WEST VIRGINIA LEGISLATURE

2023 REGULAR SESSION

ENROLLED

Committee Substitute

for

House Bill 2917

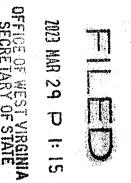

BY DELEGATES SUMMERS, TULLY AND ROHRBACH

[Passed March 9, 2023; in effect from passage.]

AN ACT to amend and reenact §5-10-48 of the code of West Virginia, 1931, as amended, relating to post-retirement employment by certain retirants; allowing certain retired state employees to render certain post-retirement employment with the Department of Health and Human Resources under certain circumstances; and increasing the amount that may be earned by certain retirants in certain post-retirement employment without requiring suspension of retirement annuity.

Be it enacted by the Legislature of West Virginia:

ARTICLE 10. WEST VIRGINIA PUBLIC EMPLOYEES RETIREMENT ACT.

§5-10-48. Reemployment after retirement; options for holder of elected public office.

1 (a) The Legislature finds that a compelling state interest exists in maintaining an actuarially 2 sound retirement system and that this interest necessitates that certain limitations be placed upon 3 an individual's ability to retire from the system and to then later return to state employment as an 4 employee with a participating public employer while contemporaneously drawing an annuity from 5 the system. The Legislature hereby further finds and declares that the interests of the public are 6 served when persons having retired from public employment are permitted, within certain 7 limitations, to render post-retirement employment in positions of public service, either in elected 8 or appointed capacities. The Legislature further finds and declares that it has the need for gualified 9 employees and that in many cases an employee of the Legislature will retire and be available to 10 return to work for the Legislature as a per diem employee. The Legislature further finds and 11 declares that in many instances these employees have particularly valuable expertise which the 12 Legislature cannot find elsewhere. The Legislature further finds and declares that reemploying these persons on a limited per diem basis after they have retired is not only in the best interests 13 14 of this state but has no adverse effect whatsoever upon the actuarial soundness of this particular 15 retirement system.

(b) For the purposes of this section: (1) "Regularly employed on a full-time basis" means
employment of an individual by a participating public employer, in a position other than as an

elected or appointed public official, which normally requires 12 months per year service and at 18 least 1.040 hours of service per year in that position; (2) "temporary full-time employment" or 19 "temporary part-time employment" means employment of an individual on a temporary or 20 provisional basis by a participating public employer, other than as an elected or appointed public 21 official, in a position which does not otherwise render the individual as regularly employed; (3) 22 "former employee of the Legislature" means any person who has retired from employment with 23 the Legislature and who has at least 10 years' contributing service with the Legislature; and (4) 24 "reemployed by the Legislature" means a former employee of the Legislature who has been 25 26 reemployed on a per diem basis not to exceed 175 days per calendar year.

(c) If a retirant becomes regularly employed on a full-time basis by a participating public 27 employer, payment of his or her annuity shall be suspended during the period of his or her 28 reemployment and he or she shall become a contributing member to the retirement system. If his 29 30 or her reemployment is for a period of one year or longer, his or her annuity shall be recalculated and he or she shall be granted an increased annuity due to the additional employment, the annuity 31 32 to be computed according to \$5-10-22 of this code. If his or her reemployment is for a period less 33 than one year, he or she may request in writing that the employee and employer retirement 34 contributions submitted during reemployment be credited to the participating public employer 35 pursuant to §5-10-44 of this code, and his or her previous annuity shall be reinstated effective the 36 first day of the month following termination of reemployment and the board's receipt of written 37 notice thereof. A retirant may accept legislative per diem, temporary full-time, or temporary part-38 time employment from a participating employer without suspending his or her retirement annuity 39 so long as he or she does not receive annual compensation in excess of \$25,000.

40 (d) Senior judges, justices, and magistrates. –

(1) Notwithstanding the provisions of subsection (c) of this section, a retired judge or
justice who is recalled and assigned to temporary service as a senior judge or justice by the West

Virginia Supreme Court of Appeals may receive per diem compensation pursuant to the
requirements of §51-9-10 of this code while continuing to receive his or her annuity.

