Committee Substitute for House Bill 3312

BY DELEGATES STEELE AND MALLOW

[Passed February 17, 2022; in effect ninety days from passage.]
Committee Substitute
for
House Bill 3312

BY DELEGATES STEELE AND MALLOW

[Passed February 17, 2022; in effect ninety days from passage.]
AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §10-3A-1, §10-3A-2, §10-3A-3, §10-3A-4, §10-3A-5, §10-3A-6, and §10-3A-7, all relating to the establishment of a monument to child labor; providing for legislative findings; establishing a short title; creating a commission to oversee the siting, design, construction, and dedication of the monument; establishing membership of the commission; outlining the goals of the commission regarding location of the monument; providing for a funding mechanism from existing revenue sources for construction and maintenance of the monument; creating an inscription or plaque to be used in the dedication of the monument; disbanding the commission upon meeting certain conditions; granting the City of Fairmont the ownership of the monument; providing funds for the City of Fairmont to maintain the monument; and establishing a mechanism for maintenance and ownership of the monument under certain conditions.

Be it enacted by the Legislature of West Virginia:

CHAPTER 10. PUBLIC LIBRARIES; PUBLIC RECREATION; ATHLETIC ESTABLISHMENTS; MONUMENTS AND MEMORIALS; ROSTER OF SERVICEMEN; EDUCATIONAL BROADCASTING AUTHORITY.

ARTICLE 3A. THE WEST VIRGINIA MEMORIAL TO CHILD LABOR.

§10-3A-1. Legislative findings, purposes, intent, and short title.

(a) The Legislature finds that child labor in hazardous industry was commonplace in West Virginia and the United States until state and federal laws prohibited such labor in the early 20th century. Throughout West Virginia, children worked in coal mines, factories, salt works, and other inherently dangerous places. Due to their diminutive size and because child workers could be paid less, many employers preferred to utilize children in formal employment and informal employment arrangements. Because many children were informally employed, the number of children who were permanently maimed or killed due to hazardous labor is unknown.

(a) A commission shall be established on July 1, 2022, to oversee construction of the monument. The commission shall be comprised of:

(1) The Curator of the Department of Arts, Culture, and History, who shall serve as chairperson;

(2) A member of the West Virginia House of Delegates, who shall be appointed by the Speaker of the House of Delegates;

(3) A member of the West Virginia Senate, who shall be appointed by the President of the Senate;

(4) A representative of the City of Fairmont, to be appointed by the city council of Fairmont, West Virginia; and

(5) A representative of the West Virginia University College of Creative Arts.

(b) A majority of the members of the commission must be present at a meeting to constitute a quorum, and a majority of those members present at a meeting must vote in the affirmative in order to pass a motion. A meeting may be called by the chair and at least five days written notice of the meeting must be provided to the members of the commission. The chair may call a meeting upon a written demand by at least three members.

§10-3A-3. Design, construction, and administration of the monument.

(a) The commission shall choose a design for the monument by December 31, 2022, that:

(1) Adheres to the principles described in §10-3A-1,

(2) The commission finds to be aesthetically pleasing, and
(3) Preserves green space on the plot chosen.

(b) The commission shall solicit bids for construction of the monument and shall adhere to all state purchasing and payment processing laws and regulations in paying its construction vendors, with a target completion date of November 15, 2023. The commission shall target a date of December 6, 2023, for dedication of the monument, that being the 116th anniversary of the Monongah mine disaster.

§10-3A-4. Funding for the monument; authority for obtaining additional funds to complete or enhance the monument.

The Division of Labor shall allocate funds in the amount of $500,000 toward the completion of the monument from any available funds that are managed or utilized by the Division of Labor. The commission shall have the authority to obtain funding through grants, charitable donations, or other appropriate means for the completion or enhancement of the monument.

§10-3A-5. Memorial inscription or plaque.

The following text shall be inscribed or engraved upon the monument, or otherwise permanently affixed by means of a plaque:

“On December 6, 1907, an explosion destroyed the Number 6 and Number 8 mines of Fairmont Coal Company in Monongah, West Virginia. The official death toll was 362, but this did not account for miners’ family members, including dozens of children, who were present in the mines that day.

Whether due to enslavement or poverty, child labor was a grievous part of our state’s industrial history—not only in coal mining, but also in factories, salt works, and other inherently hazardous professions—until it was restricted by state and federal laws in the early 20th century.

This monument stands as a memorial to all children who were victimized by child labor in hazardous industry, and may this park serve as a reminder that the primary employment of children ought to be to learn and to play.”
§10-3A-6. Conclusion of the commission’s work.

(a) The Commission shall be disbanded on December 31, 2023: Provided, That the monument has been completed as outlined in this article, and that the monument has been appropriately dedicated. If the monument is not completed or dedicated by December 31, 2023, the commission shall continue until such time as the monument is completed and dedicated.

(b) On December 31, 2023 or such time the commission is disbanded, ownership of the monument shall transfer to the City of Fairmont, West Virginia, and any funds remaining in the commission’s control at that time shall be granted to the City of Fairmont for the monument’s enhancement and perpetual maintenance.

§10-3A-7. Return of monument to state administration.

If at any time after the completion and dedication of the monument, the City of Fairmont is unable or unwilling to continue maintaining the monument and its attached greenspace, then ownership of the property shall revert to the Department of Arts, Culture, and History.
