Be it enacted by the Legislature of West Virginia:

ARTICLE 5. COUNTY BOARD OF EDUCATION.

§18-5-1a. Eligibility of members; training requirements.

1 (a) A person who is a member of a county board:

2 (1) Shall be a citizen and resident in the county in which he or she serves on the county
3 board. A person who is a candidate for membership on a county board or who is a member-elect
4 of a county board shall be a citizen and resident in the county in which he or she seeks to serve
5 on the county board;

6 (2) May not be employed by the county board on which he or she serves, including
7 employment as a teacher or service person;

8 (3) May not engage in the following political activities:

9 (A) Become a candidate for or hold any other public office, other than to succeed himself
10 or herself as a member of a county board subject to the following:

11 (i) A candidate for a county board, who is not currently serving on a county board, may
12 hold another public office while a candidate if he or she resigns from the other public office prior
13 to taking the oath of office as a county board member.

14 (ii) The term "public office" as used in this section does not include service on any other
15 board, elected or appointed, profit or nonprofit, under the following conditions:

16 (I) The person does not receive compensation; and

17 (II) The primary scope of the board is not related to public schools.

18 (B) Become a candidate for, or serve as, an elected member of any political party
19 executive committee;

20 (C) Become a candidate for, or serve as, a delegate, alternate or proxy to a national
21 political party convention;

22 (D) Solicit or receive political contributions to support the election of, or to retire the
23 campaign debt of, any candidate for partisan office;

24 (4) May engage in any or all of the following political activities:

25 (A) Make campaign contributions to partisan or bipartisan candidates;

26 (B) Attend political fundraisers for partisan or bipartisan candidates;

27 (C) Serve as an unpaid volunteer on a partisan campaign;

(D) Politically endorse any candidate in a partisan or bipartisan election; or

(E) Attend a county, state, or national political party convention.

(b) A member or member-elect of a county board, or a person desiring to become a member of a county board, may make a written request to the West Virginia Ethics Commission for an advisory opinion to determine if another elected or appointed position held or sought by the person is an office or public office which would bar service on a county board pursuant to subsection (a) of this section.

(1) Within 30 days of receipt of the request, the Ethics Commission shall issue a written advisory opinion in response to the request and publish the opinion in a manner which, to the fullest extent possible, does not reveal the identity of the person making the request.

(2) A county board member who relies in good faith upon an advisory opinion issued by the West Virginia Ethics Commission to the effect that holding a particular office or public office is not a bar from membership on a county board and against whom proceedings are subsequently brought for removal from the county board on the basis of holding that office or offices, is entitled to reimbursement by the county board for reasonable attorney's fees and court costs incurred by the member in defending against these proceedings, regardless of the outcome of the proceedings.

(3) A vote cast by the member at a meeting of the county board may not be invalidated due to a subsequent finding that holding the particular office or public office is a bar to membership on the county board.

(4) Good faith reliance on a written advisory opinion of the West Virginia Ethics Commission that a particular office or public office is not a bar to membership on a county board is an absolute defense to any civil suit or criminal prosecution arising from any proper action taken within the scope of membership on the county board, becoming a member-elect of the county board or seeking election to the county board.

(c) To be eligible for election or appointment as a member of a county board, a person shall possess at least a high school diploma or a general educational development (GED) diploma. This provision does not apply to members or members-elect who have taken office prior to May 5, 1992, and who serve continuously from that date forward.

(d) A person elected to a county board after July 1, 2024, may not assume the duties of county board member unless he or she has first attended and completed an orientation training relating to boardsmanship governance effectiveness, and fiscal management, which shall be provided between the date of election and the beginning of the member's term of office under the following conditions:

(1) A portion or portions of subsequent training such as that offered in the orientation training may be provided to members after they have commenced their term of office;

(2) Attendance in the orientation training provided between the date of election and the beginning of the member's term of office permits the member-elect to assume the duties of county board member, as specified in this section: *Provided*, That any county board member who is unable to attend the initial orientation training for good cause, is required to complete a make-up orientation training within 30 days of being sworn in as a county board member;

(3) Members appointed to the county board shall attend and complete an orientation training within 30 days of being appointed; and

(4) The provisions of this subsection relating to orientation training do not apply to members who have taken office prior to July 1, 2025, and who serve continuously from that date forward.

(e) Annually, effective July 1, 2025, each member of a county board shall receive twelve hours of training in areas relating to boardsmanship, governance effectiveness, fiscal management, and school performance issues including, but not limited to, pertinent state and federal statutes such as the "Process for Improving Education" set forth in §18-2E-5 of this code and the Every Student Succeeds Act (ESSA), the Individuals with Disabilities Education and

Improvement Act of 2004 (IDEA), and their respective administrative rules: *Provided*, That the state board may require any county board member to attend additional training if they believe that the training would be beneficial in assisting the member in successfully fulfilling his or her duties on the county board as requested by the State Superintendent.

(1) All training required in this section shall be approved by the state board and conducted by the West Virginia School Board Association or other organization or organizations approved by the state board:

(A) The state board may exclude time spent in training on school performance issues from the requisite twelve-hour requirement; and

(B) If the state board elects to exclude time spent in training on school performance issues from the requisite twelve hours, the state board shall limit the training to a feasible and practicable amount of time.

