[Passed March 12, 2022; in effect from passage]
Committee Substitute
for
Senate Bill 261

BY SENATORS NELSON, PHILLIPS, RUCKER, ROBERTS, LINDSAY, JEFFRIES, AND GRADY

[Passed March 12, 2022; in effect from passage]
AN ACT to amend and reenact §18-20-11 of the Code of West Virginia, 1931, as amended, relating to requiring video cameras in certain special education classrooms; allowing school principal to designate another school administrator to be the custodian of the video camera, all recordings of the camera, and access to those recordings; modifying provisions pertaining to the amount of time a video is required to be retained; removing requirement to delete or otherwise make unretrievable after a certain time period; clarifying that the principal or other designated school administration is not required to view the video recording absent an authorized request or suspicion of an incident except as otherwise provided; removing prohibition against allowing regular, continuous, or continual monitoring of video recording; allowing the school principal, other school administration designee, or in certain instances, a county designee to view a video recording; requiring no less than 15 minutes of the video of each self-contained classroom to be viewed at no less than every 90 days; modifying provisions pertaining to the viewing of a video recording by a law-enforcement officer or the Department of Health and Human Resources; requiring a public school or school district to allow a judge, counsel, or other legal entity to view a video recording in certain instances; requiring certain incidents to be reported pursuant to code section mandating reporting of suspected child abuse and neglect; and providing that cameras in special education classrooms section only applies to cameras installed pursuant to that section.

Be it enacted by the Legislature of West Virginia:

ARTICLE 20. EDUCATION OF EXCEPTIONAL CHILDREN.

(a) A county board of education shall ensure placement of video cameras in self-contained classrooms as defined in state board policy.

(b) As used in this section:
(1) “Incident” means a raised suspicion by a teacher, aide, parent, or guardian of a child, of bullying, abuse, or neglect of a child or of harm to an employee of a public school by:

(A) An employee of a public school or school district; or

(B) Another student;

(2) “Self-contained classroom” means a classroom at a public school in which a majority of the students in regular attendance are provided special education instruction and as further defined in state board policy; and

(3) “Special education” means the same as defined in §18-20-1 et seq. of this code.

(c) A county board of education shall provide a video camera to a public school for each self-contained classroom that is a part of that school which shall be used in every self-contained classroom. The principal of the school or other school administrator whom the principal assigns as a designee shall be the custodian of the video camera, all recordings generated by the video camera, and access to those recordings pursuant to this section.

(d)(1) Every public school that receives a video camera under this section shall operate and maintain the video camera in every self-contained classroom that is part of that school.

(2) If there is an interruption in the operation of the video camera for any reason, a written explanation should be submitted to the school principal and the county board explaining the reason and length for which there was no recording. The explanation shall be maintained at the county board office for at least one year.

(e)(1) A video camera placed in a self-contained classroom shall be capable of:

(A) Monitoring all areas of the self-contained classroom, including, without limitation, a room attached to the self-contained classroom and used for other purposes; and

(B) Recording audio from all areas of the self-contained classroom, including, without limitation, a room attached to the self-contained classroom and used for other purposes.

(2) A video camera placed in a self-contained classroom shall not monitor a restroom or any other area in the self-contained classroom where a student changes his or her clothes except,
for incidental monitoring of a minor portion of a restroom or other area where a student changes
his or her clothes because of the layout of the self-contained classroom.

(3) A video camera placed in a self-contained classroom is not required to be in operation
during the time in which students are not present in the self-contained classroom.

(f) Before a public school initially places a video camera in a self-contained classroom
pursuant to this section, the public school shall provide written notice of the placement to:

(1) The parent or legal guardian of a student who is assigned to the self-contained
classroom;

(2) The county board; and

(3) The school employee(s) who is assigned to work with one or more students in the self-
contained classroom.

(g)(1) Except as provided in subdivision (2) of this subsection, a public school shall retain
video recorded from a camera placed under this section for at least three months after the date
the video was recorded, subject to the following:

(A) If the minimum three-month period overlaps the summer break occurring between the
last day of one instructional term and the first day of the next instructional term, the minimum
three-month period shall be extended by the number of days occurring between the two
instructional terms;

(B) For any school-based camera system that is installed or replaced after April 1, 2022,
the public school shall retain video recorded from a camera for at least 365 days after the date
the video was recorded and no extension of this time period during the summer break is required.

