(a) For any primary, general, or special election held throughout a county, poll clerks and election commissioners may be nominated as follows:

(3) Each county executive committee shall also nominate qualified persons as alternates for at least 10 percent of the poll clerks and election commissioners to be appointed in the county and is authorized to nominate as many qualified persons as alternates as there are precincts in the county to be called upon to serve in the event any of the persons originally appointed fail to accept appointment or fail to appear for the required training or for the preparation or execution of their duties;

(4) When an executive committee nominates qualified persons as poll clerks, election commissioners, or alternates, the committee, or its chair or secretary on its behalf, shall file in writing with the appointing body, no later than the 70th day before the election, a list of those persons nominated and the positions for which they are designated.

(b) For any municipal primary, general, or special election, the poll clerks and election commissioners may be nominated as follows:

§7-14B-21. County commission of counties with a population of less than 25,000 may place correctional officers under civil service; protest and election with respect thereto.

The county commission of any county having a population of less than 25,000 may by order entered of record provide that the provisions of this article providing civil service for correctional officers shall apply to such county on and after the effective date of this article. A copy of such order, together with a notice advising the qualified voters of such county of their right to protest the placing of correctional officers of such county under civil service, shall be published
as a Class II-0 legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code, and the publication area for such publication shall be the county.

In the event 15 percent of the qualified voters of such county protest such order, by petition duly signed by them in their own handwriting (which petition may be signed in any number of counterparts) and filed with the county clerk of such county within 60 days after publication of such copy and notice, such order shall not become effective unless and until it is ratified by a majority of the legal votes cast with respect to the question of civil service coverage for the correctional officers of such county by the qualified voters of such county at a primary or general election. Any such election shall be conducted and superintended and the results thereof ascertained as provided by law for primary or general elections, as the case may be.

Whenever the correctional officers of any county are placed under civil service pursuant to the provisions of this section, such civil service system for the correctional officers of such county shall thereupon become mandatory and all of the provisions of this article shall apply to the correctional officers of such county with like effect as if said county had a population of 25,000 or more.

ARTICLE 17. COUNTY FIRE BOARDS.

§7-17-12. County fire service fees; petition; election; dedication; and amendment.

(a) Every county commission which provides fire protection services has plenary power and authority to provide by ordinance for the continuance or improvement of such service, to make regulations with respect thereto, and to impose by ordinance, upon the users of such services, reasonable fire service rates, fees, and charges to be collected in the manner specified in the ordinance.

(b) Any fees imposed under this article are dedicated to the county fire board for the purposes provided in this article.

(c) A county commission can impose by ordinance, upon the users of such service, a reasonable fire service fee, by one of two methods:
(1) Ten percent of the qualified voters shall present a petition duly signed by them in their own handwriting, and filed with the clerk of the county commission, directing that the county commission impose such a fee. The county commission shall not have a lien on any property as security for payments due under the ordinance. Any ordinance enacted under the provisions of this section shall be published as a Class II legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code, and the publication area for such publication shall be the county in which the county fire board is located. In the event 30 percent of the qualified voters of the county by petition duly signed by them in their own handwriting and filed with the clerk of the county commission within 45 days after the expiration of such publication protest against such ordinance as enacted or amended, the ordinance may not become effective until it is ratified by a majority of the legal votes cast thereon by the qualified voters of such county at any primary or general election as the county commission directs. Voting thereon may not take place until after notice of the submission has been given by publication as above provided for the publication of the ordinance after it is adopted. The powers and authority hereby granted to county commissions are in addition to and supplemental to the powers and authority otherwise granted to them by other provisions of this code; or

(2) If the county fire board determines an amendment in the fee imposed in subsection (a) of this article is necessary, it may, by resolution, request the county commission for such a change. Upon receipt of the resolution from the county fire board, the county commission shall, by ballot referendum, amend the ordinance imposing a fire fee and adopt the changes in the fee requested by the county fire board.

(A) This referendum, to determine whether it is the will of the voters of a county that an amendment to the fire fee is necessary, may be held at any regular primary or general election, or, in conjunction with any other countywide election. Any election at which the question of amending the fire fee is voted upon shall be held at the voting precincts established for holding primary or general elections. All of the provisions of the election laws, when not in conflict with
the provisions of this article, shall apply to voting and elections hereunder, insofar as practicable.

The county commission shall, not less than 90 days before the election, order that the issue be placed on the ballot and referendum held at the next primary or general election to determine whether it is the will of the voters of the county that a fire fee be amended: Provided, That prior to issuing the order, the county commission shall publish the ordinance which must contain the anticipated allocation of any fees or charges and which would be enacted should the referendum succeed as a Class II legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code, and the publication area for such publication shall be the county in which the county fire board is located.

(B) The ballot, or the ballot labels where voting machines are used, shall have printed thereon substantially the following:

"Shall the county commission be permitted to amend the fire fee in __________ County, West Virginia?

____ For the fee amendment.

____ Against the fee amendment.

(Place a cross mark in the square opposite your choice.)"

(C) If a majority of legal votes cast upon the question be for the fire fee amendment, the county commission shall, after the certification of the results of the referendum, thereafter adopt an ordinance, within 60 days of certification, establishing the fire fee amendment in the county: Provided, That such program shall be implemented and operational no later than 12 months following certification. If a majority of the legal votes cast upon the question be against the fire fee amendment, then the policy shall not take effect, but the question may again be submitted to a referendum at any subsequent election in the manner herein provided.

(d) In the event that a majority of the votes cast upon a question submitted pursuant to this section at any primary election be against the question, the question may again be submitted to the voters at the next succeeding general election.
ARTICLE 20. FEES AND EXPENDITURES FOR COUNTY DEVELOPMENT.

