Be it enacted by the Legislature of West Virginia:

ARTICLE 3G. PHYSICIAN ASSISTANT LICENSURE COMPACT.

§30-3G-1. Purpose.

1 In order to strengthen access to medical services, and in recognition of the advances in
2 the delivery of medical services, the participating states of the Physician Assistant Licensure
3 Compact have allied in common purpose to develop a comprehensive process that complements
4 the existing authority of state licensing boards to license and discipline physician assistants and
5 seeks to enhance the portability of a license to practice as a physician assistant while
6 safeguarding the safety of patients. This compact allows medical services to be provided by
7 physician assistants, via the mutual recognition of the licensee's qualifying license by other
8 compact participating states. This compact also adopts the prevailing standard for physician
9 assistant licensure and affirms that the practice and delivery of medical services by the physician
10 assistant occurs where the patient is located at the time of the patient encounter, and therefore
11 requires the physician assistant to be under the jurisdiction of the state licensing board where the
12 patient is located. State licensing boards that participate in this compact retain the jurisdiction to

13 impose adverse action against a compact privilege in that state issued to a physician assistant
14 through the procedures of this compact. The Physician Assistant Licensure Compact will alleviate
15 burdens for military families by allowing active-duty military personnel and their spouses to obtain
16 a compact privilege based on having an unrestricted license in good standing from a participating
17 state.

§30-3G-2. Definitions.

15 privilege is no longer limited or restricted due to the adverse action.

16 (9) If a compact privilege has been revoked or is limited or restricted in a participating state
17 for conduct that would not be a basis for disciplinary action in a participating state in which the
18 licensee is practicing or applying to practice under a compact privilege, that participating state
19 shall have the discretion not to consider such action as an adverse action requiring the denial or
20 removal of a compact privilege in that state.

21 (10) Notify the compact commission that the licensee is seeking the compact privilege in
22 a remote state.

23 (11) Meet any jurisprudence requirement of a remote state in which the licensee is seeking

33 of the following occur:

34 (1) The license is no longer limited or restricted; and

35 (2) Two years have elapsed from the date on which the license is no longer limited or
36 restricted due to the adverse action.

37 (c) Once a restricted or limited license satisfies the requirements of subsection (b)(1) and

39 obtain a compact privilege in any remote state.

40 (d) For each remote state in which a physician assistant seeks authority to prescribe
41 controlled substances, the physician assistant shall satisfy all requirements imposed by such state
42 in granting or renewing such authority.

1 Upon a licensee's application for a compact privilege, the licensee shall identify to the

5 the address of the licensee's primary residence and thereafter shall immediately report to the
6 commission any change in the address of the licensee's primary residence.

7 (2) When applying for a compact privilege, the licensee is required to consent to accept
8 service of process by mail at the licensee's primary residence on file with the commission with

1 (a) A participating state in which a licensee is licensed shall have exclusive power to
2 impose adverse action against the qualifying license issued by that participating state.

3 (b) In addition to the other powers conferred by state law, a remote state shall have the
4 authority, in accordance with existing state due process law, to do all of the following:

5 (1) Take adverse action against a physician assistant's compact privilege within that state
6 to remove a licensee's compact privilege or take other action necessary under applicable law to
7 protect the health and safety of its citizens.

8 (2) Issue subpoenas for both hearings and investigations that require the attendance and
9 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing
10 board in a participating state for the attendance and testimony of witnesses or the production of
11 evidence from another participating state shall be enforced in the latter state by any court of
12 competent jurisdiction, according to the practice and procedure of that court applicable to
13 subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness
14 fees, travel expenses, mileage and other fees required by the service statutes of the state in which
15 the witnesses or evidence are located.

16 (3) Notwithstanding subsection (b)(2) of this section, subpoenas may not be issued by a
17 participating state to gather evidence of conduct in another state that is lawful in that other state

18 for the purpose of taking adverse action against a licensee's compact privilege or application for
19 a compact privilege in that participating state.

