(7) For purposes of this subsection, the following definitions apply:

(A) "Active military duty" means full-time active duty in the armed forces of the United States for a period of 30 or more consecutive calendar days. Active military duty does not include inactive duty of any kind.

117 (B) "Actuarial reserve purchase amount" means the purchase annuity rate multiplied by
118 the purchase accrued benefit, calculated as of the calculation month, plus annual interest accruing
119 at 7.5 percent from the calculation month through the purchase month, compounded monthly:
120 *Provided*, That if the employee elects to pay the full purchase amount on an installment or partial
121 payment basis, the actuarial reserve purchase amount will include the lump sum payment plus
122 additional interest accruing at 7.5 percent until the purchase amount is paid in full.

123 (C) "Armed forces of the United States" means the Army, Navy, Air Force, Marine Corps,
124 Space Force, and Coast Guard, the reserve components thereof, and the National Guard of the
125 United States or the National Guard of a state or territory when members of the same are on full-
126 time active duty pursuant to Title 10 or Title 32 of the United States Code.

127 (D) "Calculation month" means the month immediately following the month in which the
128 member completes the 12 consecutive months of contributory service with a participating public
129 employer required by this subsection, as applicable.

130 (E) "Purchase accrued benefit" means two percent times the purchase military service
131 times the purchase average monthly salary.

132 (F) "Purchase age" means the age of the employee in years and completed months as of
133 the first day of the calculation month.

134 (G) "Purchase annuity rate" means the actuarial lump sum annuity factor calculated as of
135 the calculation month based on the following actuarial assumptions: Interest rate of 7.5 percent;
136 mortality of the 1971 group annuity mortality table, 50 percent blended male and female rates,
137 applied on a unisex basis to all members; if purchase age is under age 62, a deferred annuity
138 factor with payments commencing at age 62; and if purchase age is 62 or over, an immediate
139 annuity factor with payments starting at the purchase age.

140 (H) "Purchase average monthly salary" means the average monthly salary of the member
141 during the months two through 12 of the 12 consecutive month period required by this subsection
142 of this section, as applicable.

(I) "Purchase military service" means the amount of military service being purchased by the employee in months up to the 60-month maximum, calculated in accordance with subdivision (9) of this subsection.

(J) "Purchase month" means the month in which the employee deposits the actuarial reserve lump sum purchase amount in full payment of the service credit being purchased or makes the final payment of the actuarial reserve purchase amount into the plan trust fund in full payment of the service credit being purchased.

(8) A member may purchase military service credit for a period of active military duty pursuant to this subsection only if the member received an honorable discharge for such period. Anything other than an honorable discharge, including, but not limited to, a general or under honorable conditions discharge, an entry-level separation discharge, an other than honorable conditions discharge or a dishonorable discharge, shall disqualify the member from receiving military service credit for the period of service.

(9) To calculate the amount of military service credit a member may purchase, the board shall add the total number of days in each period of a member's active military duty eligible to be purchased, divide the total by 30, and round up or down to the nearest integer (fractions of 0.5 shall be rounded up), in order to yield the total number of months of military service credit a member may purchase, subject to the 60-month maximum. A member may purchase all or part of the maximum amount of military service credit he or she is eligible for in one-month increments.

(10) To receive credit, a member must submit a request to purchase military service credit to the board, on such form or in such other manner as shall be required by the board, within the 12 consecutive month period required by this subsection, as applicable. The board shall then calculate the actuarial reserve lump sum purchase amount, which amount must be paid by the member within the 48-month period required by this subsection, as applicable. A member purchasing military service credit pursuant to this subsection must do so in a single, lump sum payment: *Provided*, That the board may accept partial, installment or other similar payments if the

169 employee executes a contract with the board specifying the amount of military service to be
170 purchased and the payments required: *Provided, however,* That any failure to pay the contract
171 amount in accordance with this section shall be treated as an overpayment or excess contribution
172 subject to §5-10-44 of this code and no military service shall be credited.

173 (11) The board shall require a member requesting military service credit to provide official
174 documentation establishing that the requirements set forth in this subsection have been met.

175 (12) Military service credit purchased pursuant to this subsection may not be considered
176 contributing service credit or contributory service for purposes of this article.

177 (13) If a member who has purchased military service credit pursuant to this subsection is
178 eligible for and requests a withdrawal of accumulated contributions pursuant to the provisions of
179 this article, he or she shall also receive a refund of the actuarial reserve purchase amount he or
180 she paid to the retirement system to purchase military service credit, together with regular interest
181 on such amount.