§7-20-7. Establishment of impact fees; levies may be used to fund existing capital improvements.

(a) Impact fees assessed against a development project to fund capital improvements and public services may not exceed the actual proportionate share of any benefit realized by such project relative to the benefit to the resident taxpayers.

Notwithstanding any other provision of this code to the contrary, those counties that meet the requirements of §7-20-6 of this code are hereby authorized to assess, levy, collect, and administer any tax or fee as has been or may be specifically authorized by the Legislature by general law to the municipalities of this state: Provided, That any assessment, levy, or collection shall be delayed 60 days from its regular effective date: Provided, however, That in the event 15 percent of the qualified voters of the county by petition duly signed by them in their own handwriting and filed with the county commission within 45 days after any impact fee or levy is imposed by the county commission pursuant to this article, the fee or levy protested may not become effective until it is ratified by a majority of the legal votes cast thereon by the qualified voters of such county at any primary or general election as the county commission directs. Voting thereon may not take place until after notice of the subcommission of the fee a levy on the ballot has been given by publication of Class II legal advertisement and publication area shall be the county where such fee or levy is imposed: Provided further, That counties may not "double tax" by applying a given tax within any corporate boundary in which that municipality has implemented such tax. Any such taxes or fees collected under this law may be used to fund a proportionate share of the cost of existing capital improvements and public services where it is shown that all or a portion of existing capital improvements and public services were provided in anticipation of the needs of new development.

(b) In determining a proportionate share of capital improvements and public services costs, the following factors shall be considered:
Enr CS for HB 4353

(1) The need for new capital improvements and public services to serve new development
based on an existing capital improvements plan that shows: (A) Any current deficiencies in
existing capital improvements and services that serve existing development and the means by
which any such deficiencies may be eliminated within a reasonable period of time by means other
than impact fees or additional levies; and (B) any additional demands reasonably anticipated as
the result of capital improvements and public services created by new development;

(2) The availability of other sources of revenue to fund capital improvements and public
services, including user charges, existing taxes, intergovernmental transfers, in addition to any
special tax or assessment alternatives that may exist;

(3) The cost of existing capital improvements and public services;

(4) The method by which the existing capital improvements and public services are
financed;

(5) The extent to which any new development, required to pay impact fees, has contributed
to the cost of existing capital improvements and public services in order to determine if any credit
or offset may be due such development as a result thereof;

(6) The extent to which any new development, required to pay impact fees, is reasonably
projected to contribute to the cost of the existing capital improvements and public services in the
future through user fees, debt service payments, or other necessary payments related to funding
the cost of existing capital improvements and public services;

(7) The extent to which any new development is required, as a condition of approval, to
construct and dedicate capital improvements and public services which may give rise to the future
accrual of any credit or offsetting contribution; and

(8) The time-price differentials inherent in reasonably determining amounts paid and
benefits received at various times that may give rise to the accrual of credits or offsets due new
development as a result of past payments.
(c) Each county shall assess impact fees pursuant to a standard formula so as to ensure fair and similar treatment to all affected persons or projects. A county commission may provide partial or total funding from general or other nonimpact fee funding sources for capital improvements and public services directly related to new development, when such development benefits some public purpose, such as providing affordable housing and creating or retaining employment in the community.

(d) In the event that a majority of the votes cast upon a question submitted pursuant to this section at any primary election be against the question, the question may again be submitted to the voters at the next succeeding general election.

§7-20-12. Countywide service fees.

(a) Notwithstanding any provision of this code to the contrary, every county shall have plenary power and authority to impose a countywide service fee upon each employee and self-employed individual for each week or part of a calendar week the individual works within the county, subject to the following:

1. No individual shall pay the fee more than once for the same week of employment within the county.

2. The fee imposed pursuant to this section is in addition to all other fees imposed by the jurisdiction within which the individual is employed.

3. The fee imposed pursuant to this section may not take effect until the first day of a calendar month, as set forth in the order of the county commission establishing the fee, that begins at least 30 days after a majority of the registered voters of the county voting on the question approve imposition of the service fee, in a primary or general election held in the county.

4. The order of the county commission shall provide for the administration, collection, and enforcement of the service fee. Employers who have employees that work in the county imposing the service fee shall withhold the fee from compensation paid to the employee and pay it over to

the county as provided in the order of the county commission. Self-employed individuals shall pay
the service fee to the county commission in accordance with the order establishing the fee.

(5) The terms “employed”, “employee”, “employer” and “self-employed” have the following
meaning:

(A) “Employed” shall include an employee working for an employer so as to be subject to
any federal or state employment or wage withholding requirement and a self-employed individual
working as a sole proprietor or member of a firm so as to be subject to self-employment tax. An
employee shall be considered employed in a calendar week so long as the employee remains on
the current payroll of an employer deriving compensation for such week and the employee has
not been permanently assigned to an office or place of business outside the county. A self-
employed individual shall be considered employed in a calendar week so long as such individual
has not permanently discontinued employment within the county.

(B) “Employee” means any individual who is employed at or physically reports to one or
more locations within the county and is on the payroll of an employer, on a full-time or part-time
basis or temporary basis, in exchange for salary, wages, or other compensation.

(C) “Employer” means any person, partnership, limited partnership, limited liability
company, association (unincorporated or otherwise), corporation, institution, trust, governmental
body, or unit or agency, or any other entity (whether its principal activity is for-profit or not-for-
profit) situated, doing business, or conducting its principal activity in the county and who employs
an employee, as defined in this section.