20 (4) Nothing in this compact authorizes a participating state to impose discipline against a
21 physician assistant's compact privilege or to deny an application for a compact privilege in that
22 participating state for the individual's otherwise lawful practice in another state.

23 (c) For purposes of taking adverse action, the participating state which issued the
24 qualifying license shall give the same priority and effect to reported conduct received from any
25 other participating state as it would if the conduct had occurred within the participating state which
26 issued the qualifying license. In so doing, that participating state shall apply its own state laws to
27 determine appropriate action.

28 (d) A participating state, if otherwise permitted by state law, may recover from the affected
29 physician assistant the costs of investigations and disposition of cases resulting from any adverse
30 action taken against that physician assistant.

31 (e) A participating state may take adverse action based on the factual findings of a remote
32 state, provided that the participating state follows its own procedures for taking the adverse action.

33 (f) Joint investigations:

34 (1) In addition to the authority granted to a participating state by its respective state
35 physician assistant laws and regulations or other applicable state law, any participating state may
36 participate with other participating states in joint investigations of licensees.

37 (2) Participating states shall share any investigative, litigation, or compliance materials in
38 furtherance of any joint or individual investigation initiated under this compact.

39 (g) If an adverse action is taken against a physician assistant's qualifying license, the
40 physician assistant's compact privilege in all remote states shall be deactivated until two years
41 have elapsed after all restrictions have been removed from the state license. All disciplinary
42 orders by the participating state which issued the qualifying license that impose adverse action

43 against a physician assistant's license shall include a statement that the physician assistant's
44 compact privilege is deactivated in all participating states during the pendency of the order.

45 (h) If any participating state takes adverse action, it promptly shall notify the administrator
46 of the data system.

2 national administrative body known as the Physician Assistant Licensure Compact Commission.

4 instrumentality of any one state. The commission shall come into existence on or after the
5 effective date of the compact as set forth in §30-3G-11(a) of this code.

6 (b) Membership, voting, and meetings.

46 qualifications of personnel, and other related personnel matters;

47 (12) Accept any and all appropriate donations and grants of money, equipment, supplies,

65 (21) Approve or disapprove a state's participation in the compact based upon its
66 determination as to whether the state's compact legislation departs in a material manner from the
67 model compact language;

68 (22) Prepare and provide to the participating states an annual report; and perform such
69 other functions as may be necessary or appropriate to achieve the purposes of this compact
70 consistent with the state regulation of physician assistant licensure and practice.

71 (d) Meetings of the commission.

72 (1) All meetings of the commission that are not closed pursuant to this subsection shall be
73 open to the public. Notice of public meetings shall be posted on the commission's website at least
74 30 days prior to the public meeting.

75 (2) Notwithstanding subsection (d)(2) of this section, the commission may convene a

77 other means as provided in the commission's rules, for any of the reasons it may dispense with
78 notice of proposed rulemaking under §30-3G-9(I) of this code.

79 (3) The commission may convene in a closed, non-public meeting or non-public part of a
80 public meeting to receive legal advice or to discuss:

122 state from which the licensee applied for the compact privilege expires.

123 (B) If the licensee terminates the qualifying license through which the licensee applied for
124 the compact privilege before its scheduled expiration, and the licensee has a qualifying license in
125 another participating state, the licensee shall inform the commission that it is changing to the

166 (H) Perform other duties as provided in the commission's rules or bylaws.

167 (7) All meeting of the executive committee at which it votes or plans to vote on matters in
168 exercising the powers and duties of the commission shall be open to the public and public notice
169 of such meetings shall be given as public meetings of the commission are given.

170 (8) The executive committee may convene in a closed, non-public meeting for the same
171 reasons that the commission may convene in a non-public meeting as set forth in §30-3G-7(d)(3)
172 of this code and shall announce the closed meeting as the commission is required to under §30-

173 3G-7(d)(4) of this code and keep minutes of the closed meeting as the commission is required to
174 under §30-3G-7(d) of this code.

