ENROLLED

House Bill 3340

BY DELEGATES HARDY, ESPINOSA, STORCH, STATLER, HOTT, HITE, HORST AND TONEY

[Passed February 27, 2023; in effect from passage.]
AN ACT to amend and reenact §7-118-3, §7-118-7, §7-118-8, §7-118-9, and §7-118-10 of the
Code of West Virginia, 1931, as amended, all relating generally to property tax increment
financing; amending definition of tax increment financing; modifying the existing
authorization for a county commission or municipality to extend the termination time of
certain districts; providing for certain notice to other levying bodies prior to a new project
plan or project plan amendment for certain property tax districts being considered for
approval; and eliminating certain approval of other levying bodies prior to amendment of
an existing district by the county commission or governing body of the municipality making
the amendment.

Be it enacted by the Legislature of West Virginia:

ARTICLE 11B. WEST VIRGINIA TAX INCREMENT FINANCING ACT.

§7-11B-3. Definitions.

(a) General. — When used in this article, words and phrases defined in this section have
the meanings ascribed to them in this section unless a different meaning is clearly required either
by the context in which the word or phrase is used or by specific definition in this article.

(b) Words and phrases defined. —

"Agency" includes a municipality, a county or municipal development agency established
pursuant to authority granted in §7-12-1 of this code, a port authority, an airport authority or any
other entity created by this state or an agency or instrumentality of this state that engages in
economic development activity or the Division of Highways.

"Base assessed value" means the taxable assessed value of all real and tangible personal
property, excluding personal motor vehicles, having a tax situs within a development or
redevelopment district as shown upon the landbooks and personal property books of the assessor
on July 1 of the calendar year preceding the effective date of the order or ordinance creating and
establishing the development or redevelopment district: Provided, That for any development or
redevelopment district approved after the effective date of the amendments to this section
enacted during the regular session of the Legislature in 2014, personal trailers, personal boats, personal campers, personal motor homes, personal ATVs and personal motorcycles having a tax situs within a development or redevelopment district are excluded from the base assessed value.

"Blighted area" means an area within the boundaries of a development or redevelopment district located within the territorial limits of a municipality or county in which the structures, buildings or improvements, by reason of dilapidation, deterioration, age or obsolescence, inadequate provision for access, ventilation, light, air, sanitation, open spaces, high density of population and overcrowding or the existence of conditions which endanger life or property, are detrimental to the public health, safety, morals or welfare. "Blighted area" includes any area which, by reason of the presence of a substantial number of substandard, slum, deteriorated or deteriorating structures, predominance of defective or inadequate street layout, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, defective or unusual conditions of title or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, morals or welfare in its present condition and use, or any area which is predominantly open and which because of lack of accessibility, obsolete platting, diversity of ownership, deterioration of structures or of site improvements, or otherwise, substantially impairs or arrests the sound growth of the community.

"Commissioner of Highways" means the Commissioner of the Division of Highways.

"Conservation area" means any improved area within the boundaries of a development or redevelopment district located within the territorial limits of a municipality or county in which fifty percent or more of the structures in the area have an age of thirty-five years or more. A conservation area is not yet a blighted area but is detrimental to the public health, safety, morals or welfare and may become a blighted area because of any one or more of the following factors:
Dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision.

"County commission" means the governing body of a county of this state and, for purposes of this article only, includes the governing body of a Class I, Class II or Class III municipality in this state.

"Current assessed value" means the annual taxable assessed value of all real and tangible personal property, excluding personal motor vehicles, having a tax situs within a development or redevelopment district as shown upon the landbook and personal property records of the assessor: Provided, That for any development or redevelopment district approved after the effective date of the amendments to this section enacted during the regular session of the Legislature in 2014, personal trailers, personal boats, personal campers, personal motor homes, personal ATVs and personal motorcycles having a tax situs within a development or redevelopment district are excluded from the current assessed value.

"Development office" means the West Virginia Department of Economic Development created in §5B-2-1 of this code.