(D) “Self employed individual” means an individual who regularly maintains an office or
place of business for conducting any livelihood, job, trade, profession, occupation, business, or
enterprise of any kind within the county’s geographical boundaries over the course of four or more
calendar weeks, which need not be consecutive, in any given calendar year.

(6) All revenues generated by the county service fee imposed pursuant to this section shall
be dedicated to and shall be exclusively utilized for the purpose or purposes set forth in the
Enr CS for HB 4353

referendum approved by the voters, including, but not limited to, the payment of debt service on
any bonds issued pursuant to §7-20-13 of this code and any costs related to the administration,
collection, and enforcement of the service fee.

(b) Any order entered by a county commission imposing a countywide service fee pursuant
to this section, or increasing or decreasing a countywide service fee previously adopted pursuant
to this section, shall be published as a Class II legal advertisement in compliance with the
provisions of §59-3-1 et seq. of this code, and the publication area for the publication shall be the
county. The order shall not become effective until it is ratified by a majority of the lawful votes cast
thereon by the qualified voters of the county at a primary or general election, as the county
commission shall direct. Voting thereon shall not take place until after notice of the referendum
shall have been given by publication as above provided for the publication of the order after it is
adopted by the county commission. The notice of referendum shall at a minimum include: (1) The
date of the referendum; (2) the amount of countywide service fee; (3) a general description of the
capital improvement or improvements included in the special infrastructure project to be financed
with the service fee; (4) whether revenue bonds shall be issued; and (5) if bonds are to be issued,
the estimated term of the revenue bonds. The county commission may include additional
information in the notice of referendum.

(c) In the event that a majority of the votes cast upon a question submitted pursuant to
this section at any primary election be against the question, the question may again be submitted
to the voters at the next succeeding general election.

regularly scheduled primary or general election if there are more than 90 days preceding such
election, and, if not, then, at the next succeeding regularly scheduled primary or general election,
and at which election all qualified electors of the territory shall vote upon the question of
incorporation between such hours as may be fixed by order of said commission. For the purpose
of holding and conducting said election, the county commission shall divide the territory into one
or more precincts, consisting of not more than 500 qualified voters in each precinct; shall arrange
for and provide at its expense polling places, registration books, challenges, and other election
supplies as provided for by law in general elections; shall appoint three commissioners of election
and two clerks from the qualified electors of said territory for each precinct so established, dividing
the election officials as nearly as possible equally between those favoring incorporation and those
opposed to incorporation; and shall give notice of the date and place or places of election and
hours for voting by publication of such notice as a Class II-0 legal advertisement in compliance
with the provisions of §59-3-1 et seq. of this code, and the publication area for such publication
shall be the territory sought to be incorporated.

ARTICLE 3. FRAMING AND ADOPTING AN ORIGINAL CHARTER FOLLOWING
INCORPORATION OF A CITY; REVISIONING OR AMENDING A CHARTER;
EXPENSES OF INCORPORATION.

§8-3-6. Same — Time for election; notice; voting precincts; supplies; officials; certification;

90 days preceding such election, and, if not, then, at the next succeeding regularly scheduled
primary or general election, and at which election the officers provided for by said proposed
charter and to be elected shall be voted upon in the manner provided in said proposed charter.
Enr CS for HB 4353

The county commission shall cause notice of the date, hours, place, and purpose of such election to be given by publication thereof as a Class II-0 legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code, and the publication area for such publication shall be the incorporated territory. The first of said publications shall be made not less than 30 days prior to the date fixed for the election. Each such notice of election shall state that upon request any qualified voter and any freeholder of the incorporated territory may obtain a copy of the proposed charter from a designated person at a designated place.

For the purpose of holding and conducting said election, the county commission shall divide the incorporated territory into one or more temporary precincts, consisting of not more than 500 qualified voters in each temporary precinct; shall arrange for and provide at its expense polling places, registration books, challenges, and other election supplies as provided for by law in general elections; and shall appoint three commissioners of election and two clerks from the qualified voters of said incorporated territory for each temporary precinct so established, subject, however, to the provisions of §8-4-11 of this code. Such election shall be held and conducted under the supervision of the commissioners and clerks of election appointed by the county commission as aforesaid and shall be conducted as nearly as may be in accordance with the laws of this state governing general elections. The results of such election, both as to approval or rejection of the proposed charter and the election of officers, shall be certified as in general elections, and the returns shall be canvassed and the results declared by the county commission.

In the event any commissioner or clerk designated to serve in said election shall fail or refuse to serve, such vacancy may be filled in like manner as such vacancies are filled in general elections under the laws of this state governing general elections. A recount may be had, as in general elections, upon the party or parties desiring such recount providing adequate assurance to the county commission that the party or parties shall pay all costs of such recount.
ARTICLE 4. FRAMING AND ADOPTING A CHARTER OTHER THAN IMMEDIATELY FOLLOWING INCORPORATION; REVISING OR AMENDING A CHARTER; ELECTIONS AND EXPENSES.

PART II. REVISING OR AMENDING A CHARTER.

§8-4-7. Revising or amending a charter — generally.

A special legislative charter or a charter framed and adopted or revised as a whole under the provisions of former §8A-1-1 et seq., §8-3-1 et seq., or §8-4-1 et seq. of this code, as the case may be, may be revised as a whole in like manner as a charter may be framed and adopted under the provisions of §8-4-1 et seq. of this code, except that the question submitted shall be “Shall the charter be revised as a whole by representatives of the people?”, but no such revision as a whole shall be made within four years of the effective date of such a charter or of the last preceding revision as a whole, whichever be later, as the case may be. A revision as a whole may also be initiated in the manner specified in §8-3-9 of this code or in the manner specified in said section nine considered in pari materia with the provisions of §8-3-9 of this code. If a majority of the legal votes cast on the question be in the negative or if the proposed charter revised as a whole is rejected by a majority of the legal votes cast at the election thereon, the provisions of §8-4-2 and §8-4-3 of this code relating to a negative vote on the question of framing a charter and to rejection of a proposed charter shall govern and control.