182 (c) No period of military service may be used to obtain credit in more than one retirement
183 system administered by the board and once used in any system, a period of military service may
184 not be used again in any other system.

185 (d) Notwithstanding the preceding provisions of this section, contributions, benefits and
186 service credit with respect to qualified military service shall be provided in accordance with
187 Section 414(u) of the Internal Revenue Code and the federal Uniformed Services Employment
188 and Reemployment Rights Act (USERRA), and regulations promulgated thereunder, as the same
189 may be amended from time to time. For purposes of this section, "qualified military service" has
190 the same meaning as in Section 414(u) of the Internal Revenue Code.

191 (e) In any case of doubt as to the period of service to be credited a member under the
192 provisions of this section, the board has final power to determine the period. Notwithstanding the
193 provisions of §5-10-3a of this code, the provisions of this section are not subject to liberal
194 construction. The board is authorized to determine all questions and make all decisions relating

195 to this section and, pursuant to the authority granted to the board in §5-10D-1 of this code, may
196 propose rules to administer this section for legislative approval in accordance with the provisions
197 of §29A-3-1 *et seq.* of this code.

4 forces of any of the Armed Forces when the employee has been called to active full-time duty and
5 has received no compensation during the period of the duty from any person other than the Armed
6 Forces.

7 (b) Any member of the fund who has previously served on active military duty is entitled
8 to and shall receive credit on the minimum period of service required by law for retirement pay

23 duty. The superintendent shall transfer and pay into the fund from moneys appropriated for the
24 agency, a sum equal to 18 percent of the aggregate of the salaries on which the retirement pay

46 and determined as if the employee has continued in the active service of the agency at the rank
47 or grade to him or her appertaining at the time of the commission, induction, enlistment or call,
48 during a period coextensive with the time the employee served with the Armed Forces pursuant
49 to the commission, induction, enlistment or call. The superintendent of the agency shall transfer
50 and pay each month into the fund from moneys appropriated for the agency a sum equal to 18
51 percent of the aggregate of salary which all employees would have been entitled to receive had

CHAPTER 18. EDUCATION.

ARTICLE 7A. STATE TEACHERS RETIREMENT SYSTEM.

§18-7A-17a. Qualified military service.

1 (a) Except as provided in subsection (b) of this section, for the purpose of this article, the
2 retirement board shall grant prior service credit to members of the retirement system who were
3 honorably discharged from active duty service in any of the Armed Forces of the United States in

5 purposes of this section, "Armed Forces" includes Women's Army Corps, women's appointed
6 volunteers for emergency service, Army Nurse Corps, SPARS, Women's Reserve and other
7 similar units officially part of the military service of the United States. The military service is
8 considered equivalent to public school teaching, and the salary equivalent for each year of that
9 service is the actual salary of the member as a teacher for his or her first year of teaching after
10 discharge from military service. Prior service credit for military service shall not exceed 10 years
11 for any one member, nor shall it exceed 25 percent of total service at the time of retirement.
12 Notwithstanding the preceding provisions of this subsection, contributions, benefits and service
13 credit with respect to qualified military service shall be provided in accordance with Section 414(u)
14 of the Internal Revenue Code. For purposes of this section, "qualified military service" has the
15 same meaning as in Section 414(u) of the Internal Revenue Code. The retirement board is
16 authorized to determine all questions and make all decisions relating to this section and, pursuant
17 to the authority granted to the retirement board in §5-10D-1 of this code, may promulgate rules
18 relating to contributions, benefits and service credit to comply with Section 414(u) of the Internal

Revenue Code. No military service credit may be used in more than one retirement system administered by the Consolidated Public Retirement Board.

(b) Subsection (a) of this section does not apply to any member who first becomes an employee of a participating public employer on or after July 1, 2015. This subsection applies to any member who first became an employee of a participating public employer on or after July 1, 2015, and also applies to any member who became an employee of a participating public employer before July 1, 2015, and is unable to meet the requirements of subsection (a) of this section.