"Development project" or "redevelopment project" means a project undertaken in a development or redevelopment district for eliminating or preventing the development or spread of slums or deteriorated, deteriorating or blighted areas, for discouraging the loss of commerce, industry or employment, for increasing employment or for any combination thereof in accordance with a tax increment financing plan. A development or redevelopment project may include one or more of the following:
(A) The acquisition of land and improvements, if any, within the development or redevelopment district and clearance of the land so acquired; or

(B) The development, redevelopment, revitalization or conservation of the project area whenever necessary to provide land for needed public facilities, public housing or industrial or commercial development or revitalization, to eliminate unhealthful, unsanitary or unsafe conditions, to lessen density, mitigate or eliminate traffic congestion, reduce traffic hazards, eliminate obsolete or other uses detrimental to public welfare or otherwise remove or prevent the spread of blight or deterioration;

(C) The financial or other assistance in the relocation of persons and organizations displaced as a result of carrying out the development or redevelopment project and other improvements necessary for carrying out the project plan, together with those site improvements that are necessary for the preparation of any sites and making any land or improvements acquired in the project area available, by sale or lease, for public housing or for development, redevelopment or rehabilitation by private enterprise for commercial or industrial uses in accordance with the plan;

(D) The construction of capital improvements within a development or redevelopment district designed to increase or enhance the development of commerce, industry or housing within the development project area; or

(E) Any other projects the county commission or the agency deems appropriate to carry out the purposes of this article.

"Development or redevelopment district" means an area proposed by one or more agencies as a development or redevelopment district which may include one or more counties, one or more municipalities or any combination thereof, that has been approved by the county commission of each county in which the project area is located if the project is located outside the corporate limits of a municipality, or by the governing body of a municipality if the project area is located within a municipality, or by both the county commission and the governing body of the
municipality when the development or redevelopment district is located both within and without a municipality.

"Division of Highways" means the state Department of Transportation, Division of Highways.

"Economic development area" means any area or portion of an area within the boundaries of a development or redevelopment district located within the territorial limits of a municipality or county that is neither a blighted area nor a conservation area and for which the county commission finds that development or redevelopment will not be solely used for development of commercial businesses that will unfairly compete in the local economy and that development or redevelopment is in the public interest because it will:

(A) Discourage commerce, industry or manufacturing from moving their operations to another state;
(B) Result in increased employment in the municipality or county, whichever is applicable;
or
(C) Result in preservation or enhancement of the tax base of the county or municipality.

"Governing body of a municipality" means the city council of a Class I, Class II or Class III municipality in this state.

"Incremental value", for any development or redevelopment district, means the difference between the base assessed value and the current assessed value. The incremental value will be positive if the current value exceeds the base value and the incremental value will be negative if the current value is less than the base assessed value.

"Includes" and "including", when used in a definition contained in this article, shall not exclude other things otherwise within the meaning of the term being defined.

"Intergovernmental agreement" means any written agreement that may be entered into by and between two or more county commissions, or between two or more municipalities, or between a county commission and a municipality, in the singular and the plural, or between two or more
government entities and the Commissioner of Highways: Provided, That any intergovernmental agreement shall not be subject to provisions governing intergovernmental agreements set forth in other provisions of this code, including, but not limited to, §8-23-1 et seq. of this code, but shall be subject to the provisions of this article.

"Local levying body" means the county board of education and the county commission and includes the governing body of a municipality when the development or redevelopment district is located, in whole or in part, within the boundaries of the municipality.

"Obligations" or "tax increment financing obligations" means bonds, loans, debentures, notes, special certificates or other evidences of indebtedness issued by a county commission or municipality pursuant to this article to carry out a development or redevelopment project or to refund outstanding obligations under this article.

"Order" means an order of the county commission adopted in conformity with the provisions of this article and as provided in this chapter.

"Ordinance" means a law adopted by the governing body of a municipality in conformity with the provisions of this article and as provided in §8-1-1 et seq. of this code.