The qualified voters of a city may amend a special legislative charter or a charter framed and adopted or revised as a whole under the provisions of former §8A-1-1 et seq. of this code, §8-3-1 et seq. of this code, or under §8-4-1 et seq. of this code, as the case may be, but no amendment shall be made within one year of the effective date of such a charter or of the last preceding revision of such charter as a whole, whichever be later, as the case may be. An amendment or amendments may be initiated in the same manner provided in this article for the framing of a charter, in the manner specified in §8-3-9 of this code, or in the manner specified in
said section nine considered in pari materia with the provisions of §8-4-3 of this code. The

governing body of a city shall provide by ordinance for a special municipal election to pass upon

a proposed charter amendment or amendments if: (1) Such governing body by the affirmative

vote of two-thirds of its members shall determine and specify that a special municipal election is

necessary; or (2) a petition bearing the signatures, written in their own handwriting, of 15 percent

of the qualified voters of the city, if a Class I or Class II city, or 10 percent of the qualified voters

of the city, if a Class III city, expressly requesting that a special municipal election be called for

the purpose has been filed with the governing body more than 120 days prior to the date of the

next regular municipal election. In all other cases, a proposed charter amendment or amendments

shall be submitted by ordinance at the next regular municipal election. Any proposed amendment

or amendments shall be set out in full in the ordinance submitting same. The date of any special

municipal election for the purpose shall be fixed by the ordinance providing for same, but any

such special municipal election shall be held not less than 30 nor more than 60 days after such

ordinance shall have been adopted. Notice of any election at which a proposed amendment or

amendments shall be voted upon shall state the date and hours thereof, and shall set out the

proposed amendment or amendments at length or state that copies may be obtained by any

qualified voter or any freeholder of the city from a designated person at a stated place, upon

request. Such notice shall be published as in the case of a notice of an election on the question

of whether a charter shall be framed, as specified in §8-4-2 of this code. A charter amendment or

amendments approved, or such of them as may be approved, by a majority of the legal votes cast

at the election thereon shall take effect on the date that the declaration of the results showing

approval by the voters has been made by the governing body and entered in the minutes of the

governing body. One copy of the amendment or amendments, together with a certified copy of

the declaration of results attached thereto, shall be certified forthwith by the recorder of the city to

the Clerk of the House of Delegates, as keeper of the rolls, and another to the clerk of the county

commission for recording in the office of such clerk of the county commission. The same shall be
Enr CS for HB 4353

preserved by said Clerk of the House of Delegates as an authentic public record. After the
effective date of an amendment or amendments so filed, all courts shall take judicial notice of
such amendment or amendments.

If a majority of the legal votes cast at the election thereon be against any amendment,
such proposed amendment shall not be submitted again, without a petition of the qualified voters
as provided for in §8-4-1(b) of this code considered in pari materia with the provisions of this
section, for at least one year.

§8-4-8. Same — An alternate plan.

Whenever the governing body of any city shall deem it expedient to amend the charter of
any such city (whether such charter be a special legislative charter or a charter framed and
adopted or revised as a whole under the provisions of former §8A-1-1 et seq., of this code, under
§8-3-1 et seq., of this code, or §8-4-1 of this code, as the case may be), it shall, by ordinance, set
out in its proper record book the proposed amendment or amendments in full. The governing body
shall set a date, time, and place for a public hearing thereon, which date shall be not less than 30
days after the date of the first publication hereinafter required. The governing body shall cause
the proposed amendment or amendments, together with a notice of the date, time and place fixed
for the hearing thereon, to be published as a Class II-0 legal advertisement in compliance with
the provisions of §59-3-1 et seq. of this code, and the publication area for such publication shall
be the city. The notice shall state that the proposed amendment or amendments shall be
considered on the date and at the time and place fixed by the governing body and that any
qualified voter or any freeholder of the city may appear and file objections, in writing, and also
that if no objections are filed the said amendment or amendments shall become operative on and
after a date fixed in the notice, which date shall be not less than 10 days after the date of the
hearing. If no objections are filed, or if objections are filed and are withdrawn at the time of the
hearing, or within 10 days thereafter, the governing body shall, by ordinance, adopt the
amendment or amendments as an amendment or amendments to the charter, and cause a copy
of the amendment or amendments, ordinance, and transcript of the proceedings to be certified to
the Clerk of the House of Delegates, as keeper of the rolls, and to be recorded in the office of the
clerk of the county commission. The same shall be preserved by such Clerk of the House of
Delegates as an authentic public record. The amendment or amendments shall take effect on the
effective date specified in the notice as aforesaid. After the effective date, all courts shall take
judicial notice of such amendment or amendments.