(2) Failure to attend and complete the orientation training, annual training, or training required by the state board, without good cause, as determined by the state board by duly promulgated legislative rules, constitutes neglect of duty under §6-6-7 of this code.

(f) In the final year of any four-year term of office, a member shall satisfy the annual training requirement unless the county board member is not seeking reelection. Failure to comply with the training requirements of this section without good cause, as defined by the state board by duly promulgated legislative rules, constitutes neglect of duty under §6-6-7 of this code.

(g) The state board shall appoint a committee named the "County Board Member Training Standards Review Committee" whose members shall include the chair of the Senate Committee on Education and the chair of the House Committee on Education, or their respective designees, which shall serve as non-voting ex officio members. The County Board Member Training Standards Review Committee shall, at a minimum, meet annually. Subject to state board approval, the committee shall determine which trainings and training organizations shall be approved, and whether county board members have satisfied the annual training requirement.

Members of the committee serve without compensation but may be reimbursed by their agencies or employers for all reasonable and necessary expenses actually incurred in the performance of their duties under this subsection.

(h) On or before January 1, 2026, and annually on or before January 1 thereafter, the State Superintendent shall report to the Legislative Oversight Commission on Education Accountability on the activities of the County Board Member Training Standards Review Committee, the types of training provided to county board members, the level of training participation by county board members, and the number of board meetings held.

(i) Notwithstanding the provisions of §6-5-5 of this code, no person who has been convicted of an offense under the provisions of §61-8A-1 *et seq.*, §61-8B-1 *et seq.*, §61-8C-1 *et seq.*, and §61-8D-1 *et seq.* of this code in which the victim is a minor may hold office as a member of a county board.

§18-5-4. Meetings; employment and assignment of teachers; budget hearing; compensation of members; affiliation with state and national associations.

(a) The county board shall meet on the dates provided by law, and at any other times the county board deems necessary. Subject to adequate public notice, nothing in this section prohibits the county board from conducting regular meetings in facilities within the county other than the county board office. At any meeting authorized in this section and held in compliance with the provisions of §18A-1-1 *et seq.* of this code, the county board may employ qualified teachers, or those who will qualify by the time they assume their duties, necessary to fill existing or anticipated vacancies for the current or next ensuing school year. Meetings of the county board shall be held in compliance with the provisions of §18A-1-1 *et seq.* of this code for purposes relating to the assignment, transfer, termination and dismissal of teachers and other school employees.

(b) Special meetings may be called by the president or any three members, but no business may be transacted other than that designated in the call.

12 (c) In addition, a public hearing shall be held concerning the preliminary operating budget
13 for the next fiscal year not fewer than ten days after the budget has been made available to the
14 public for inspection and within a reasonable time prior to the submission of the budget to the
15 state board for approval. Reasonable time shall be granted at the hearing to any person who
16 wishes to speak regarding any part of the budget. Notice of the hearing shall be published as a
17 Class I legal advertisement in compliance with the provisions of §59-3-1 *et. seq.* of this code.

18 (d) A majority of the members of the county board constitutes the quorum necessary for
19 the transaction of official business.

20 (e) Board members shall receive compensation at the rate of \$260 per meeting attended,
21 unless the Board votes to approve a lower rate, but they may not receive pay for more than 40
22 meetings in any one fiscal year. Board members who serve on an administrative council of a
23 multicounty vocational center also may receive compensation for attending up to twelve meetings
24 of the council at the same rate as for meetings of the county board: *Provided*, That council
25 meetings are not counted as board meetings for purposes of determining the limit on
26 compensable board meetings: *Provided, however*, That a county board member who is in default
27 of a training requirement established in §18-5-1a of this code shall not, until after the default is
28 cured, receive compensation for any meeting held during the period of default. For purposes of
29 compensation, a member in default of a training requirement may cure the default by completing
30 the unfulfilled training requirements within three months of the default. Upon curing the default,
31 the member shall receive compensation, without interest, for the meetings held during the period
32 of default: *Provided, further*, That up to five paid meetings may be provided when planning for
33 activities such as running an election for excess levy, construction bond hearings, school closure
34 hearings, personnel hearings, student expulsion hearings, and in the case of a disaster: *And*
35 *provided further*, That members shall be paid for up to two trainings.

36 (f) Members also shall be paid, upon the presentation of receipts, for all necessary
37 traveling expenses, including all authorized meetings, incurred on official business, at the order

38 of the county board: *Provided*, That the presentation of receipts is not required for payment for
39 mileage.

40 (g) When, by a majority vote of its members, a county board considers it a matter of public
41 interest, the county board shall join the West Virginia School Board Association and may join the
42 National School Board Association and shall pay the dues prescribed by the associations and
43 approved by action of the respective county boards. Membership dues and actual traveling
44 expenses incurred by board members for attending meetings of the West Virginia School Board
45 Association shall be paid by their respective county boards out of funds available to meet actual
46 expenses of the members, but no allowance may be made except upon presentation of receipts.