(1) Any member may purchase up to 60 months of military service credit for time served in active military duty prior to first becoming an employee of a participating public employer if all of the following conditions are met:

(A) The member has completed a complete fiscal year of contributory service;

(B) The active military duty occurs prior to the date on which the member first becomes an employee of a participating public employer; and

(C) The employee pays to the retirement system the actuarial reserve purchase amount within 48 months after the date on which employer and employee contributions are first received by the retirement system for the member and while he or she continues to be in the employ of a participating public employer and contributing to the retirement system, or within 48 months of July 1, 2015, whichever is later: *Provided*, That any employee who ceases employment with a participating public employer before completing the required actuarial reserve purchase amount in full shall not be eligible to purchase the military service.

(2) Notwithstanding paragraph (A), subdivision (1) of this subsection, a member who first becomes an employee of a participating public employer on or after July 1, 2015, but who does not remain employed and contributing to the retirement system for at least a complete fiscal year after his or her initial employment, shall be considered to have met the requirement of said paragraph the first time he or she becomes an employee of a participating public employer and

45 completes at least a complete fiscal year of contributing service. Such a member shall be
46 considered to have met the requirement of paragraph (C) of said subdivision if he or she pays to
47 the retirement system the actuarial reserve purchase amount within 48 months after the date on
48 which employer and employee contributions are first received by the retirement system for the
49 member the first time he or she becomes an employee of a participating public employer and
50 completes at least a complete fiscal year of contributing service, and while he or she continues to
51 be in the employ of a participating public employer and contributing to the retirement system.

52 (3) A member who first becomes an employee of a participating public employer on or
53 after July 1, 2015, may purchase military service credit for active military duty performed on or
54 after the date he or she first becomes an employee of a participating public employer only if all of
55 the following conditions are met: *Provided*, That the maximum military service credit such member
56 may purchase shall take into account any military service credit purchased for active military duty
57 pursuant to subdivision (1) of this subsection in addition to any military service credit purchased
58 pursuant to this subdivision:

59 (A) The member was an employee of a participating public employer, terminated
60 employment and experienced a break in contributing service in the retirement system of one or
61 more months, performed active military service while not an employee of the participating public
62 employer and not contributing to the retirement system, then again becomes an employee of a
63 participating public employer and completes at least a complete fiscal year of contributory service;

64 (B) The member does not qualify for military service credit for such active military duty
65 pursuant to subsection (d) of this section; and

66 (C) The member pays to the retirement system the actuarial reserve purchase amount
67 within 48 months after the date on which employer and employee contributions are first received
68 by the retirement system for the member after he or she again becomes an employee of a
69 participating public employer immediately following the period of active military duty and break in
70 service and completes at least a complete fiscal year of contributory service, and while he or she

continues to be in the employ of a participating public employer and contributing to the retirement system.

(4) Notwithstanding paragraph (A), subdivision (3) of this subsection, a member who otherwise meets the requirements of said paragraph, but who does not remain employed and contributing to the retirement system for at least a complete fiscal year when he or she first becomes an employee of a participating public employer after the period of active military duty and break in service, shall be considered to have met the requirement of said paragraph the first time he or she again becomes an employee of a participating public employer and completes at least a complete fiscal year of contributing service. Such a member shall be considered to have met the requirement of paragraph (C) of said subdivision if he or she pays to the retirement system the actuarial reserve purchase amount within 48 months after the date on which employer and employee contributions are first received by the retirement system for the member for the first time he or she again becomes an employee of a participating public employer and completes at least a complete fiscal year of contributing service, and while he or she continues to be in the employ of a participating public employer and contributing to the retirement system.

(5) For purposes of this subsection, the following definitions shall apply:

(A) "Active military duty" means full-time active duty in the Armed Forces of the United States for a period of 30 or more consecutive calendar days. Active military duty does not include inactive duty of any kind.

(B) "Actuarial reserve purchase amount" means the purchase annuity rate multiplied by the purchase accrued benefit, calculated as of the calculation month, plus annual interest accruing at 7.5 percent from the calculation month through the purchase month, compounded monthly.

(C) "Armed forces of the United States" means the Army, Navy, Air Force, Marine Corps, Space Force, and Coast Guard, the reserve components thereof, and the National Guard of the United States or the National Guard of a state or territory when members of the same are on full-time active duty pursuant to Title 10 or Title 32 of the United States Code.

97 (D) "Calculation month" means the month immediately following the month in which the
98 member completes a complete fiscal year of contributory service with a participating public
99 employer required by subdivision (1), (2), (3) or (4) of this subsection, as applicable.

100 (E) "Purchase accrued benefit" means two percent times the purchase military service
101 times the purchase average monthly salary.