If, on the date and at the time and place set for the hearing, objections to the amendment
or amendments are filed and are not withdrawn then or within 10 days thereafter, the governing
body may abandon the proposed amendment or amendments to which objections have been
filed, or it may submit the proposed amendment or amendments, either as a unit or separately, at
the next regular municipal election, or at a special municipal election if such governing body by
the affirmative vote of two-thirds of its members shall determine and specify that a special
municipal election is necessary and if the date of such regular municipal election shall be more
than six months from such date, for ratification or rejection. Notice of any election at which the
proposed amendment or amendments shall be voted upon shall state the date and hours thereof
and shall set out the proposed amendment or amendments at length or state that copies may be
obtained by any qualified voter or any freeholder of the city from a designated person at a stated
place, upon request. The governing body shall cause such notice to be published as a Class II-0
legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code, and the
publication area for such publication shall be the city. The amendment or amendments approved,
or such of them as may be approved, by a majority of the legal votes cast at the election thereon
shall take effect on the date that the declaration of the results showing approval by the voters has
been made by the governing body and entered in the minutes of the governing body. One copy
of the amendment or amendments, together with a certified copy of the declaration of results
attached thereto, shall be certified forthwith by the recorder of the city to the Clerk of the House
of Delegates, as keeper of the rolls, and another to the clerk of the county commission for
recording in the office of such clerk of the county commission. The same shall be preserved by
said Clerk of the House of Delegates as an authentic public record. After the effective date of an
amendment or amendments so filed, all courts shall take judicial notice of such amendment or
amendments. If a majority of the legal votes cast at the election thereon be against any proposed
amendment, the same shall not be proposed again under the provisions of this section for at least
one year.

The method of charter amendment provided for in this section is not in lieu of but is in
addition to the other methods prescribed in this chapter

PART III. ELECTIONS; EXPENSES.

§8-4-10. Conduct of elections; general provisions concerning canvass and declaration of
results; election supplies; election officials.

The governing body of a city shall canvass the returns within relatively the same time with
reference to an election held under the provisions of this article and in the same manner as county
commissions are required to do with respect to general elections, and shall declare the results of
any such election. This requirement shall apply to any election held under the provisions of this
article, whether it be a special municipal election or voting conducted in conjunction with a general
election or a regular municipal election. The canvass and declaration of results shall be entered
in the minutes of the governing body on the date made. Unless otherwise provided by charter
provision, any such special municipal election or voting conducted in conjunction with a general
election or a regular municipal election shall be held and conducted under the supervision at each
precinct of three commissioners of election and two clerks who shall be appointed by the
governing body and shall be conducted as nearly as may be in accordance with the laws of this
state governing general elections, subject, however, in the case of a special municipal election to
the provisions of §8-4-11 of this code. For any special municipal election or voting conducted in
conjunction with a general election or a regular municipal election, in accordance with the
provisions of this article, the governing body shall arrange for and provide at its expense
registration books, challenges and other election supplies as provided by law in general elections, and polling places in any such special municipal election or with respect to any such voting conducted in conjunction with a regular municipal election. In the event any commissioner or clerk appointed by the governing body shall fail or refuse to serve, such vacancy may be filled in like manner as such vacancies are filled in general elections under the laws of this state governing general elections, except that the governing body shall act in the place and stead of the county commission. A recount may be had, as in general elections, upon the party or parties desiring such recount providing adequate assurance to the governing body that the party or parties shall pay all costs of such recount.

§8-5-5. Regular election of officers; establishment of longer terms.

(a) After the first election of officers of a city, town, or village, the regular election of officers shall be held on the second Tuesday in June of the appropriate year, unless otherwise provided in the charter of the city or the special legislative charters of the towns or villages.

(b) A municipal election date established by a charter provision may fall on the same day as a regularly scheduled statewide primary or general election only when the voting precinct boundaries in the municipality coincide with the voting precinct boundaries established by the county commission or when the charter provides for separate registration books. If a municipal election falls on the same day as a regularly scheduled statewide primary or general election, the municipality and county may agree to use the county election officials in the municipal elections, if practicable, or the municipality may provide for separate election officials.

(c) A municipal election date established by charter provision may fall within 25 days of a regularly scheduled statewide primary or general election only where separate registration books are provided and maintained for the municipal election.

(d) Any municipality which establishes its election date by charter provision must comply with the provisions of this section or the election date shall be the second Tuesday of June. The language of this section may not be construed to prevent any city, town, or village from amending
the provisions of its charter or special legislative charter, to provide that its municipal election be
held on some day other than the second Tuesday in June.

(e) Officers of a city may be elected for a four-year term at the same election at which a
proposed charter, proposed charter revision, or charter amendment providing for four-year terms
is voted upon. The ballots or ballot labels used for the election of officers must indicate that the
officers shall be elected for four-year terms if the proposed charter, revision or amendment is
approved. Officers of a town or village may be elected for a four-year term upon approval by a
majority of the legal votes cast at a regular municipal election of a proposition calling for four-year
terms. The ballots or ballot labels used for the election of officers must indicate that the officers
shall be elected for four-year terms if the proposition is approved.

(f) Municipalities are authorized to stagger and/or change the terms of elected municipal
officers. Prior to any changes being made to the terms of elected municipal officers, the procedure
to stagger and/or change the terms shall be set by ordinance and must be approved by a majority
of the voters.

charter may pass an ordinance that establishes a new municipal election day upon agreement
with its county commission to hold any local elections, including the regular election of local
officers, municipal bond elections, and municipal levy elections, on the same day as a regularly
scheduled statewide primary or general election. The municipality shall publish notice of the public
meeting during which the proposed ordinance shall be considered by the municipal governing
body via Class II-0 legal advertisement in a publication area sufficient to reach a majority of the
municipal residents, which notice shall include the public meeting date, time, and location, any
proposed extension or reduction of terms of office pursuant to paragraph (f) of this section, and
the proposed election day change.