45 (2) Notwithstanding the provisions of subsection (c) of this section, a retired magistrate
46 who is recalled and assigned to temporary service as a senior magistrate by the West Virginia
47 Supreme Court of Appeals may receive per diem compensation pursuant to the requirements of
48 §50-1-6a of this code while continuing to receive his or her annuity.

(e) If a member retires and is then subsequently elected to a public office or is
subsequently appointed to hold an elected public office, or is a former employee of the Legislature
who has been reemployed by the Legislature, he or she has the option, notwithstanding
subsection (c) of this section, to either:

(1) Continue to receive payment of his or her annuity while holding public office or during
any reemployment of a former employee of the Legislature on a per diem basis, in addition to the
salary he or she may be entitled to as an office holder or as a per diem reemployed former
employee of the Legislature; or

(2) Suspend the payment of his or her annuity and become a contributing member of the 57 58 retirement system as provided in subsection (c) of this section. Notwithstanding the provisions of this subsection, a member who is participating in the system as an elected public official may not 59 retire from his or her elected position and commence to receive an annuity from the system and 60 then be elected or reappointed to the same position unless and until a continuous 12-month period 61 has passed since his or her retirement from the position: Provided, That a former employee of 62 the Legislature may not be reemployed by the Legislature on a per diem basis until at least 60 63 days after the employee has retired: Provided, however, That the limitation on compensation 64 provided by subsection (c) of this section does not apply to the reemployed former employee: 65 Provided further, That in no event may reemployment by the Legislature of a per diem employee 66 67 exceed 175 days per calendar year.

(f) A member who is participating in the system simultaneously as both a regular, full-time 68 employee of a participating public employer and as an elected or appointed member of the 69 legislative body of the state or any political subdivision may, upon meeting the age and service 70 requirements of this article, elect to retire from his or her regular full-time state employment and 71 may commence to receive an annuity from the system without terminating his or her position as 72 a member of the legislative body of the state or political subdivision: Provided, That the retired 73 74 member shall not, during the term of his or her retirement and continued service as a member of 75 the legislative body of a political subdivision, be eligible to continue his or her participation as a 76 contributing member of the system and shall not continue to accrue any additional service credit 77 or benefits in the system related to the continued service.

(g) Notwithstanding the provisions of §5-10-27b of this code, any publicly elected member
of the legislative body of any political subdivision or of the State Legislature, the Clerk of the
House of Delegates, and the Clerk of the Senate may elect to commence receiving in-service
retirement distributions from this system upon attaining the age of 70 and one-half years: *Provided*, That the member is eligible to retire under the provisions of §5-10-20 or §5-10-21 of
this code: *Provided*, *however*, That the member elects to stop actively contributing to the system
while receiving the in-service distributions.

(h) The provisions of §5-10-22h of this code are not applicable to the amendments madeto this section during the 2006 regular session.

(i) The Legislature hereby finds and declares that a severe shortage of child protective services workers and adult protective services workers exists throughout the state and therefore a compelling state interest exists in expanding the use of retired employees to serve this critical need. Notwithstanding any provision of subsection (c) of this section to the contrary, a person receiving retirement benefits or eligible to receive retirement benefits pursuant to the provisions of this chapter may accept employment as a child protective services worker or an adult protective services worker on a full-time or part-time basis without having payment of his or her retirement

annuity suspended and without reentering the retirement system as a contributing member. This 94 subsection is only applicable if the retired employee meets the minimum qualifications of the 95 96 position, has been retired for at least 60 days, and is hired to fill an existing child protective services or adult protective services vacancy. The retired employee may continue to work under 97 this subsection only as long as that position remains vacant. The vacant position shall be posted 98 until it is filled by a regularly employed person meeting the minimum qualifications to serve as a 99 100 child protective service worker or an adult protective service worker. The provisions of this 101 subsection shall expire July 1, 2025.

The Clerk of the House of Delegates and the Clerk of the Senate hereby certify that the foregoing bill is correctly enrolled.