102 (F) "Purchase age" means the age of the employee in years and completed months as of
103 the first day of the calculation month.

104 (G) "Purchase annuity rate" means the actuarial lump sum annuity factor calculated as of
105 the calculation month based on the following actuarial assumptions: Interest rate of 7.5 percent;
106 mortality of the 1971 group annuity mortality table, 50 percent blended male and female rates,
107 applied on a unisex basis to all members; if purchase age is under age 62, a deferred annuity
108 factor with payments commencing at age 62; and if purchase age is 62 or over, an immediate
109 annuity factor with payments starting at the purchase age.

110 (H) "Purchase average monthly salary" means the average monthly salary of the member
111 during the number of months of the member's contract during the fiscal year of contributory
112 service required by subdivisions (1), (2), (3) and (4) of this subsection, as applicable. For any
113 member who first became an employee of a participating public employer before July 1, 2015,
114 the purchase average monthly salary means the average monthly salary of the member during
115 the number of months of the member's contract during his or her complete fiscal year of
116 contributory service on or after July 1, 2015.

117 (I) "Purchase military service" means the amount of military service being purchased by
118 the employee in months up to the 60-month maximum, calculated in accordance with subdivision
119 (7) of this subsection.

121 reserve lump sum purchase amount into the plan trust fund in full payment of the service credit

being purchased or makes the final payment of the actuarial reserve purchase amount into the plan trust fund in full payment of the service credit being purchased.

(6) A member may purchase military service credit for a period of active military duty pursuant to this subsection only if the member received an honorable discharge for the period. Anything other than an honorable discharge, including, but not limited to, a general or under honorable conditions discharge, an entry-level separation discharge, an other than honorable conditions discharge or a dishonorable discharge, shall disqualify the member from receiving military service credit for the period of service. The board shall require a member requesting military service credit to provide official documentation establishing that the requirements set forth in this subsection have been met.

(7) To calculate the amount of military service credit a member may purchase, the board shall add the total number of days in each period of a member's active military duty eligible to be purchased, divide the total by 30, and round up or down to the nearest integer (fractions of 0.5 shall be rounded up), in order to yield the total number of months of military service credit a member may purchase, subject to the 60-month maximum. A member may purchase all or part of the maximum amount of military service credit he or she is eligible for in one-month increments.

(8) To receive credit, a member must submit a request to purchase military service credit to the board, on such form or in such other manner as shall be required by the board, within the complete fiscal year period required by subdivision (1), (2), (3) or (4) of this subsection, as applicable. The board shall then calculate the actuarial reserve lump sum purchase amount, which amount must be paid by the member within the 48-month period required by said subdivisions, as applicable. A member purchasing military service credit pursuant to this subsection must do so in a single, lump sum payment: *Provided*, That the board may accept partial, installment or other similar payments if the employee executes a contract with the board specifying the amount of military service to be purchased and the payments required: *Provided*, *however*, That any failure to pay the contract amount in accordance with this section shall be

148 treated as an overpayment or excess contribution subject to §18-7A-14c of this code and no
149 military service shall be credited.

150 (9) The board shall require a member requesting military service credit to provide official
151 documentation establishing that the requirements set forth in this subsection have been met.

152 (10) Military service credit purchased pursuant to this subsection shall not be considered
153 contributing service credit or contributory service for purposes of this article.

154 (11) If a member who has purchased military service credit pursuant to this subsection is
155 eligible for and requests a withdrawal of accumulated contributions pursuant to the provisions of
156 this article, he or she shall also receive a refund of the actuarial reserve purchase amount he or
157 she paid to the retirement system to purchase military service credit, together with regular interest
158 on such amount.

159 (c) No period of military service shall be used to obtain credit in more than one retirement
160 system administered by the board and once used in any system, a period of military service may
161 not be used again in any other system.

162 (d) Notwithstanding the preceding provisions of this section, contributions, benefits and
163 service credit with respect to qualified military service shall be provided in accordance with
164 Section 414(u) of the Internal Revenue Code and the Federal Uniformed Services Employment
165 and Reemployment Rights Act (USERRA), and regulations promulgated thereunder, as the same
166 may be amended from time to time. For purposes of this section, "qualified military service" has
167 the same meaning as in Section 414(u) of the Internal Revenue Code.