(h) The ordinance proposed pursuant to paragraph (g) of this section may call for an
extension or reduction of the terms of office for the purpose of aligning the terms to coincide with
the same date as a regularly scheduled statewide primary or general election day, which question shall be resolved by majority vote of the participating voters in the county: Provided, That the governing body shall not propose an extension of the terms of those offices by more than 18 months: Provided, however, That nothing in this section modifies a municipality's authority to reduce current elected officials' terms of office in any other manner provided by law.

(i) A municipality which enters into an agreement with the county commission to hold elections at the same time as a regularly scheduled statewide primary or general election day pursuant to this section is required to share in the administrative costs of holding the election, but which costs shall not exceed the municipality's pro rata share of voters registered in the municipality compared with the total voters registered in the county.

40 take effect until a majority of the voters approve it.
41 (g) If an election is held and the proposed amendment to the zoning ordinance is rejected,
42 then the proposed amendment does not take effect. The governing body of the county may
43 resubmit the proposed amendment to the zoning ordinance to the voters at another election.
44 (i) The election laws of this state apply to any election on a proposed amendment to a
45 zoning ordinance.

ordinance.

(g) The governing body may amend its nontraditional zoning ordinance during the process
of adopting and enacting a zoning ordinance.

(h) If a majority of the voters reject replacing the nontraditional zoning ordinance with a
zoning ordinance, the affected voters may not petition for a vote on the issue for at least two years
from the date of the election.

(i) Nothing in this section shall prevent a governing body from amending its zoning
ordinance in accordance with this chapter.

(j) If a governing body of a county chooses to replace a nontraditional zoning ordinance
with a traditional zoning ordinance without holding an election, a petition, signed by at least 10
percent of the eligible voters who reside in the area affected by the zoning ordinance, for an
election on the question of adopting a traditional zoning ordinance may be filed with the governing
body of the county within 90 days after the enactment of the traditional zoning ordinance by the
governing body of the county. If a petition is timely filed, then the traditional zoning ordinance
does not take effect until:

CHAPTER 11. TAXATION.

ARTICLE 8. LEVIES.

§11-8-16. What order for election to increase levies to show; vote required; amount and
continuation of additional levy; issuance of bonds.

A local levying body may provide for an election to increase the levies by entering on its
record of proceedings an order setting forth:
1. The purpose for which additional funds are needed;
2. The amount for each purpose;
3. The total amount needed;
4. The separate and aggregate assessed valuation of each class of taxable property
within its jurisdiction;
5. The proposed additional rate of levy in cents on each class of property;
6. The proposed number of years, not to exceed five, to which the additional levy applies;
7. The fact that the local levying body shall or shall not issue bonds, as provided by this
section, upon approval of the proposed increased levy.
The local levying body shall submit to the voters within their political subdivision the question of the additional levy at either a regularly scheduled primary or general election in accordance with the requirements of §3-1-31 of this code. If at least 60 percent of the voters cast their ballots in favor of the additional levy, the county commission or municipality may impose the additional levy. If at least a majority of voters cast their ballot in favor of the additional levy, the county board of education may impose the additional levy: Provided, That any additional levy adopted by the voters, including any additional levy adopted prior to the effective date of this section, shall be the actual number of cents per each $100 of value set forth in the ballot provision, which number shall not exceed the maximum amounts prescribed in this section, regardless of the rate of regular levy then or currently in effect, unless such rate of additional special levy is reduced in accordance with the provisions of §11-8-6g of this code or otherwise changed in accordance with the applicable ballot provisions. For county commissions, this levy shall not exceed a rate greater than seven and fifteen hundredths cents for each $100 of value for Class I properties, and for Class II properties a rate greater than twice the rate for Class I properties, and for Class III and IV properties a rate greater than twice the rate for Class II properties. For municipalities, this levy shall not exceed a rate greater than six and twenty-five hundredths cents for each $100 of value for Class I properties, and for Class II properties a rate greater than twice the rate for Class I properties, and for Class III and IV properties a rate greater than twice the rate for Class II properties. For county boards of education, this levy shall not exceed a rate greater than twenty-two and ninety-five hundredths cents for each $100 of value for Class I properties, and for Class II properties a rate greater than twice the rate for Class I properties, and for Class III and IV properties a rate greater than twice the rate for Class II properties.

Levies authorized by this section shall not continue for more than five years without resubmission to the voters.

Upon approval of an increased levy as provided by this section, a local levying body may immediately issue bonds in an amount not exceeding the amount of the increased levy plus the
total interest thereon, but the term of the bonds shall not extend beyond the period of the increased levy.

Insofar as they might concern the issuance of bonds as provided in this section, the provisions of §13-1-3 and §13-1-4 of this code shall not apply.

In the event that a majority of the votes cast upon a question submitted pursuant to this section at any primary election be against the question, the question may again be submitted to the voters at the next succeeding general election.

§11-8-17. Special levy elections; notices; conduct of election; supplies; canvass of returns; form of ballot.

(a) The local levying body shall publish a notice, calling the election, as a Class II-0 legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code, and the publication area for such publication shall be the territory in which the election is held. Such notice shall be so published within 14 consecutive days next preceding the election.

(b) All the provisions of the law concerning general elections shall apply so far as they are practicable: Provided, That notwithstanding any provision of this code to the contrary, in the case of a levy which expires at a time after July 1, 2022, and which shall not be up for renewal at the next regularly scheduled primary or general election thereafter, the local levying body shall by ordinance choose to hold the election to renew that levy either at the next regularly scheduled primary or general election in accordance with §3-1-31 of this code: Provided, however, That notwithstanding any other provision of this code, a local levying body may enter an order authorizing a special election prior to the expiration of the existing or expiring levy for the purpose of presenting to the voters the question of synchronizing the renewal of an existing or expiring levy with a future regularly scheduled primary or general election, which question shall pass upon adoption by a majority of participating voters.