175 (g) Qualified immunity, defense, and indemnification.

176 (1) The members, officers, executive director, employees and representatives of the
177 commission shall be immune from suit and liability, both personally and in their official capacity, for
178 any claim for damage to or loss of property or personal injury or other civil liability caused by or
179 arising out of any actual or alleged act, error, or omission that occurred, or that the person against
180 whom the claim is made had a reasonable basis for believing occurred within the scope of
181 commission employment, duties or responsibilities: *Provided*, That nothing in this paragraph shall
182 be construed to protect any such person from suit or liability for any damage, loss, injury, or liability
183 caused by the intentional or willful or wanton misconduct of that person. The procurement of
184 insurance of any type by the commission shall not in any way compromise or limit the immunity
185 granted hereunder.

186 (2) The commission shall defend any member, officer, executive director, employee, and
187 representative of the commission in any civil action seeking to impose liability arising out of any
188 actual or alleged act, error, or omission that occurred within the scope of commission employment,
189 duties, or responsibilities, or as determined by the commission that the person against whom the
190 claim is made had a reasonable basis for believing occurred within the scope of commission
191 employment, duties, or responsibilities: *Provided*, That nothing herein shall be construed to prohibit
192 that person from retaining their own counsel at their own expense: *Provided, however*, That the
193 actual or alleged act, error, or omission did not result from that person's intentional, or willful or
194 wanton misconduct.

195 (3) The commission shall indemnify and hold harmless any member, officer, executive
196 director, employee, and representative of the commission for the amount of any settlement or
197 judgment obtained against that person arising out of any actual or alleged act, error, or omission
198 that occurred within the scope of commission employment, duties, or responsibilities, or that such

199 person had a reasonable basis for believing occurred within the scope of commission employment,
200 duties, or responsibilities: *Provided*, That the actual or alleged act, error, or omission did not result
201 from the intentional, or willful or wanton misconduct of that person.

202 (4) Venue is proper and judicial proceedings by or against the commission shall be brought
203 solely and exclusively in a court of competent jurisdiction where the principal office of the
204 commission is located. The commission may waive venue and jurisdictional defenses in any
205 proceedings as authorized by commission rules.

206 (5) Nothing herein shall be construed as a limitation on the liability of any licensee for
207 professional malpractice or misconduct, which shall be governed solely by any other applicable
208 state laws.

209 (6) Nothing herein shall be construed to designate the venue or jurisdiction to bring actions
210 for alleged acts of malpractice, professional misconduct, negligence, or other such civil action
211 pertaining to the practice of a physician assistant. All such matters shall be determined exclusively
212 by state law other than this compact.

213 (7) Nothing in this compact shall be interpreted to waive or otherwise abrogate a
214 participating state's state action immunity or state action affirmative defense with respect to
215 antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or
216 anticompetitive law or regulation.

217 (8) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the
218 participating states or by the commission.

§30-3G-8. Data system.

1 (a) The commission shall provide for the development, maintenance, operation, and
2 utilization of a coordinated data and reporting system containing licensure, adverse action, and
3 the reporting of the existence of significant investigative information on all licensed physician
4 assistants and applicants denied a license in participating states.

5 (b) Notwithstanding any other state law to the contrary, a participating state shall submit
6 a uniform data set to the data system on all physician assistants to whom this compact is
7 applicable (utilizing a unique identifier) as required by the rules of the commission, including:

8 (1) Identifying information;

9 (2) Licensure data;

10 (3) Adverse actions against a license or compact privilege;

11 (4) Any denial of application for licensure, and the reason(s) for such denial (excluding the
12 reporting of any criminal history record information where prohibited by law);

13 (5) The existence of significant investigative information; and

14 (6) Other information that may facilitate the administration of this compact, as determined
15 by the rules of the commission.