"Payment in lieu of taxes" means a payment with respect to real and personal property located in a development or redevelopment district and owned in title by this state, a political subdivision of this state or an agency or instrumentality thereof, that is made by the lessee of such property pursuant to a written payment in lieu of taxes agreement, whether in effect as of, or subsequent to, the date of creation of the development or redevelopment district.

"Person" means any natural person, and any corporation, association, partnership, limited partnership, limited liability company or other entity, regardless of its form, structure or nature, other than a government agency or instrumentality.

"Private project" means any project that is subject to ad valorem property taxation in this state or to a payment in lieu of tax agreement that is undertaken by a project developer in accordance with a tax increment financing plan in a development or redevelopment district.
"Project" means any capital improvement, facility or both, as specifically set forth and defined in the project plan, requiring an investment of capital including, but not limited to, extensions, additions or improvements to existing facilities, including water or wastewater facilities, and the remediation of contaminated property as provided for in §22-22-1 et seq. of this code, but does not include performance of any governmental service by a county or municipal government.

"Project area" means an area within the boundaries of a development or redevelopment district in which a development or redevelopment project is undertaken as specifically set forth and defined in the project plan.

"Project costs" means expenditures made in preparation of the development or redevelopment project plan and made, or estimated to be made, or monetary obligations incurred, or estimated to be incurred, by the county commission which are listed in the project plan as capital improvements within a development or redevelopment district, plus any costs incidental thereto. "Project costs" include, but are not limited to:

(A) Capital costs, including, but not limited to, the actual costs of the construction of public works or improvements, capital improvements and facilities, new buildings, structures and fixtures, the demolition, alteration, remodeling, repair or reconstruction of existing buildings, structures and fixtures, environmental remediation, parking and landscaping, the acquisition of equipment and site clearing, grading and preparation;

(B) Financing costs, including, but not limited to, an interest paid to holders of evidences of indebtedness issued to pay for project costs, all costs of issuance and any redemption premiums, credit enhancement or other related costs;

(C) Real property assembly costs, meaning any deficit incurred resulting from the sale or lease as lessor by the county commission of real or personal property having a tax situs within a development or redevelopment district for consideration that is less than its cost to the county commission;
(D) Professional service costs including, but not limited to, those costs incurred for architectural planning, engineering and legal advice and services;

(E) Imputed administrative costs including, but not limited to, reasonable charges for time spent by county employees or municipal employees in connection with the implementation of a project plan;

(F) Relocation costs including, but not limited to, those relocation payments made following condemnation and job training and retraining;

(G) Organizational costs including, but not limited to, the costs of conducting environmental impact and other studies and the costs of informing the public with respect to the creation of a development or redevelopment district and the implementation of project plans;

(H) Payments made, in the discretion of the county commission or the governing body of a municipality, which are found to be necessary or convenient to creation of development or redevelopment districts or the implementation of project plans; and

(I) That portion of costs related to the construction of environmental protection devices, storm or sanitary sewer lines, water lines, amenities or streets or the rebuilding or expansion of streets, or the construction, alteration, rebuilding or expansion of which is necessitated by the project plan for a development or redevelopment district, whether or not the construction, alteration, rebuilding or expansion is within the area or on land contiguous thereto.

"Project developer" means any person who engages in the development of projects in the state.

"Project plan" means the plan for a development or redevelopment project that is adopted by a county commission or governing body of a municipality in conformity with the requirements of this article and this chapter or §8-1-1 et seq. of this code.

"Real property" means all lands, including improvements and fixtures on them and property of any nature appurtenant to them or used in connection with them and every estate,
Enr HB 3340

interest and right, legal or equitable, in them, including terms of years and liens by way of
judgment, mortgage or otherwise, and indebtedness secured by the liens.

"Redevelopment area" means an area designated by a county commission or the
governing body of a municipality in respect to which the commission or governing body has made
a finding that there exist conditions which cause the area to be classified as a blighted area, a
conservation area, an economic development area or a combination thereof, which area includes
only those parcels of real property directly and substantially benefitted by the proposed
redevelopment project located within the development or redevelopment district or land
contiguous thereto.