168 (e) In any case of doubt as to the period of service to be credited a member under the
169 provisions of this section, the board has final power to determine the period. The board is
170 authorized to determine all questions and make all decisions relating to this section and, pursuant
171 to the authority granted to the board in §18-10D-1 of this code, may propose rules to administer
172 this section for legislative approval in accordance with the provisions of §29A-3-1 *et seq.* of this
173 code.

230 (3) An individual representing a military installation in this state appointed by the Governor
231 by and with the advice and consent of the Senate. This member serves a term of four years,

235 Governor;

247 to carry out and effectuate the purpose and intent of this compact, including, but not limited to the

255 when so appointed or designated.

256 ARTICLE IX. INTERSTATE COMMISSION ON EDUCATIONAL
257 OPPORTUNITY FOR MILITARY CHILDREN.

258 (a) The member states hereby create the "Interstate Commission on Educational
259 Opportunity for Military Children." The activities of the Interstate Commission are the formation of
260 public policy and are a discretionary state function.

261 (b) The Interstate Commission:

262 (1) Is a body corporate and joint agency of the member states and has all the
263 responsibilities, powers and duties set forth herein, and such additional powers as may be
264 conferred upon it by a subsequent concurrent action of the respective Legislatures of the member
265 states in accordance with the terms of this compact;

266 (2) Consists of one Interstate Commission voting representative from each member state
267 who is that state's Compact Commissioner.

268 (A) Each member state represented at a meeting of the Interstate Commission is entitled
269 to one vote.

270 (B) A majority of the total member states constitutes a quorum for the transaction of
271 business, unless a larger quorum is required by the bylaws of the Interstate Commission.

272 (C) A representative may not delegate a vote to another member state. In the event a
273 Compact Commissioner is unable to attend a meeting of the Interstate Commission, the Governor

274 or State Council of the Compact Commissioner's state may delegate voting authority to another
275 person from that state for a specified meeting.

276 (D) The bylaws may provide for meetings of the Interstate Commission to be conducted
277 by telecommunication or electronic communication;

278 (3) Consists of ex-officio, nonvoting representatives who are members of interested
279 organizations. Such ex-officio members, as defined in the bylaws, may include, but are not limited

282 Education Commission of the States, the Interstate Agreement on the Qualification of Educational
283 Personnel, and other interstate compacts affecting the education of children of military members;

287 Interstate Commission and such other members of the Interstate Commission as established in
288 the bylaws. Each member of the executive committee serves a one-year term. Each member of
289 the executive committee is entitled to one vote. The executive committee has the power to act on
290 behalf of the Interstate Commission, with the exception of rulemaking, during periods when the
291 Interstate Commission is not in session. The executive committee shall oversee the daily activities
292 of the administration of the compact, including enforcement and compliance with the provisions
293 of the compact, its bylaws and rules, and such other duties as it determines are necessary. A
294 representative of the United States Department of Defense serves as an ex-officio, nonvoting
295 member of the executive committee;

296 (6) Establishes bylaws and rules that provide for conditions and procedures under which
297 the Interstate Commission makes its information and official records available to the public for
298 inspection or copying. The Interstate Commission may exempt from disclosure information or

299 official records to the extent they would adversely affect personal privacy rights or proprietary
300 interests;

301 (7) Gives public notice of all meetings. All meetings shall be open to the public, except as
302 set forth in the rules or as otherwise provided in the compact. The Interstate Commission and its
303 committees may close a meeting, or portion thereof, where it determines by two-thirds vote that
304 an open meeting would be likely to:

305 (A) Relate solely to the Interstate Commission's internal personnel practices and
306 procedures;

307 (B) Disclose matters specifically exempted from disclosure by federal and state statute;

308 (C) Disclose trade secrets or commercial or financial information which is privileged or
309 confidential;

315 legal proceeding;

316 (8) Causes its legal counsel or designee to certify that a meeting may be closed, and
317 reference each relevant exemptable provision for any meeting or portion of a meeting which is
318 closed pursuant to this provision. The Interstate Commission shall maintain a minute record of
319 each meeting which shall fully and clearly describe all matters discussed in the meeting. The
320 minute record shall provide a full and accurate summary of actions taken, and the reasons
321 therefore, including a description of the views expressed and the record of a roll call vote. All
322 documents considered in connection with an action shall be identified in the minute record. All
323 minutes and documents of a closed meeting shall remain under seal, subject to release by a
324 majority vote of the Interstate Commission.