16 (c) Significant investigative information pertaining to a licensee in any participating state
17 shall only be available to other participating states.

18 (d) The commission shall promptly notify all participating states of any adverse action
19 taken against a licensee or an individual applying for a license that has been reported to it. This
20 adverse action information shall be available to any other participating state.

21 (e) Participating states contributing information to the data system may, in accordance
22 with state or federal law, designate information that may not be shared with the public without the
23 express permission of the contributing state. Notwithstanding any such designation, such
24 information shall be reported to the commission through the data system.

25 (f) Any information submitted to the data system that is subsequently expunged pursuant
26 to federal law or the laws of the participating state contributing the information shall be removed
27 from the data system upon reporting of such by the participating state to the commission.

28 (g) The records and information provided to a participating state pursuant to this compact
29 or through the data system, when certified by the commission or an agent thereof, shall constitute
30 the authenticated business records of the commission, and shall be entitled to any associated

31 hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a
32 participating state.

§30-3G-9. Rulemaking.

1 (a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth
2 in this section and the rules adopted thereunder. Commission rules shall become binding as of the
3 date specified by the commission for each rule.

4 (b) The commission shall promulgate reasonable rules in order to effectively and efficiently
5 implement and administer this compact and achieve its purposes. A commission rule shall be
6 invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is
7 invalid because the commission exercised its rulemaking authority in a manner that is beyond the
8 scope of the purposes of this compact, or the powers granted hereunder, or based upon another
9 applicable standard of review.

10 (c) The rules of the commission shall have the force of law in each participating state:
11 *Provided*, That where the rules of the commission conflict with the laws of the participating state
12 that establish the medical services a physician assistant may perform in the participating state, as
13 held by a court of competent jurisdiction, the rules of the commission shall be ineffective in that
14 state to the extent of the conflict.

15 (d) If a majority of the legislatures of the participating states rejects a commission rule, by
16 enactment of a statute or resolution in the same manner used to adopt this compact within four
17 years of the date of adoption of the rule, then such rule shall have no further force and effect in any
18 participating state or to any state applying to participate in the compact.

19 (e) Commission rules shall be adopted at a regular or special meeting of the commission.

20 (f) Prior to promulgation and adoption of a final rule or rules by the commission, and at least
21 30 days in advance of the meeting at which the rule will be considered and voted upon, the
22 commission shall file a Notice of Proposed Rulemaking:

23 (1) On the website of the commission or other publicly accessible platform; and

24 (2) To persons who have requested notice of the commission's notices of proposed
25 rulemaking, and

26 (3) In such other way(s) as the commission may by rule specify.

27 (g) The notice of proposed rulemaking shall include:

28 (1) The time, date, and location of the public hearing on the proposed rule and the proposed
29 time, date, and location of the meeting in which the proposed rule will be considered and voted
30 upon;

31 (2) The text of the proposed rule and the reason for the proposed rule;

32 (3) A request for comments on the proposed rule from any interested person and the date
33 by which written comments must be received; and

34 (4) The manner in which interested persons may submit notice to the commission of their
35 intention to attend the public hearing or provide any written comments.

36 (h) Prior to adoption of a proposed rule, the commission shall allow persons to submit
37 written data, facts, opinions, and arguments, which shall be made available to the public.

38 (i) If the hearing is to be held via electronic means, the commission shall publish the
39 mechanism for access to the electronic hearing.

40 (1) All persons wishing to be heard at the hearing shall as directed in the Notice of Proposed
41 Rulemaking, not less than five business days before the scheduled date of the hearing, notify the
42 commission of their desire to appear and testify at the hearing.

43 (2) Hearings shall be conducted in a manner providing each person who wishes to
44 comment a fair and reasonable opportunity to comment orally or in writing.

45 (3) All hearings shall be recorded. A copy of the recording and the written comments, data,
46 facts, opinions, and arguments received in response to the proposed rulemaking shall be made
47 available to a person upon request.