(c) The question on the special levy shall be placed on the ballot in accordance with the ballot placement order prescribed by §3-5-13a(a) of this code. The question heading shall be
entitled: “Special Levy Election” and the question shall be significantly in the following form:

“Special election to authorize additional levies for the year(s) _________ and for the purpose of ____________ according to the order of the ____________ entered on the ______ day of _____________.

The additional levy shall be on Class I property ____________ cents; on Class II property ____________ cents; on Class III property (if any) ____________ cents; on Class IV property (if any) ____________ cents.

(d) In the event that a majority of the votes cast upon a question submitted pursuant to this section at any primary election be against the question, the question may again be submitted to the voters at the next succeeding general election.

§16-12-1. Incorporation as sanitary district for sewage disposal; petition, notice and hearing; election; form of ballot; expenses of election.

Whenever any area of contiguous territory shall contain one or more incorporated cities, towns, and/or villages, and shall be so situated that the construction and maintenance of a plant or plants for the purification and treatment of sewage and the maintenance of one or more outlets for the drainage thereof, after having been so treated and purified by and through such plant or plants will conduce to the preservation of the public health, comfort, and convenience, the same may be incorporated as a sanitary district under this article in the manner following, to wit:

Any 400 legal voters, residents within the limits of such proposed sanitary district, may petition the county commission of the county in which the proposed sanitary district, or the major portion thereof, is located, to cause the question to be submitted to the legal voters of such
proposed sanitary district, whether such proposed territory shall be organized as a sanitary district
under this article; such petition shall be addressed to the county commission and shall contain a
definite description of the boundaries of the territory to be embraced in the such sanitary district,
and the name of such proposed sanitary district: Provided, That no territory shall be included

the majority of the legal voters resident within the limits of such proposed sanitary district, present
at the said hearing, it should be decided to alter and amend such petition to change and
redetermine the limits and boundaries of such proposed sanitary district.

After such determination by the county commission the same shall be incorporated in an
order which shall be spread at length upon the records of the county commission. Upon the
entering of such order, the county commission shall submit to the legal voters of the proposed
sanitary district, the question of organization and establishment of the proposed sanitary district
as determined by said county commission, at an election, to be held concurrently with the next
regularly scheduled primary or general election, notice whereof shall be given by the county
commission at least 20 days prior thereto by publication of such notice as a Class II-O legal

publication area for such publication shall be the area of the proposed sanitary district. Such
notice shall specify briefly the purpose of such election, with the description of such proposed
sanitary district, and the time and place for holding such election.

Each legal voter resident within such proposed sanitary district shall have the right to cast
a ballot at such election. Ballots at elections held under this section shall be in substantially the

sanitary district, such proposed sanitary district shall thenceforth be deemed an organized
sanitary district under this article. All courts in this state shall take judicial notice of the existence
of all sanitary districts organized under this article.

The expenses of holding said special election shall be paid by the county commission of
said county, in which said proposed sanitary district, or the major portion thereof, is located, out

Any referendum conducted pursuant to this section shall be held at the next primary or general election:

(1) Such referendum is to determine whether it is the will of the voters of the county that a commercial infectious medical waste management facility be located in the county. Any election at which such question of locating a commercial infectious medical waste management facility is voted upon shall be held at the voting precincts established for holding primary or general elections. All of the provisions of the general election laws, when not in conflict with the provisions of this article, apply to voting and elections hereunder, insofar as practicable. The Secretary of State shall prescribe the form of the petition which shall include the printed name, address, and date of birth of each person whose signature appears on the petition.

(2) The ballot, or the ballot labels where voting machines are used, shall have printed thereon substantially the following depending upon the type of facility to be located within the county:

(3) If a majority of the legal votes cast upon the question is against the facility, then the county commission shall notify the local solid waste authority, the Division of Environmental
Protection, and the Secretary of the Department of Health and Human Resources of the result and the commercial infectious medical waste management facility may not proceed any further with the application. If a majority of the legal votes cast upon the question is for the facility, then the application process as set forth in §20-5j-1 et seq. of this code may proceed: Provided, That such vote is not binding on nor does it require the secretary to issue the permit. If the majority of the legal votes cast is against the question, the question may be submitted to a vote at any subsequent election in the manner herein specified: Provided, however, That the question may not be resubmitted to a vote until two years after the date of the previous referendum.

(1) That, prior to collection at its source, all solid waste shall be segregated into separate identifiable recyclable materials by each person, partnership, corporation, and governmental agency subscribing to a solid waste collection service in the county or transporting solid waste to a commercial solid waste facility in the county;

(2) Each person engaged in the commercial collection, transportation, processing, or disposal of solid waste within the county shall accept only solid waste from which recyclable materials in accordance with the county’s comprehensive recycling program have been segregated; and

Any election at which the question of establishing a policy of comprehensive recycling for solid waste is voted upon shall be held at the voting precincts established for holding primary or general elections. All of the provisions of the general election laws, when not in conflict with the provisions of this article, shall apply to voting and elections hereunder, insofar as practicable. The Secretary of State shall prescribe the form of the petition which shall include the printed name, address, and date of birth.

general election to determine whether it is the will of the voters of the county that a policy of
comprehensive recycling of solid waste be established in the county: Provided, That the petition
bearing the necessary signatures has been filed with the county commission at least 100 days

for solid waste in _________ County, West Virginia?

