Be it enacted by the Legislature of West Virginia:

ARTICLE 1. WATER DEVELOPMENT AUTHORITY.

§22C-1-6a. Additional powers of the West Virginia Water Development Authority; Creation of Economic Enhancement Grant Fund.

(a) The Water Development Authority shall create and establish a special fund of moneys made available by appropriations, grants, contributions or other sources to be known as the West Virginia Economic Enhancement Grant Fund. This fund shall be governed, administered and accounted for by the directors, officers and management staff of the Water Development Authority as a special program account separate and distinct from any other money, fund or funds owned and/or managed by the Water Development Authority. The Economic Enhancement Grant Fund shall consist of subaccounts as deemed necessary by the Water Development Authority for the deposit of any appropriations, grants, gifts, contributions or other moneys received by the Economic Enhancement Grant Fund from any source, public or private, and all income earned on moneys held in the Economic Enhancement Grant Fund. Amounts in the Economic Enhancement Grant Fund shall be administered by the Water Development Authority separate and apart from its other assets and programs. Amounts in the Economic Enhancement Grant Fund may not be
transferred to any other fund or account or used for the payment of any other programs of the
Water Development Authority except the Water Development Authority may use funds in the
Economic Enhancement Grant Fund to reimburse itself for any administration costs incurred by
it. Pending distribution of any money in the Economic Enhancement Grant Fund the Water
Development Authority shall invest and reinvest the money subject to the limitations of §22C-1-

any federal or other programs that require a match for projects and infrastructure projects as
defined in §31-15A-2 of this code and where the commitment of the matching funds is required to
be made and submitted with the application for the federal or other grant. Upon receipt of a
recommendation from the West Virginia Infrastructure and Jobs Development Council and/or the
West Virginia Department of Economic Development, the Water Development Authority shall
review the application of a governmental agency or not-for-profit and if the governmental agency
or not-for-profit is eligible for the federal or other matching grant funding, set aside moneys in the
subaccount and provide a written binding commitment to the governmental agency or not-for-
profit to submit with its application. If the federal or other programs subsequently approve funding
to the governmental agency or not-for-profit, the Water Development Authority shall enter into a
grant agreement with the governmental agency or not-for-profit providing the grant funding if the
governmental agency or not-for-profit is in compliance with §12-4-14 of this code. The Water
Development Authority shall disperse funds under the grant agreement from time to time to
comply with the terms of the other funding sources.

(c) The Water Development Authority shall establish the Enhancement Grant Subaccount
in the Economic Enhancement Grant Fund to be expended as grants to governmental agencies
or not-for-profits to cover all or a portion of the costs of projects or infrastructure projects as
defined in §31-15A-2 of this code and more specifically:
(1) To cover the cost of bid overruns for projects and infrastructure projects approved by the West Virginia Infrastructure and Jobs Development Council;

(6) To provide a commitment to cover the difference between the cost of funded projects and the updated cost estimate, and when the project is bid, to provide a grant for the dollar difference between the committed funding and the bid results; and

(7) To cover all or a portion of the infrastructure projects to enhance economic development and/or tourism when recommended by the Secretary of Commerce, the Secretary of Economic Development and/or the Secretary of Tourism.

(d) The Water Development Authority is hereby authorized to enter into grant agreements with governmental agencies and not-for-profits to evidence the grant which agreements shall include the following provisions:

(1) The estimated cost of the project or infrastructure project, the amount of the grant and the other funding sources;