48 (4) Nothing in this section shall be construed as requiring a separate hearing on each
49 proposed rule. Proposed rules may be grouped for the convenience of the commission at hearings
50 required by this section.

51 (j) Following the public hearing, the commission shall consider all written and oral
52 comments timely received.

53 (k) The commission shall, by majority vote of all delegates, take final action on the proposed
54 rule and shall determine the effective date of the rule, if adopted, based on the rulemaking record
55 and the full text of the rule.

56 (1) If adopted, the rule shall be posted on the commission's website.

57 (2) The commission may adopt changes to the proposed rule provided the changes do not
58 enlarge the original purpose of the proposed rule.

59 (3) The commission shall provide on its website, an explanation of the reasons for
60 substantive changes made to the proposed rule, as well as reasons for substantive changes not
61 made that were recommended by commenters.

62 (4) The commission shall determine a reasonable effective date for the rule. Except for an
63 emergency as provided in subsection (l) of this section, the effective date of the rule shall be no
64 sooner than 30 days after the commission issued the notice that it adopted the rule.

65 (l) Upon determination that an emergency exists, the commission may consider and adopt
66 an emergency rule with 24 hours prior notice, without the opportunity for comment, or hearing,
67 provided that the usual rulemaking procedures provided in this compact and in this section shall
68 be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days
69 after the effective date of the rule. For the purposes of this provision, an emergency rule is one
70 that must be adopted immediately by the commission in order to:

71 (1) Meet an imminent threat to public health, safety, or welfare;

72 (2) Prevent a loss of commission or participating state funds;

73 (3) Meet a deadline for the promulgation of a commission rule that is established by federal
74 law or rule; or

75 (4) Protect public health and safety.

76 (m) The commission or an authorized committee of the commission may direct revisions to
77 a previously adopted commission rule for purposes of correcting typographical errors, errors in
78 format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted
79 on the website of the commission. The revision shall be subject to challenge by any person for a
80 period of 30 days after posting. The revision may be challenged only on grounds that the revision
81 results in a material change to a rule. A challenge shall be made as set forth in the notice of
82 revisions and delivered to the commission prior to the end of the notice period. If no challenge is
83 made, the revision will take effect without further action. If the revision is challenged, the revision
84 may not take effect without the approval of the commission.

85 (n) No participating state's rulemaking requirements shall apply under this compact.

§30-3G-10. Oversight, dispute resolution, and enforcement.

1 (a) Oversight.

2 (1) The executive and judicial branches of state government in each participating state
3 shall enforce this compact and take all actions necessary and appropriate to implement the
4 compact.

5 (2) Venue is proper and judicial proceedings by or against the commission shall be brought
6 solely and exclusively in a court of competent jurisdiction where the principal office of the
7 commission is located. The commission may waive venue and jurisdictional defenses to the extent
8 it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein
9 shall affect or limit the selection or propriety of venue in any action against a licensee for
10 professional malpractice, misconduct or any such similar matter.

11 (3) The commission shall be entitled to receive service of process in any proceeding
12 regarding the enforcement or interpretation of the compact or the commission's rules and shall

13 have standing to intervene in such a proceeding for all purposes. Failure to provide the commission
14 with service of process shall render a judgment or order in such proceeding void as to the
15 commission, this compact, or commission rules.

16 (b) Default, technical assistance, and termination.

17 (1) If the commission determines that a participating state has defaulted in the performance
18 of its obligations or responsibilities under this compact or the commission rules, the commission
19 shall provide written notice to the defaulting state and other participating states. The notice shall
20 describe the default, the proposed means of curing the default and any other action that the
21 commission may take and shall offer remedial training and specific technical assistance regarding
22 the default.

23 (2) If a state in default fails to cure the default, the defaulting state may be terminated from
24 this compact upon an affirmative vote of a majority of the delegates of the participating states, and
25 all rights, privileges, and benefits conferred by this compact upon such state may be terminated
26 on the effective date of termination. A cure of the default does not relieve the offending state of
27 obligations or liabilities incurred during the period of default.