"Redevelopment plan" means the comprehensive program under this article of a county
or municipality for redevelopment intended by the payment of redevelopment costs to reduce or
eliminate those conditions, the existence of which qualified the redevelopment area as a blighted
area, conservation area, economic development area or combination thereof, and to thereby
enhance the tax bases of the levying bodies which extend into the redevelopment area. Each
redevelopment plan shall conform to the requirements of this article.

"Tax increment" means the amount of regular levy property taxes attributable to the
amount by which the current assessed value of real and tangible personal property having a tax
situs in a development or redevelopment district exceeds the base assessed value of the property.

"Tax increment financing fund" means a separate fund for a development or
redevelopment district established by the county commission or governing body of the
municipality into which all tax increment revenues and other pledged revenues are deposited and
from which projected project costs, debt service and other expenditures authorized by this article
are paid.

"This code" means the Code of West Virginia, 1931, as amended by the Legislature.

"Total ad valorem property tax regular levy rate" means the aggregate levy rate of all
levying bodies on all taxable property having a tax situs within a development or redevelopment
district in a tax year but does not include excess levies, levies for general obligation bonded
indebtedness or any other levies that are not regular levies.

§7-11B-7. Creation of a development or redevelopment area or district.

(a) County commissions and the governing bodies of Class I, Class II or Class III
municipalities, upon their own initiative or upon application of an agency or a developer, may
propose creation of a development or redevelopment district and designate the boundaries of the
district: Provided, That a district may not include noncontiguous land.

(b) The county commission or municipality proposing creation of a development or
redevelopment district shall then hold a public hearing at which interested parties are afforded a
reasonable opportunity to express their views on the proposed creation of a development or
redevelopment district and its proposed boundaries.

(1) Notice of the hearing shall be published as a Class II legal advertisement in accordance
with §59-3-2 of this code.

(2) The notice shall include the time, place and purpose of the public hearing, describe in
sufficient detail the tax increment financing plan, the proposed boundaries of the development or
redevelopment district and, when a development or redevelopment project plan is being
proposed, the proposed tax increment financing obligations to be issued to finance the
development or redevelopment project costs.

(3) Prior to the first day of publication, a copy of the notice shall be sent by first-class mail
to the director of the Development Office and to the chief executive officer of all other local levying
bodies having the power to levy taxes on real and tangible personal property located within the
proposed development or redevelopment district.

(4) All parties who appear at the hearing shall be afforded an opportunity to express their
views on the proposal to create the development or redevelopment district and, if applicable, the
development or redevelopment project plan and proposed tax increment financing obligations.
(c) After the public hearing, the county commission, or the governing body of the municipality, shall finalize the boundaries of the development or redevelopment district, the development or redevelopment project plan, or both, and submit the same to the director of the Development Office for his or her review and approval. The director, within sixty days after receipt of the application, shall approve the application as submitted, reject the application or return the application to the county commission or governing body of the municipality for further development or review in accordance with instructions of the director of the Development Office. A development or redevelopment district or development or redevelopment project plan may not be adopted by the county commission or the governing body of a municipality until after it has been approved by the executive director of the Development Office.

(d) Upon approval of the application by the Development Office, the county commission may enter an order and the governing body of the municipality proposing the district or development or redevelopment project plan may adopt an ordinance, that:

(1) Describes the boundaries of a development or redevelopment district sufficiently to identify with ordinary and reasonable certainty the territory included in the district, which boundaries shall create a contiguous district;

(2) Creates the development or redevelopment district as of a date provided in the order or ordinance;

(3) Assigns a name to the development or redevelopment district for identification purposes.

(A) The name may include a geographic or other designation, shall identify the county or municipality authorizing the district and shall be assigned a number, beginning with the number one.

