Committee Substitute

for

Senate Bill 523

BY SENATORS BLAIR (MR. PRESIDENT) AND BALDWIN

(BY REQUEST OF THE EXECUTIVE)

[Passed March 07, 2022; in effect 90 days from passage]
AN ACT to repeal §12-7-8 of the Code of West Virginia, 1931, as amended; to amend and reenact §12-7-2, §12-7-3, §12-7-4, §12-7-5, §12-7-6, §12-7-7, §12-7-9, and §12-7-12 of said code; to amend and reenact §31-15-6 of said code; and to amend and reenact §31-18-20c of said code, all relating to management and control of Jobs Investment Trust to be vested in the West Virginia Economic Development Authority; and terminating the Jobs Investment Trust Board.

Be it enacted by the Legislature of West Virginia:

CHAPTER 12. PUBLIC MONEYS AND SECURITIES.

ARTICLE 7. JOBS INVESTMENT TRUST FUND.

§12-7-2. Legislative findings.

(a) The Legislature finds that the Jobs Investment Trust is a necessary tool to make investment funds available to eligible businesses, would stimulate economic growth, and provide or retain jobs within the state. Accordingly, it is declared to be the public policy of the state to create an investment program to inject needed capital into the business community, sustain or improve business profitability, and provide jobs to the citizens of the state.

(b) The Legislature further finds that:

(1) The availability of financial assistance through the creation of the jobs investment trust will promote economic development in the state and will serve the public purposes of the state;

(2) The public policy of the state will be served through financing projects, extending loans, providing financing or credit for working capital, creating innovative investment plans and options, and providing equity financing or the refinancing of existing debt of an enterprise;

(3) It is in the public interest, in order to address the needs of the business community and the citizens of the state, that a public body corporate be created with full power to accept grants, gifts, and appropriations; to generate revenues to furnish money and credit to approved
businesses or enterprises; to promote the establishment of new and innovative projects; and to upgrade, expand, and retain existing projects; and

(4) Fundamental changes are occurring in national and international markets that increase the need for debt financing, equity capital, and near-equity capital for emerging, expanding, and restructuring business opportunities in the state.

(c) The Legislature further finds that:

(1) Due to the creation of the Jobs Investment Trust, moneys will be available for venture capital in this state;

(2) The implementation of this innovative program may supplant the need for the state to otherwise assist private venture capital concerns through other tax credits;

(3) Due to the availability of venture capital funds through this program the granting of venture capital company credits under the Capital Company Act should be reduced for three fiscal years pending the full implementation of the Jobs Investment Trust Program;

(4) Due to this reduction in the certification of tax credits, additional general revenue may become available for new economic development programs;

(5) These economic development programs may be funded from general revenue in an amount appropriate to effectuate the purposes of these programs; and

(6) Due to the foregoing findings, there shall be an annual line item appropriation, in an amount determined by the Legislature, to the West Virginia Development Office for a matching grant program for regional economic development corporations or authorities.

§12-7-3. Definitions.

For purposes of this article:

(a) "Board" means the West Virginia Economic Development Authority, established pursuant to §31-15-1 et seq. of this code.

(b) "Eligible business" means any business, including, but not limited to, a business licensed or seeking licensure by the small business administration as a small business investment
company under the Small Business Investment Act, which is qualified to do business in West Virginia and is in good standing with all applicable laws affecting the conduct of such business.

(c) "Non-incentive tax credits" means the non-incentive tax credits issued by the state to the Jobs Investment Trust Board and authorized for sale and transfer by the jobs investment trust board pursuant to §12-7-8a of this code.

(d) "Securities" means all bonds, notes, stocks, units of ownership, debentures, or any other form of negotiable or nonnegotiable evidence of indebtedness or ownership.

§12-7-4. Jobs Investment Trust Board; termination; vesting with the Economic Development Authority.

(a) The Jobs Investment Trust Board is hereby terminated, and the management and control of the Jobs Investment Trust shall be vested in the West Virginia Economic Development Authority.

(b) The board shall meet on a quarterly basis or more often, if necessary, to carry out the powers and duties of the board with respect to the management of the Jobs Investment Trust, as set forth in this article.