The Interstate Commission has the following powers:

(a) To provide for dispute resolution among member states;

(b) To promulgate rules and take all necessary actions to effect the goals, purposes and obligations as enumerated in this compact. The rules have the force and effect of statutory law and are binding in the compact states to the extent and in the manner provided in this compact;

353 Interstate Commission in carrying out its powers and duties hereunder;

354 (i) To elect or appoint such officers, attorneys, employees, agents or consultants, and to
355 fix their compensation, define their duties and determine their qualifications; and to establish the
356 Interstate Commission's personnel policies and programs relating to conflicts of interest, rates of
357 compensation, and qualifications of personnel;

358 (j) To accept any and all donations and grants of money, equipment, supplies, materials,

370 Interstate Commission;

372 implementation and operation for officials and parents involved in such activity;

375 (s) To perform such functions as may be necessary or appropriate to achieve the purposes
376 of this compact; and

(t) To provide for the uniform collection and sharing of information between and among member states, schools and military families under this compact.

ARTICLE XI. ORGANIZATION AND OPERATION OF THE
INTERSTATE COMMISSION.

(a) The Interstate Commission shall, by a majority of the members present and voting, within 12 months after the first Interstate Commission meeting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact, including, but not limited to:

(1) Establishing the fiscal year of the Interstate Commission;

(2) Establishing an executive committee, and such other committees as may be necessary;

(3) Providing for the establishment of committees and for governing any general or specific delegation of authority or function of the Interstate Commission;

(4) Providing reasonable procedures for calling and conducting meetings of the Interstate Commission, and ensuring reasonable notice of each meeting;

(5) Establishing the titles and responsibilities of the officers and staff of the Interstate Commission;

(6) Providing a mechanism for concluding the operations of the Interstate Commission and the returning surplus funds that may exist upon termination of the compact after the payment and reserving of all of its debts and obligations; and

(7) Providing start-up rules for initial administration of the compact.

(b) The Interstate Commission shall, by a majority of the members, elect annually from among its members a chairperson, a vice-chairperson, and a treasurer, each of whom shall have such authority and duties as may be specified in the bylaws. The chairperson or, in the chairperson's absence or disability, the vice-chairperson, shall preside at all meetings of the Interstate Commission. The officers so elected serve without compensation or remuneration from

the Interstate Commission. Subject to the availability of budgeted funds, the officers shall be reimbursed for ordinary and necessary costs and expenses incurred by them in the performance of their responsibilities as officers of the Interstate Commission.

(c) *Executive Committee, Officers and Personnel* —

(1) The executive committee has such authority and duties as may be set forth in the bylaws, including but not limited to:

(A) Managing the affairs of the Interstate Commission in a manner consistent with the bylaws and purposes of the Interstate Commission;

(B) Overseeing an organizational structure within, and appropriate procedures for the Interstate Commission to provide for the creation of rules, operating procedures, and administrative and technical support functions; and

(C) Planning, implementing, and coordinating communications and activities with other state, federal and local government organizations in order to advance the goals of the Interstate Commission.

(2) The executive committee may, subject to the approval of the Interstate Commission, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation, as the Interstate Commission may deem appropriate. The executive director serves as secretary to the Interstate Commission, but is not a Member of the Interstate Commission. The executive director shall hire and supervise such other persons as may be authorized by the Interstate Commission.

(d) The Interstate Commission's executive director and its employees are immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of Interstate Commission employment, duties, or responsibilities. The executive director and employees are not protected from suit or liability for

429 damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such
430 person.

431 (1) The liability of the Interstate Commission's executive director and employees or
432 Interstate Commission representatives, acting within the scope of employment or duties for acts,
433 errors, or omissions occurring within his or her state may not exceed the limits of liability set forth
434 under the constitution and laws of that state for state officials, employees, and agents. The
435 Interstate Commission is considered to be an instrumentality of the states for the purposes of any
436 such action. This subsection does not protect the executive director or employees from suit or
437 liability for damage, loss, injury, or liability caused by his or her intentional or willful and wanton
438 misconduct.

439 (2) The Interstate Commission shall defend the executive director and its employees and,
440 subject to the approval of the Attorney General or other appropriate legal counsel of the member
441 state represented by an Interstate Commission representative, shall defend such Interstate
442 Commission representative in any civil action seeking to impose liability arising out of an actual
443 or alleged act, error or omission that occurred within the scope of Interstate Commission
444 employment, duties or responsibilities, or that the defendant had a reasonable basis for believing
445 occurred within the scope of Interstate Commission employment, duties, or responsibilities,
446 provided that the actual or alleged act, error, or omission did not result from intentional or willful
447 and wanton misconduct on the part of such person.