(B) Each subsequently created district in the county or municipality shall be assigned the next consecutive number;
(4) Contains findings that the real property within the development or redevelopment
district will be benefitted by eliminating or preventing the development or spread of slums or
blighted, deteriorated or deteriorating areas, discouraging the loss of commerce, industry or
employment, increasing employment or any combination thereof;

(5) Approves the development or redevelopment project plan, if applicable;

(6) Establishes a tax increment financing fund as a separate fund into which all tax
increment revenues and other revenues designated by the county commission, or governing body
of the municipality, for the benefit of the development or redevelopment district shall be deposited,
and from which all project costs shall be paid, which may be assigned to and held by a trustee for
the benefit of bondholders if tax increment financing obligations are issued by the county
commission or the governing body of the municipality; and

(7) Provides that ad valorem property taxes on real and tangible personal property having
a tax situs in the development or redevelopment district shall be assessed, collected and allocated
in the following manner, commencing upon the date of adoption of such order or ordinance and
continuing for so long as any tax increment financing obligations are payable from the tax
increment financing fund, hereinafter authorized, are outstanding and unpaid:

(A) For each tax year, the county assessor shall record in the land and personal property
books both the base assessed value and the current assessed value of the real and tangible
personal property having a tax situs in the development or redevelopment district;

(B) Ad valorem taxes collected from regular levies upon real and tangible personal
property having a tax situs in the district that are attributable to the lower of the base assessed
value or the current assessed value of real and tangible personal property located in the
development project area shall be allocated to the levying bodies in the same manner as
applicable to the tax year in which the development or redevelopment project plan is adopted by
order of the county commission or by ordinance adopted by the governing body of the
municipality;
(C) The tax increment with respect to real and tangible personal property in the development or redevelopment district shall be allocated and paid into the tax increment financing fund and shall be used to pay the principal of and interest on tax increment financing obligations issued to finance the costs of the development or redevelopment projects in the development or redevelopment district. Any levying body having a development or redevelopment district within its taxing jurisdiction shall not receive any portion of the annual tax increment except as otherwise provided in this article; and

(D) In no event shall the tax increment include any taxes collected from excess levies, levies for general obligation bonded indebtedness or any levies other than the regular levies provided for in §11-8-1 et seq. of this code.

(e) Proceeds from tax increment financing obligations issued under this article may only be used to pay for costs of development and redevelopment projects to foster economic development in the development or redevelopment district or land contiguous thereto.

(f) Notwithstanding subsection (d) of this section, a county commission may not enter an order approving a development or redevelopment project plan unless the county commission expressly finds and states in the order that the development or redevelopment project is not reasonably expected to occur without the use of tax increment financing.

(g) Notwithstanding subsection (d) of this section, the governing body of a municipality may not adopt an ordinance approving a development or redevelopment project plan unless the governing body expressly finds and states in the ordinance that the development or redevelopment project is not reasonably expected to occur without the use of tax increment financing.

(h) No county commission shall establish a development or redevelopment district any portion of which is within the boundaries of a Class I, II, III or IV municipality without the formal consent of the governing body of such municipality.
(i) A tax increment financing plan that has been approved by a county commission or the governing body of a municipality may be amended by following the procedures set forth in this article for adoption of a new development or redevelopment project plan.

(j) The county commission may modify the boundaries of the development or redevelopment district, from time to time, or the governing body of a county may extend the length of existence of the development or redevelopment district as set forth in §7-11B-10 of this code, subject to the limitations and requirements of this section, by entry of an order modifying the order creating the development or redevelopment district.

(k) The governing body of a municipality may modify the boundaries of the development or redevelopment district, from time to time, or extend the length of existence of the development or redevelopment district as set forth in §7-11B-10 of this code, by amending the ordinance creating the development or redevelopment district.

