(dd) "Partially disabled" means a member's inability to engage in the duties of deputy sheriff by reason of any medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period
of not less than 12 months. A member may be determined partially disabled for the purposes of this article and maintain the ability to engage in other gainful employment which exists within the state, but which ability would not enable him or her to earn an amount at least equal to two thirds of the average annual compensation earned by all active members of this plan during the plan year ending as of the most recent June 30, as of which plan data has been assembled and used for the actuarial valuation of the plan.

(ee) "Public Employees Retirement System" means the West Virginia Public Employees Retirement System created by §5-10-1 et seq. of this code.

(oo) "Totally disabled" means a member’s inability to engage in substantial gainful activity by reason of any medically determined physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than 12 months. For purposes of this subdivision:

(1) A member is totally disabled only if his or her physical or mental impairment or impairments are so severe that he or she is not only unable to perform his or her previous work as a deputy sheriff but also cannot, considering his or her age, education and work experience, engage in any other kind of substantial gainful employment which exists in the state regardless of whether: (A) The work exists in the immediate area in which the member lives; (B) a specific job vacancy exists; or (C) the member would be hired if he or she applied for work.

(2) "Physical or mental impairment" is an impairment that results from an anatomical, physiological, or psychological abnormality that is demonstrated by medically accepted clinical and laboratory diagnostic techniques. A member’s receipt of Social Security disability benefits creates a rebuttable presumption that the member is totally disabled for purposes of this plan. Substantial gainful employment rebuts the presumption of total disability.

(pp) Year of service. — A member shall, except in his or her first and last years of covered employment, be credited with year of service credit based upon the hours of service performed as covered employment and credited to the member during the plan year based upon the following schedule:
During a member's first and last years of covered employment, the member shall be credited with one-twelfth of a year of service for each month during the plan year in which the member is credited with an hour of service. A member is not entitled to credit for years of service for any time period during which he or she received disability payments under §7-14D-14 or §7-14D-15 of this code. Except as specifically excluded, years of service include covered employment prior to the effective date. Years of service which are credited to a member prior to his or her receipt of accumulated contributions upon termination of employment pursuant to §7-14D-13 or §5-10-30 of this code, shall be disregarded for all purposes under this plan unless the member repays the accumulated contributions with interest pursuant to §7-14D-13 of this code or had prior to the effective date made the repayment pursuant to §5-10-18 of this code.

(a) Any member who after the effective date of this article and during covered employment:

(1) Has been or becomes either totally or partially disabled by injury, illness, or disease;

and

(2) The disability is a result of an occupational risk or hazard inherent in or peculiar to the services required of members; or

(3) The disability was incurred while performing law-enforcement functions during either scheduled work hours or at any other time; and

(4) In the opinion of the board based on a medical examination, the member is by reason of the disability unable to perform adequately the duties required of a deputy sheriff, is entitled to
receive and shall be paid from the fund in monthly installments the compensation under either
subsection (b) or (c) of this section.

(b) If the member is totally disabled, the member shall receive 90 percent of his or her
average full monthly compensation for the 12-month contributory period preceding the member’s
disability award, or the shorter period if the member has not worked 12 months. Any member
retired under this subsection, or under §7-14D-17 of this code, on or before July 1, 2020, shall
have his or her monthly benefit payment increased by $400.

(c) If the member is partially disabled, the member shall receive 45 percent of his or her
average full monthly compensation for the 12-month contributory period preceding the member’s
disability award, or the shorter period if the member has not worked 12 months.

(d) If the member remains partially disabled until attaining 60 years of age, the member
shall then receive the retirement benefit provided in §7-14D-11 and §7-14D-12 of this code.

(e) The disability benefit payments will begin the first day of the month following
termination of employment and receipt of the disability retirement application by the Consolidated
Public Retirement Board.

(1) Has been or becomes totally or partially disabled from any cause other than those set forth in
§7-14D-14 of this code and not due to vicious habits, intemperance or willful misconduct on his
or her part; and (2) in the opinion of the board based on a medical examination, he or she is by
reason of the disability unable to perform adequately the duties required of a deputy sheriff, is
entitled to receive and shall be paid from the fund in monthly installments the compensation set
forth in either subsection (b) or (c) of this section.

(b) If the member is totally disabled, he or she shall receive 66 and two-thirds percent of
his or her average full monthly compensation for the 12-month contributory period preceding the
disability award, or the shorter period, if the member has not worked 12 months.