448 (3) To the extent not covered by the state involved, member state, or the Interstate
449 Commission, the representatives or employees of the Interstate Commission shall be held
450 harmless in the amount of a settlement or judgment, including attorney's fees and costs, obtained
451 against the individual arising out of an actual or alleged act, error, or omission that occurred within
452 the scope of Interstate Commission employment, duties, or responsibilities, or that the individual
453 had a reasonable basis for believing occurred within the scope of Interstate Commission

employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of the individual.

ARTICLE XII. RULEMAKING FUNCTIONS
OF THE INTERSTATE COMMISSION.

(a) *Rulemaking Authority* —

The Interstate Commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of this compact. Notwithstanding the foregoing, in the event the Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Act, or the powers granted hereunder, then such an action by the Interstate Commission is invalid and has no force nor effect.

(b) *Rulemaking Procedure* —

Rules shall be made pursuant to a rulemaking process that substantially conforms to the "Model State Administrative Procedure Act," of 1981 Act, Uniform Laws Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate to the operations of the Interstate Commission.

(c) Not later than 30 days after a rule is promulgated, any person may file a petition for judicial review of the rule. Filing such a petition does not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Interstate Commission consistent with applicable law and may not find the rule to be unlawful if the rule represents a reasonable exercise of the Interstate Commission's authority.

(d) If a majority of the Legislatures of the compacting states rejects a rule by enactment of a statute or resolution in the same manner used to adopt the compact, then that rule has no further force nor effect in any compacting state.

ARTICLE XIII. OVERSIGHT, ENFORCEMENT,
AND DISPUTE RESOLUTION.

(a) *Oversight* —

(1) The executive, legislative and judicial branches of state government in each member state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of this compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the Interstate Commission.

(3) The Interstate Commission is entitled to receive all service of process in any such proceeding, and has standing to intervene in the proceeding for all purposes. Failure to provide service of process to the Interstate Commission renders a judgment or order void as to the Interstate Commission, this compact or promulgated rules.

(b) Default, Technical Assistance, Suspension and Termination —

If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall:

(1) Provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default and any action taken by the Interstate Commission. The Interstate Commission shall specify the conditions by which the defaulting state must cure its default; and

(2) Provide remedial training and specific technical assistance regarding the default.

(3) If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default.

505 (4) Suspension or termination of membership in the compact may be imposed only after
506 all other means of securing compliance have been exhausted. Notice of intent to suspend or
507 terminate shall be given by the Interstate Commission to the Governor, the majority and minority
508 leaders of the defaulting state's Legislature, and each of the member states.

509 (5) The state which has been suspended or terminated is responsible for all assessments,
510 obligations and liabilities incurred through the effective date of suspension or termination including
511 obligations, the performance of which extends beyond the effective date of suspension or
512 termination.

513 (6) The Interstate Commission does not bear any costs relating to any state that has been
514 found to be in default or which has been suspended or terminated from the compact, unless
515 otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting
516 state.

517 (7) The defaulting state may appeal the action of the Interstate Commission by petitioning
518 the U.S. District Court for the District of Columbia or the federal district where the Interstate
519 Commission has its principal offices. The prevailing party shall be awarded all costs of such
520 litigation including reasonable attorney's fees.

521 (c) *Dispute Resolution* —

522 (1) The Interstate Commission shall attempt, upon the request of a member state, to
523 resolve disputes which are subject to the compact and which may arise among member states
524 and between member and nonmember states.

525 (2) The Interstate Commission shall promulgate a rule providing for both mediation and
526 binding dispute resolution for disputes as appropriate.

527 (d) *Enforcement* —

528 (1) The Interstate Commission, in the reasonable exercise of its discretion, shall enforce
529 the provisions and rules of this compact.

(2) The Interstate Commission may by majority vote of the members initiate legal action in the United State District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its principal offices, to enforce compliance with the provisions of the compact, its promulgated rules and bylaws, against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(3) The remedies herein are not the exclusive remedies of the Interstate Commission. The Interstate Commission may avail itself of any other remedies available under state law or the regulation of a profession.

ARTICLE XIV. FINANCING OF THE INTERSTATE COMMISSION.

(a) The Interstate Commission shall pay, or provide for the payment of the reasonable expenses of its establishment, organization and ongoing activities.