(c) For the purposes of managing the Jobs Investment Trust, the rules related to board makeup and quorum requirements shall be the same as those set forth in §31-15-5 of this code.

§12-7-5. Management and control of jobs investment trust vested in board; officers; liability; authority of executive director to act on behalf of board; relationship to higher education institutions.

(a) It is the duty of the board to manage and control the Jobs Investment Trust. With the advice and consent of the Senate, the Governor appoints an executive director of the Jobs Investment Trust who is or has been a senior executive of a major financial institution, brokerage firm, investment firm or similar institution, with extensive experience in capital market development. The director serves at the Governor’s will and pleasure and is responsible for managing and administering the daily functions of the Jobs Investment Trust and for performing
other functions necessary to the effective operation of the trust. The compensation of the director is annually fixed by the board.

(b) The board annually elects a secretary to keep a record of the proceedings of the board, who need not be a member of the board.

(c) The members and officers of the board are not liable personally, either jointly or severally, for any debt or obligation created by the board.

(d) The acts of the board are solely the acts of its corporation and are not those of an agent of the state. A debt or obligation of the board is not a debt or obligation of the state.

(e) Upon the affirmative vote of at least a majority of those members in attendance in a meeting of the board, the board may approve any action to be taken and authorize the executive director for and on behalf of the board to execute and deliver all instruments, agreements, or other documents that are required or are reasonably necessary to effectuate the decisions or acts of the board.

(f) The West Virginia Economic Development Authority shall provide office space and staff support services for the director and the board shall act as fiscal agent for the board and, as such, shall provide accounting services for the board, invest all funds as directed by the board, service all investment activities of the board, and shall make the disbursements of all funds as directed by the board, for which the West Virginia Economic Development Authority shall be reasonably compensated as determined by the board.

(g) The board and the executive director shall involve students and faculty members of state institutions of higher education in the board's activities in order to enhance the opportunities at the institutions for learning and for participation in the board's investment activities and in the economic development of the state, whether in research, financial analysis, management participation, or in such other ways as the board and the executive director may find appropriate.

An offering of one of these instruments shall include the representation and qualification that the board is a public body corporate, managing a venture capital fund that includes high-risk investments and that in any transfer, sale, or assignment of any interest, the transferee, purchaser, or assignee accepts any risk without recourse to the Jobs Investment Trust or to the state;

(12) Procure insurance against losses to its property in amounts, and from insurers, as is prudent;

(20) Provide equity financing for any eligible business that will stimulate economic growth and provide or retain jobs in this state and hold, transfer, sell, assign, pool, or syndicate, or participate in the syndication of, any loans, notes, mortgages, securities, debt instruments, or other instruments evidencing loans or equity interest in furtherance of the board’s corporate purposes;

(21) Form partnerships, create subsidiaries, or take all other actions necessary to qualify as a small business investment company under the United States Small Business Investment Act, PL 85-699, as amended;

(22) Provide for staff payroll and make purchases in the same manner as the West Virginia Economic Development Authority;

(24) Contract for the provision of legal services by private counsel and, notwithstanding the provisions of §5-3-1 et seq. of this code, counsel may, but is not limited to, represent the board in court, negotiate contracts and other agreements on behalf of the board, render advice to the board on any matter relating thereto, prepare contracts and other agreements, and provide any other legal services requested by the board.

The additional investment must be in the form of a short-term debt investment to be repaid within 12 months of the investment: Provided further, That the board may extend said 12-month repayment term and upon terms consistent with the actions of other investors involved in similar investments with the eligible business if the eligible business demonstrates to the board: (1) That said business is progressing with a plan for capital formation and business development; and (2) that said extension of the 12-month period, and any other modification thereto, will not substantially prejudice the position of the board in relation to the other investors in, and creditors of, the eligible business: And Provided further, That the board shall report to the Governor and the Joint Committee on Government and Finance of its intention to extend any repayment term at least 20 days prior to the board approving any extension made on or after April 1, 1994. The board shall attempt to balance its investments, as nearly as is practicable, among the geographic regions of the state.