(x) "Member" means a person first hired as a Natural Resources Police Officer, as defined in subsection (z) of this section, on or after January 2, 2021, or a Natural Resources Police Officer first hired prior to the effective date and who elects to become a member pursuant to §20-18-6 of this code. (bb) "Normal retirement age" means the first to occur of the following: (1) Attainment of age 55 years and the completion of 15 or more years of service; (2) while still in covered employment, attainment of at least age 55 years, and when the sum of current age plus years of service equals or exceeds 70 years; or (3) attainment of at least age 62 years, and completion of 10 years of service: Provided, That any member shall in qualifying for retirement pursuant to this article have 10 or more years of service, all of which years shall be actual, contributory ones.

A member may be determined partially disabled for the purposes of this article and maintain the ability to engage in other gainful employment which exists within the state but which ability would not enable him or her to earn an amount at least equal to two thirds of the average annual compensation earned by all active members of this plan during the plan year ending as of the most recent June 30, as of which plan data has been assembled and used for the actuarial valuation of the plan.

(dd) "Plan" means the West Virginia Natural Resources Police Officers Retirement System established by this article.

For purposes of this subdivision:

(1) A member is totally disabled only if his or her physical or mental impairment or impairments are so severe that he or she is not only unable to perform his or her previous work as a Natural Resources Police Officer but also cannot, considering his or her age, education, and work experience, engage in any other kind of substantial gainful employment which exists in the state regardless of whether: (A) The work exists in the immediate area in which the member lives; (B) a specific job vacancy exists; or (C) the member would be hired if he or she applied for work.

(2) "Physical or mental impairment" is an impairment that results from an anatomical, physiological, or psychological abnormality that is demonstrated by medically accepted clinical and laboratory diagnostic techniques. Substantial gainful employment rebuts the presumption of total disability.
A member shall, except in his or her first and last years of covered employment, or within the plan year of the effective date, be credited with year of service credit, based upon the hours of service performed as covered employment and credited to the member during the plan year based upon the following schedule:

Except as specifically excluded, years of service include covered employment prior to the effective date. Years of service which are credited to a member prior to his or her receipt of accumulated contributions upon termination of employment pursuant to §20-18-20 or §5-10-30 of this code, shall be disregarded for all purposes under this plan unless the member repays the accumulated contributions with interest pursuant to §20-18-20 of this code or had prior to the effective date made the repayment pursuant to §5-10-18 of this code.

by the member, the member is by reason of the disability unable to perform adequately the duties
required of a Natural Resources Police Officer, is entitled to receive and shall be paid from the
fund in monthly installments the compensation under either subsection (b) or (c) of this section.

(b) If the member is totally disabled, the member shall receive 90 percent of his or her
average full monthly compensation for the 12-month contributory period preceding the member’s
disability award, or the shorter period if the member has not worked 12 months.

(c) If the member is partially disabled, the member shall receive 45 percent of his or her
average full monthly compensation for the 12-month contributory period preceding the member’s
disability award, or the shorter period if the member has not worked 12 months.

(d) If the member remains partially disabled until attaining 60 years of age, the member
shall then receive the retirement benefit provided in §20-18-18 and §20-18-19 of this code with
the accrued benefit being computed with the multiplier in effect as of his or her effective date of
retirement.

(e) The disability benefit payments will begin the first day of the month following
termination of employment and receipt of the disability retirement application by the Consolidated
Public Retirement Board.

§20-18-22. Award and benefits for disability – Due to other causes.

(a) Any member with 10 or more years of contributing service and who after the effective
date of this article and during covered employment: (1) Has been or becomes totally or partially
disabled from any cause other than those set forth in §20-18-21 of this code and not due to vicious
habits, intemperance, or willful misconduct on his or her part; and (2) in the opinion of two
physicians based on a medical examination, one of whom shall be named by the board and one
by the member, he or she is by reason of the disability unable to perform adequately the duties
required of a Natural Resources Police Officer, is entitled to receive and shall be paid from the
fund in monthly installments the compensation set forth in either subsection (b) or (c) of this section.

(c) If the member is partially disabled, he or she shall receive 33 and one-third percent of his or her average full monthly compensation for the 12-month contributory period preceding the disability award, or the shorter period, if the member has not worked 12 months.

(d) If the member remains disabled until attaining 60 years of age, then the member shall receive the retirement benefit provided in §20-18-18 and §20-18-19 of this code with the accrued benefit being computed with the multiplier in effect as of his or her effective date of retirement.

(e) The board shall propose legislative rules for promulgation in accordance with the provisions of §29A-3-1 et seq. of this code concerning member disability payments so as to ensure that the payments do not exceed 100 percent of the average current salary for the position last held by the member.

(f) The disability benefit payments will begin the first day of the month following termination of employment and receipt of the disability retirement application by the Consolidated Public Retirement Board.