(b) The Interstate Commission may levy on and collect an annual assessment from each member state to cover the cost of the operations and activities of the Interstate Commission and its staff which must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, which shall promulgate a rule binding upon all member states.

(c) The Interstate Commission may not incur obligations of any kind prior to securing the funds adequate to meet the same; nor may the Interstate Commission pledge the credit of any of the member states, except by and with the authority of the member state.

(d) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission are subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited annually by a

certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

ARTICLE XV. MEMBER STATES, EFFECTIVE DATE AND AMENDMENT.

(a) Any state is eligible to become a member state.

(b) This compact became effective and binding upon legislative enactment of the compact into law by ten states in July 2008. It becomes effective and binding as to any other member state upon enactment of the compact into law by that state. The Governors of nonmember states or their designees shall be invited to participate in the activities of the Interstate Commission on a nonvoting basis prior to adoption of the compact by all states.

(c) The Interstate Commission may propose amendments to the compact for enactment by the member states. An amendment does not become effective and binding upon the Interstate Commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

AND ARTICLE XVI. WITHDRAWAL DISSOLUTION.

(a) *Withdrawal* —

(1) Once effective, the compact continues in force and remains binding upon each member state. A member state may withdraw from the compact upon repealing the specific statute that enacted the compact into law.

(2) Withdrawal from the compact occurs by repeal of the enacting statute, but withdrawal does not take effect until one year after the effective date of the repealing legislation and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other member state.

(3) The withdrawing state shall immediately notify the chairperson of the Interstate Commission in writing upon the introduction of any legislation to repeal this compact in the withdrawing state. The Interstate Commission shall notify the other member states of the withdrawing state's potential to withdraw within 60 days of receiving notice.

(4) The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including obligations, the performance of which extend beyond the effective date of withdrawal.

(5) Reinstatement following withdrawal of a member state shall occur if the withdrawing state reenacts the compact or upon such later date as may be determined by the Interstate Commission.

(b) Dissolution of Compact —

(1) This compact shall dissolve effective upon the date of the withdrawal or default of any member state which reduces the membership in the compact to one member state.

(2) Upon the dissolution of this compact, the compact becomes null and void and is of no further force or effect, and the business and affairs of the Interstate Commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XVII. SEVERABILITY AND CONSTRUCTION.

(a) The provisions of this compact are severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the compact are enforceable.

(b) The provisions of this compact shall be liberally construed to effectuate its purposes.

(c) Nothing in this compact prohibits the applicability of any other interstate compact to which the states are members.

ARTICLE XVIII. BINDING EFFECT OF COMPACT AND OTHER LAWS.

(a) Other Laws —

(1) Nothing in this compact prevents the enforcement of any other law of a member state that is not inconsistent with this compact.

(2) All member states' laws conflicting with this compact are superseded to the extent of the conflict.

(b) Binding Effect of the Compact —

607 (1) All lawful actions of the Interstate Commission, including all rules and bylaws
608 promulgated by the Interstate Commission, are binding upon the member states.

609 (2) All agreements between the Interstate Commission and the member states are binding
610 in accordance with their terms.

611 (3) In the event any provision of this compact exceeds the constitutional limits imposed on
612 the Legislature of any member state, that provision is ineffective to the extent of the conflict with
613 the constitutional provision in question in that member state.

CHAPTER 30. PROFESSIONS AND OCCUPATIONS.

ARTICLE 29. LAW-ENFORCEMENT TRAINING AND CERTIFICATION.

§30-29-6. Review of certification.

1 Certification of each West Virginia law-enforcement officer shall be reviewed annually
2 following the first certification and until such time as the officer may achieve exempt rank.
3 Certification may be revoked, suspended or not renewed if any law-enforcement officer fails to
4 attend annually an in-service approved law-enforcement training program, or if a law-enforcement
5 officer achieving exempt rank fails to attend biennially an approved in-service supervisory level
6 training program. When a law-enforcement officer is a member of the United States Air Force,
7 Army, Coast Guard, Marines, Space Force, or Navy, or a member of the national guard or reserve
8 military forces of any such armed forces, and has been called to active duty, resulting in
9 separation from a law-enforcement agency for more than 12 months but less than 24 months, he
10 or she shall attend and complete the mandated in-service training for the period and rank and
11 qualify with his or her firearm within 90 days from his or her reappointment as a law-enforcement
12 officer by a law-enforcement agency.
