15 proprietorship, then any unused credit, after application of subsections (b) and (c) of this
16 subsection, is allowed as a credit against the taxes imposed by article twenty-one of this chapter
17 on the income from business or other activity subject to tax under article twenty-three of this
18 chapter or on income of a sole proprietor attributable to the business.

19 (2) Electing small business corporations, limited liability companies, partnerships and
20 other unincorporated organizations shall allocate the credit allowed by this article among its
21 members in the same manner as profits and losses are allocated for the taxable year.

5 the excess may be applied against those taxes, in the order and manner stated in §11-13X-7 of
6 this code, for succeeding taxable years until the earlier of the following:

12 expenditures for the amount of any unused portion of any annual credit allowance.

15 the credit was originally issued by the Office of Economic Development.

16 (e) Any tax credit certificate issued in accordance with this article, which has been issued
17 to an eligible company, and to the extent not previously claimed against the tax of the eligible
18 company or the owner of the certificate, may be transferred or sold by such eligible company to
19 another West Virginia taxpayer, subject to the following conditions:

22 assignees or purchasers;

23 (2) Transferors and sellers shall apply to the office for approval of any transfer, sale, or
24 assignment of the tax credit. Any amount of the tax credit that has been transferred or assigned
25 shall be subject to the same limitations and conditions that apply to the eligible company's or
26 seller's entitlement, use and application of the credit. The application for sale, transfer or
27 assignment of the credit shall include the transferor's tax credit balance prior to transfer, the credit
28 certificate number, the name of the seller, the transferor's remaining tax credit balance after
29 transfer, if any, all tax identification numbers for both transferor and transferee, the date of
30 transfer, the amount transferred, a copy of the credit certificate and any other information required
31 by the Office of Economic Development or the Tax Commissioner.

32 (3) The Office of Economic Development shall not approve the transfer or assignment of
33 a tax credit if the seller or transferor has an outstanding tax obligation with the State of West
34 Virginia for any prior taxable year.

35 (f) The transferee, assignee or purchaser shall apply such credits in the same manner and
36 against the same taxes as specified in this article.

37 (g) For purposes of this chapter, any proceeds received by the eligible company or
38 transferor for its assignment or sale of the tax credits allowed pursuant to this section are exempt
39 from the West Virginia consumers sales and service tax, use tax, the corporate net income tax,
40 and personal income tax.

41 (h) The Tax Commissioner shall not seek recourse against the transferee for any portion
42 of the credit that may be subsequently disqualified.

43 Failure to comply with this section will result in the disallowance of the tax credit until the
44 seller or transferor is in full compliance.

§11-13X-11. Tax credit review and accountability.

1 (a) Beginning on the first day of the third taxable year after the passage of this article and
2 every two years thereafter, the Office of Economic Development shall submit to the Governor, the
3 President of the Senate and the Speaker of the House of Delegates a tax credit review and
4 accountability report evaluating the cost effectiveness of the Film Industry Investment Act during
5 the most recent two-year period for which information is available. The criteria to be evaluated

1 (a) The West Virginia Office of Economic Development, in consultation and coordination
2 with the appropriate public and private entities, shall promote, foster, encourage, and monitor the

7 (b) The West Virginia Office of Economic Development shall coordinate with property
8 owners, musicians and other performers, and other managers of resources suitable for film
9 production to develop a database of locations, music, and other resources available for

11 shall establish methods for interface with national and international databases of these resources
12 that are available to, or used by, film and video production teams in the identification and selection
13 of location, music, and other resources. The Economic Development Office shall also implement