(l) Before a county commission or the governing body of a municipality may amend such an order or ordinance, the county commission or municipality shall give the public notice as provided in subdivisions (1) and (2), subsection (b) of this section, hold a public hearing, as provided in subdivision (4), subsection (b) of this section, and obtain the approval of the director of the Development Office. No consent or approval from the local levying bodies having the power to levy taxes on property within the development or redevelopment district shall be required in order to amend such order or ordinance for the purposes herein described, aside from the county commission or the governing body of the municipality which is amending such order or ordinance.

In the event any tax increment financing obligations are outstanding with respect to the development or redevelopment district, any change in the boundaries shall not reduce the amount of tax increment available to secure the outstanding tax increment financing obligations.

§7-11B-8. Project plan — approval.

(a) The county commission or municipality creating the district shall cause the preparation of a project plan for each development or redevelopment district and the project plan shall be
adopted by order of the county commission, or ordinance adopted by the governing body of the
municipality, after it is approved by the executive director of the Development Office. This process
shall conform to the procedures set forth in this section.

(b) Each project plan shall include:

(1) A statement listing the kind, number and location of all proposed public works or other
improvements within the district and on land outside but contiguous to the district;

(2) A cost-benefit analysis showing the economic impact of the plan on each levying body
that is at least partially within the boundaries of the development or redevelopment district. This
analysis shall show the impact on the economy if the project is not built and is built pursuant to
the development or redevelopment plan under consideration. The cost-benefit analysis shall
include a fiscal impact study on every affected levying body and sufficient information from the
developer for the agency, if any proposing the plan, the county commission being asked to
approve the project and the Development Office to evaluate whether the project as proposed is
financially feasible;

(3) An economic feasibility study;

(4) A detailed list of estimated project costs;

(5) A description of the methods of financing all estimated project costs, including the
issuance of tax increment obligations and the time when the costs or monetary obligations related
thereto are to be incurred;

(6) A certification by the county assessor of the base assessed value of real and tangible
personal property having a tax situs in a development or redevelopment district: Provided, That if
such certification is made during the months of January or February of each year, the county
assessor may certify an estimated base assessed value of real and tangible personal property
having a tax situs in a development or redevelopment district: Provided, however, That prior to
issuance of tax increment obligations, the county assessor shall certify a final base assessed
value for the estimated base assessed value permitted by this section;
(7) The type and amount of any other revenues that are expected to be deposited to the tax increment financing fund of the development or redevelopment district;

(8) A map showing existing uses and conditions of real property in the development or redevelopment district;

(9) A map of proposed improvements and uses in the district;

(10) Proposed changes of zoning ordinances, if any;

(11) Appropriate cross-references to any master plan, map, building codes and municipal ordinances or county commission orders affected by the project plan;

(12) A list of estimated nonproject costs;

(13) A statement of the proposed method for the relocation of any persons, businesses or organizations to be displaced;

(14) A certificate from the executive director of the workers’ compensation commission, the commissioner of the Bureau of Employment Programs and the State Tax Commissioner that the project developer is in good standing with the workers’ compensation commission, the Bureau of Employment Programs and the state Tax Division; and

(15) A certificate from the sheriff of the county or counties in which the development or redevelopment district is located that the project developer is not delinquent on payment of any real and personal property taxes in such county.

(c) If the project plan is to include tax increment financing, the tax increment financing portion of the plan shall set forth:

(1) The amount of indebtedness to be incurred pursuant to this article;

(2) An estimate of the tax increment to be generated as a result of the project;

(3) The method for calculating the tax increment, which shall be in conformance with the provisions of this article, together with any provision for adjustment of the method of calculation;

(4) Any other revenues, such as payment in lieu of tax revenues, to be used to secure the tax increment financing; and
(5) Any other provisions as may be deemed necessary in order to carry out any tax increment financing to be used for the development or redevelopment project.

(d) If less than all of the tax increment is to be used to fund a development or redevelopment project or to pay project costs or retire tax increment financing, the project plan shall set forth the portion of the tax increment to be deposited in the tax increment financing fund of the development or redevelopment district and provide for the distribution of the remaining portion of the tax increment to the levying bodies in whose jurisdiction the district lies.

