq. of this code, with the same
force and effect as if this section was expressly incorporated therein.
