WEST VIRGINIA LEGISLATURE

2022 REGULAR SESSION

ENROLLED

Senate Bill 172

BY SENATORS TRUMP, LINDSAY, JEFFRIES, PHILLIPS,

CAPUTO, AND STOLLINGS

[Passed March 11, 2022; in effect 90 days from passage]

2022 MAR 21 A 11:47
OFFICE OF WEST VIRGINIA
SECRETARY OF STATE

FILED

1 AN ACT to amend and reenact §7-7-1 and §7-7-4 of the Code of West Virginia, 1931, as
2 amended, all relating to increasing the compensation of elected county officials.

Be it enacted by the Legislature of West Virginia:

ARTICLE 7. COMPENSATION OF ELECTED COUNTY OFFICIALS.

§7-7-1. Legislative findings and purpose.

1 (a) The Legislature finds that it has, since January 1, 2015, consistently and annually
2 imposed upon the county commissioners, sheriffs, county and circuit clerks, assessors and
3 prosecuting attorneys in each county new and additional duties by the enactment of new
4 provisions and amendments to this code. The new and additional duties imposed upon the
5 aforesaid county officials by these enactments are such that they would justify the increases in
6 compensation as provided in section four of this article, without violating the provisions of section
7 38, article VI of the Constitution of West Virginia.

8 (b) The Legislature further finds that there are, from time to time, additional duties imposed
9 upon all county officials through the acts of the Congress of the United States and that such acts
10 constitute new and additional duties for county officials and, as such, justify the increases in
11 compensation as provided by section four of this article, without violating the provisions of section
12 38, article VI of the Constitution of West Virginia.

13 (c) The Legislature further finds that there is a direct correlation between the total
14 assessed property valuations of a county on which the salary levels of the county commissioners,
15 sheriffs, county and circuit clerks, assessors and prosecuting attorneys are based, and the new
16 and additional duties that each of these officials is required to perform as they serve the best
17 interests of their respective counties. Inasmuch as the reappraisal of the property valuations in
18 each county has now been accomplished, the Legislature finds that a change in classification of
19 counties by virtue of increased property valuations will occur on an infrequent basis. However, it
20 is the further finding of the Legislature that when such change in classification of counties does
21 occur, that new and additional programs, economic developments, requirements of public safety

and the need for new services provided by county officials all increase, that the same constitute new and additional duties for county officials as their respective counties reach greater heights of economic development, as exemplified by the substantial increases in property valuations and, as such, justify the increases in compensation provided in section four of this article, without violating the provisions of section 38, article VI of the Constitution of West Virginia.

(d) The Legislature further finds and declares that the amendments enacted to this article are intended to modify the provisions of this article so as to cause the same to be in full compliance with the provisions of the Constitution of West Virginia and to be in full compliance with the decisions of the Supreme Court of Appeals of West Virginia.

§7-7-4. Compensation of elected county officials and county commissioners for each class of county; effective date.

(1) The increased salaries to be paid to the county commissioners and the other elected county officials described in this section on and after July 1, 2014, and on and after July 1, 2022, are set out in subsections (5) and (7) of this section. Every county commissioner and elected county official in each county, whose term of office commenced prior to or on or after July 1, 2014, shall receive the same annual salary by virtue of legislative findings of extra duties as set forth in §7-7-1 of this code.

(2) Before the increased salaries, as set out in subsections (5) and (7) of this section, are paid to the county commissioners and the elected county officials, the following requirements must be met:

(A) The Auditor has certified that the fiscal condition of the county, considering costs, revenues, liabilities, and significant trends of the same; maintenance standards; and the commitment to the provision of county services has sufficiently improved over the previous fiscal years so that there exists an amount sufficient for the payment of the increase in the salaries set out in subsections (5) and (7) of this section and the related employment taxes: *Provided, That* the Auditor may not provide the certification for the payment of the increase in the salaries where

any proposed annual county budget contains anticipated receipts which are unreasonably greater or lesser than that of the previous year. For purposes of this subsection, the term "receipts" does not include unencumbered fund balance or federal or state grants: *Provided, however,* That the Auditor shall not be held liable for relying upon information and data provided by a county commission in assessing the county's fiscal condition or a proposed annual county budget; and

(B) Each county commissioner or other elected official described in this section in office on the effective date of the increased salaries provided by this section who desires to receive the increased salary shall have prior to that date filed in the office of the clerk of the county commission his or her written request for the salary increase. The salary for the person who holds the office of county commissioner or other elected official described in this section who fails to file the written request as required by this subdivision shall be the salary for that office in effect immediately prior to the effective date of the increased salaries provided by this section until the person vacates the office or his or her term of office expires, whichever first occurs.

Any request for a salary increase shall use the following language:

I, [name of office holder], the duly elected [name of office] in and for the County of [name of county], West Virginia, do hereby request a salary increase pursuant to W. Va. Code §7-7-4 of this code, as amended. This salary increase is effective (_____).

[Signature of office holder]

[Date]

(3) If the Auditor has failed to certify that there is an amount sufficient for the payment of the increase in the salaries and the related employment taxes pursuant to this section, then the salaries of that county's elected officials and commissioners shall remain at the level in effect at the time certification was sought.

(4) In any county having a tribunal in lieu of a county commission, the county commissioners of that county may be paid less than the minimum salary limits of the county commission for that particular class of the county.