For Recycling

(Place a cross mark in the square opposite your choice.)"

comprehensive recycling of solid waste, the county commission shall, after the certification of the
results of the referendum, thereafter adopt an ordinance, within 180 days of certification,
establishing a comprehensive recycling program for solid waste in the county: Provided, That
such program shall be implemented and operational no later than 12 months following
certification. If a majority of the legal votes cast upon the question be against the establishment
of a policy of comprehensive recycling of solid waste, the policy shall not take effect, but the
question may again be submitted to a vote at any subsequent election in the manner herein
provided.

(f) A comprehensive recycling program for solid waste established by petition and
referendum may be rescinded only pursuant to the procedures set out herein to establish the
program.
To rescind the program, the ballot, or the ballot labels where voting machines are used, shall have printed thereon substantially the following:

"Shall the county commission be required to terminate the comprehensive recycling program for solid waste in __________ County, West Virginia?

Continue Recycling

End Recycling

(Place a cross mark in the square opposite your choice.)"

(g) If a majority of legal votes cast upon the question be for the termination of a policy of comprehensive recycling of solid waste previously established in the county, the county commission shall, after the certification of the results of the referendum, thereafter rescind by ordinance the comprehensive recycling program for solid waste in the county within 90 days of certification. If a majority of the legal votes cast upon the question be for the continuation of the policy of comprehensive recycling of solid waste, the ordinance shall not be rescinded, but the question may again be submitted to a vote at any subsequent election in the manner herein provided.

ARTICLE 4A. LOCAL PARTICIPATION; REFERENDUM.

§22C-4A-2. Approval of new Class A facility.

(a) The purpose of the mandatory referendum for approval of new Class A facilities is to verify for the local community that the local infrastructure and environment are appropriate for a new Class A facility and to assure that the local community accepts the associated benefits and detriments of having a new Class A facility located in their county.

(b) Following receipt of a certificate of need from the Public Service Commission as required by §24-2-1c of this code, and local solid waste approval as required in §22C-4-6 of this code for a new Class A facility, the county commission shall cause a referendum to be placed on the ballot not less than 56 days before the next primary or general election:

(1) Such referendum is to determine whether it is the will of the voters of the county that a new Class A facility be constructed. Any election at which such question of locating a solid waste facility is voted upon shall be held at the voting precincts established for holding primary or general elections. All of the provisions of the general election laws, when not in conflict with the provisions of this article, apply to voting and elections hereunder, insofar as practicable.

(2) The ballot, or the ballot labels where voting machines are used, shall have printed thereon substantially the following:

"The West Virginia Legislature has found that the location of a Class A solid waste facility has impact upon the county in which it will be located, and further that local citizens should be given the opportunity to participate in the decision of locating a new Class A facility in their community. The __________ county commission finds the following:

I. The ____________________________ (name of applicant) has obtained site approval for a Class A commercial facility from the ____________________________ (name of the county or regional solid waste authority). The authority has determined that the proposed landfill meets
all local siting plan requirements. The local siting plan evaluates local environmental conditions and other factors and authorizes commercial landfills in areas of a county where a commercial landfill can be appropriately located.

II. The West Virginia Public Service Commission has issued a certificate of need, and has approved the operation of the Class A landfill. The Public Service Commission has determined that the landfill complies with the state solid waste management plan and based on the anticipated volume of garbage expected to be received at the landfill, that the proposal is consistent with public convenience and necessity.

Please vote whether to approve construction of the facility by responding to the following question:

Shall the __________ commercial solid waste facility located within __________ County, be permitted to handle between ten and thirty thousand tons of solid waste per month?

/ / For the facility

/ / Against the facility

(Place a cross mark in the square opposite your choice.)

(3) If a majority of the legal votes cast upon the question is against the facility, the Division of Environmental Protection shall not proceed any further with the application. If a majority of the legal votes cast upon the question be for the facility, then the application process as set forth in this article and §22-15-1 et seq. of this code may proceed: Provided, That such vote is not binding on nor does it require the Division of Environmental Protection to issue the permit. If the majority of the legal votes cast is against the question, the question may be submitted to a vote at any subsequent election in the manner herein specified: Provided, however, That the question may not be resubmitted to a vote until two years after the date of the previous referendum.

§22C-4A-3. Referendum for approval of conversion of a Class B facility to a Class A facility.

(a) The purpose of the petition and referendum for approval of conversions of Class B facilities to Class A facilities is to allow the local community an opportunity to participate in the

Class B facility to a Class A facility, and to assure that the local community accepts the associated
benefits and detriments of having a Class A facility located in their county.

the Class B facility be converted to a Class A facility. Any election at which such question of

holding primary or general elections. All of the provisions of the general election laws, when not
in conflict with the provisions of this article, apply to voting and elections hereunder, insofar as
practicable. The Secretary of State shall prescribe the form of the petition which shall include the

(2) The ballot, or the ballot labels where voting machines are used, shall have printed
thereon substantially the following:

thousand tons of solid waste per month. Fifteen percent of the registered voters in
_______________ county have signed a petition to cause a referendum to determine the
following question:

The _______ county commission finds the following:

approved the operation of the Class A landfill. The Public Service Commission has determined
that the landfill complies with the state solid waste management plan and that based on the anticipated volume of garbage expected to be received at the landfill, that the proposal is consistent with public convenience and necessity.

Please vote whether to approve construction of the facility by responding to the following question:

Shall the solid waste facility, located within ________________ County, West Virginia, be permitted to handle between 10 and 30 thousand tons of solid waste per month?

/ / For conversion of the facility

/ / Against conversion of the facility

(Place a cross mark in the square opposite your choice.)

(3) If a majority of the legal votes cast upon the question is against the facility, then the Division of Environmental Protection shall not proceed any further with the application.