28 (3) Termination of participation in this compact shall be imposed only after all other means
29 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be
30 given by the commission to the governor, the majority and minority leaders of the defaulting state's
31 legislature, and to the licensing board(s) of each of the participating states.

32 (4) A state that has been terminated is responsible for all assessments, obligations, and
33 liabilities incurred through the effective date of termination, including obligations that extend
34 beyond the effective date of termination.

35 (5) The commission shall not bear any costs related to a state that is found to be in default
36 or that has been terminated from this compact, unless agreed upon in writing between the
37 commission and the defaulting state.

38 (6) The defaulting state may appeal its termination from the compact by the commission
39 by petitioning the U.S. District Court for the District of Columbia or the federal district where the
40 commission has its principal offices. The prevailing member shall be awarded all costs of such
41 litigation, including reasonable attorney's fees.

42 (7) Upon the termination of a state's participation in the compact, the state shall
43 immediately provide notice to all licensees within that state of such termination:

44 (A) Licensees who have been granted a compact privilege in that state shall retain the
45 compact privilege for 180 days following the effective date of such termination.

46 (B) Licensees who are licensed in that state who have been granted a compact privilege
47 in a participating state shall retain the compact privilege for 180 days unless the licensee also has
48 a qualifying license in a participating state or obtains a qualifying license in a participating state
49 before the 180 day period ends, in which case the compact privilege shall continue.

50 (c) Dispute resolution.

51 (1) Upon request by a participating state, the commission shall attempt to resolve disputes
52 related to this compact that arise among participating states and between participating and non-
53 participating states.

54 (2) The commission shall promulgate a rule providing for both mediation and binding
55 dispute resolution for disputes as appropriate.

56 (d) Enforcement.

57 (1) The commission, in the reasonable exercise of its discretion, shall enforce the
58 provisions of this compact and rules of the commission.

59 (2) If compliance is not secured after all means to secure compliance have been
60 exhausted, by majority vote, the commission may initiate legal action in the U.S. District Court for
61 the District of Columbia or the federal district where the commission has its principal offices,
62 against a participating state in default to enforce compliance with the provisions of this compact
63 and the commission's promulgated rules and bylaws. The relief sought may include both injunctive

64 relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be
65 awarded all costs of such litigation, including reasonable attorney's fees.

66 (3) The remedies herein shall not be the exclusive remedies of the commission. The
67 commission may pursue any other remedies available under federal or state law.

68 (e) Legal action against the commission.

69 (1) A participating state may initiate legal action against the commission in the U.S. District
70 Court for the District of Columbia or the federal district where the commission has its principal
71 offices to enforce compliance with the provisions of the compact and its rules. The relief sought
72 may include both injunctive relief and damages. In the event judicial enforcement is necessary, the
73 prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

74 (2) No person other than a participating state shall enforce this compact against the
75 commission.

**§30-3G-11. Date of Implementation of the Physician Assistant Licensure Compact
Commission.**

1 (a) This compact shall come into effect on the date on which this compact statute is enacted
2 into law in the seventh participating state.

3 (1) On or after the effective date of the compact, the commission shall convene and review
4 the enactment of each of the states that enacted the compact prior to the commission convening
5 (charter participating states) to determine if the statute enacted by each such charter participating
6 state is materially different than the model compact.

7 (A) A charter participating state whose enactment is found to be materially different from
8 the model compact shall be entitled to the default process set forth in §30-3G-10(b) of this code.

9 (B) If any participating state later withdraws from the compact or its participation is
10 terminated, the commission shall remain in existence and the compact shall remain in effect even
11 if the number of participating states should be less than seven. Participating states enacting the
12 compact subsequent to the commission convening shall be subject to the process set forth in §30-

13 3G-7(c)(21) of this code to determine if their enactments are materially different from the model
14 compact and whether they qualify for participation in the compact.