(e) The county commission or governing body of the municipality that established the tax increment financing fund shall hold a public hearing at which interested parties shall be afforded a reasonable opportunity to express their views on the proposed project plan being considered by the county commission or the governing body of the municipality.

(1) Notice of the hearing shall be published as a Class II legal advertisement in accordance with §59-3-2 of this code.

(2) At least 30 days prior to the public hearing, a copy of the notice shall be sent by first-class mail to the chief executive officer of all other levying bodies having the power to levy taxes on property located within the proposed development or redevelopment district.

(f) Approval by the county commission or the governing body of a municipality of an initial development or redevelopment project plan must be within one year after the date of the county assessor’s certification required by subdivision (6), subsection (b) of this section: Provided, That additional development or redevelopment project plans may be approved by the county commission or the governing body of a municipality in subsequent years, so long as the development or redevelopment district continues to exist. The approval shall be by order of the county commission or ordinance of the municipality, which shall contain a finding that the plan is economically feasible.

(a) The county commission may by order, or the governing body of a municipality by ordinance, adopt an amendment to a project plan.

(b) Adoption of an amendment to a project plan shall be preceded by a public hearing held by the county commission, or governing body of the municipality, at which interested parties shall be afforded a reasonable opportunity to express their views on the amendment.

(1) Notice of the hearing shall be published as a Class II legal advertisement in accordance with §59-3-2 of this code.

(2) At least 30 days prior to the public hearing, a copy of the notice shall be sent by first-class mail to the chief executive officer of all other local levying bodies having the power to levy taxes on property within the development or redevelopment district.

(3) Copies of the proposed plan amendments shall be made available to the public at the county clerk’s office or municipal clerk’s office at least fifteen days prior to the hearing.

(c) One or more existing development or redevelopment districts may be combined pursuant to lawfully adopted amendments to the original plans for each district: Provided, That the county commission, or governing body of the municipality, finds that the combination of the districts will not impair the security for any tax increment financing obligations previously issued pursuant to this article.

(1) The base assessed value of the real and tangible personal property located in the combined development or redevelopment district following such combination shall be the same base assessed value as existed for such real and tangible personal property in each of the separate development or redevelopment districts prior to such combination.

(2) The termination date for the combined development or redevelopment district which results from the combination of two or more previously created districts shall be the termination date as provided pursuant to §7-11B-10 of this code of the development or redevelopment district which had the latest termination date prior to the combination of such districts.

§7-11B-10. Termination of development or redevelopment district.
(a) No development or redevelopment district may be in existence for a period longer than 30 years (unless two or more districts are combined as described in §7-11B-9(c) of this code) and no tax increment financing obligations may have a final maturity date later than the termination date of the area or district: Provided, That, for any existing development or redevelopment district for which tax increment financing obligations have been issued by a county commission, or the governing body of a municipality, prior to December 31, 2020, the termination date for that existing development or redevelopment district may be extended not more than 15 years.

(b) The county commission or governing body of the municipality creating the development or redevelopment district may set a shorter period for the existence of the district. In this event, no tax increment financing obligations may have a final maturity date later than the termination date of the district. The county commission or the governing body of the municipality which created the development or redevelopment district may not take action to terminate a district prior to the time otherwise provided in its official action creating, combining, or extending the district if the county commission or the governing body of the municipality then has tax increment revenue obligations which remain outstanding and unpaid.

(c) Upon termination of the district, no further ad valorem tax revenues shall be distributed to the tax increment financing fund of the district.

(d) The county commission shall adopt, upon the expiration of the time periods set forth in this section, an order terminating the development or redevelopment district created by the county commission: Provided, That no district shall be terminated so long as bonds with respect to the district remain outstanding.

(e) The governing body of the municipality shall repeal, upon the expiration of the time periods set forth in this section, the ordinance establishing the development or redevelopment district: Provided, That no district shall be terminated so long as bonds with respect to the district remain outstanding.