(2) If a person requests to view a recording under subsection (k) or subsection (l) of this
section, the public school shall retain the recording from the date of the request until:

(A) The earlier of the person viewing the recording or 60 days after the person who
requested the video was notified by the public school that the video is ready to be viewed; and
(B) Any investigation and any administrative or legal proceedings that result from the recording have been completed, including, without limitation, the exhaustion of all appeals.

(3) In no event may the recording be deleted or otherwise made unretrievable before the time period set forth in subdivision (1) of this subsection elapses.

(h) This section does not:

(1) Waive any immunity from liability of a public school district or employee of a public school district;

(2) Create any liability for a cause of action against a public school or school district or employee of a public school or school district; or

(3) Require the principal or other designated school administrator to view the video recording absent an authorized request pursuant to this code section or suspicion of an incident except as otherwise provided in subsection (j) of this section.

(i) A public school or school district shall not use video recorded under this section for:

(1) Teacher evaluations; or

(2) Any purpose other than the promotion and protection of the health, wellbeing, and safety of students receiving special education and related services in a self-contained classroom.

(j) Except as provided under subsections (k) and (l) of this section, a video recording made under this section is confidential and shall not be released or viewed by anyone except the school principal, other school administration designee, or county designee if the school principal or other school administration designee is unable to view the video pursuant to this subsection. The school principal, other school administration designee, or county designee shall view no less than 15 minutes of the video of each self-contained classroom at the school no less than every 90 days. The state board shall include in its rule authorized by this section requirements for documentation of compliance with the video viewing requirements of this subsection.
(k) Within seven days of receiving a request, a public school or school district shall allow viewing of a video recording by:

1. A public school or school district employee who is involved in an alleged incident that is documented by the video recording and has been reported to the public school or school district;
2. A parent or legal guardian of a student who is involved in an alleged incident that is documented by the video recording and has been reported to the public school or school district; or
3. An employee of a public school or school district as part of an investigation into an alleged incident that is documented by the video recording and has been reported to the public school or school district.

(I) Within seven days of receiving a request, a public school or school district shall allow viewing of a video recording by and comply with all subsequent requests for viewing or release of the video recording by:

1. A law-enforcement officer or employee of the Department of Health and Human Resources, as part of an investigation into an alleged incident that is documented by the video recording and has been reported to the agency: Provided, That if a release of the video recording is requested pursuant to this subdivision, the agency receiving a copy of the video recording shall maintain strict confidentiality of the video and not further release the video without authorization from the public school district through its superintendent; or
2. A judge, counsel, or other legal entity that is charged with deciding or representing either the school board, students, or employees in any matters related to legal issues arising from an incident: Provided, That the video may only be released pursuant to an appropriate protective order or under seal.

(m) If an incident is discovered while initially viewing camera footage that requires a report to be made under §49-2-803 of this code, that report shall be made by the viewer pursuant to that section within 24 hours of viewing the incident.
(n) When a video is under review as part of the investigation of an alleged incident, and
the video reveals a student violating a disciplinary code or rule of the school, which violation is
not related to the alleged incident for which the review is occurring, and which violation is not
already the subject of a disciplinary action against the student, the student is not subject to
disciplinary action by the school for such unrelated violation unless it reveals a separate incident
as described in §18-20-11(b)(1) of this code.

(o) It is not a violation of subsection (j) of this section if a contractor or other employee of
a public school or school district incidentally views a video recording under this section if the
contractor or employee of a public school or school district is performing job duties related to the:

(1) Installation, operation, or maintenance of video equipment; or

(2) Retention of video recordings.

(p) This section applies solely to cameras installed pursuant to this code section and does
not limit the access of a student’s parent or legal guardian to a video recording viewable under

(q) A public school or school district shall:

(1) Take necessary precautions to conceal the identity of a student who appears in a video
recording but is not involved in the alleged incident documented by the video recording for which
the public school allows viewing under subsection (j) of this section, including, without limitation,
blurring the face of the uninvolved student; and

(2) Provide procedures to protect the confidentiality of student records contained in a video
§1232g, or any other law.

(r) (1) Any aggrieved person may appeal to the State Board of Education an action by a
public school or school district that the person believes to be in violation of this section.

(2) The state board shall grant a hearing on an appeal under this subsection within 45
days of receiving the appeal.
(s) (1) A public school or school district may use funds distributed from the Safe Schools Fund created in §18-5-48 of this code or any other available funds to meet the requirements of this section.

(2) A public school or school district may accept gifts, grants, or donations to meet the requirements of this section.

(t) The state board may promulgate a rule in accordance with §29A-3B-1 et seq. of this code to clarify the requirements of this section and address any unforeseen issues that might arise relating to the implementation of the requirements of this section.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