15 (2) Participating states enacting the compact subsequent to the seven initial Charter
16 participating states shall be subject to the process set forth in §30-3G-7(c)(21) of this code to
17 determine if their enactments are materially different from the model compact and whether they
18 qualify for participation in the compact.

19 (3) All actions taken for the benefit of the commission or in furtherance of the purposes of
20 the administration of the compact prior to the effective date of the compact or the commission
21 coming into existence shall be considered to be actions of the commission unless specifically
22 repudiated by the commission.

23 (b) Any state that joins this compact shall be subject to the commission's rules and bylaws
24 as they exist on the date on which this compact becomes law in that state. Any rule that has been
25 previously adopted by the commission shall have the full force and effect of law on the day this
26 compact becomes law in that state.

27 (c) Any participating state may withdraw from this compact by enacting a statute repealing
28 the same.

29 (1) A participating state's withdrawal shall not take effect until 180 days after enactment of
30 the repealing statute. During this 180-day period, all compact privileges that were in effect in the
31 withdrawing state and were granted to licensees licensed in the withdrawing state shall remain in
32 effect. If any licensee licensed in the withdrawing state is also licensed in another participating
33 state or obtains a license in another participating state within the 180 days, the licensee's compact
34 privileges in other participating states shall not be affected by the passage of the 180 days.

35 (2) Withdrawal shall not affect the continuing requirement of the state licensing board(s) of
36 the withdrawing state to comply with the investigative, and adverse action reporting requirements
37 of this compact prior to the effective date of withdrawal.

38 (3) Upon the enactment of a statute withdrawing a state from this compact, the state shall
39 immediately provide notice of such withdrawal to all licensees within that state. Such withdrawing
40 state shall continue to recognize all licenses granted pursuant to this compact for a minimum of
41 180 days after the date of such notice of withdrawal.

42 (d) Nothing contained in this compact shall be construed to invalidate or prevent any
43 physician assistant licensure agreement or other cooperative arrangement between participating
44 states and between a participating state and non-participating state that does not conflict with the
45 provisions of this compact.

46 (e) This compact may be amended by the participating states. No amendment to this
47 compact shall become effective and binding upon any participating state until it is enacted
48 materially in the same manner into the laws of all participating states as determined by the
49 commission.

§30-3G-12. Construction and severability.

1 (a) This compact and the commission's rulemaking authority shall be liberally construed
2 so as to effectuate the purposes, and the implementation and administration of the compact.
3 Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not
4 be construed to limit the commission's rulemaking authority solely for those purposes.

5 (b) The provisions of this compact shall be severable and if any phrase, clause, sentence,
6 or provision of this compact is held by a court of competent jurisdiction to be contrary to the
7 constitution of any participating state, a state seeking participation in the compact, or of the United
8 States, or the applicability thereof to any government, agency, person or circumstance is held to
9 be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this
10 compact and the applicability thereof to any other government, agency, person, or circumstance
11 shall not be affected thereby.

12 (c) Notwithstanding subsection (b) of this section, the commission may deny a state's
13 participation in the compact or, in accordance with the requirements of §30-3G-10(b) of this code,

14 terminate a participating state's participation in the compact, if it determines that a constitutional
15 requirement of a participating state is, or would be with respect to a state seeking to participate in
16 the compact, a material departure from the compact. Otherwise, if this compact shall be held to
17 be contrary to the constitution of any participating state, the compact shall remain in full force and
18 effect as to the remaining participating states and in full force and effect as to the participating
19 state affected as to all severable matters.

§30-3G-13. Binding effect of compact.

1 (a) Nothing herein prevents the enforcement of any other law of a participating state that
2 is not inconsistent with this compact.

3 (b) Any laws in a participating state in conflict with this compact are superseded to the
4 extent of the conflict.

5 (c) All agreements between the commission and the participating states are binding in
6 accordance with their terms.
