10 complete and file the return required by the Tax Commissioner.

11 (3) The Tax Commissioner may promulgate rules pursuant to §29A-3-1 *et seq.* of this code
12 and otherwise use any combination of notices, forms and instructions he or she determines
13 necessary to implement the use of the form required by subsection (c) of this section.

14 (c) *Tax return.* — The taxpayer shall, on or before the twentieth day of each month, make
15 out and mail to the Tax Commissioner a return for the preceding month, in the form prescribed by
16 the Tax Commissioner, showing:

(f) *Return to be signed.* — A return shall be signed by the taxpayer or the taxpayer's duly authorized agent, when a paper return is prepared and filed. When the return is filed electronically, the return shall include the digital mark or digital signature, as defined in §39A-3-1 *et seq.* of this code, or the personal identification number of the taxpayer, or the taxpayer's duly authorized agent, made in accordance with any procedural rule that may be promulgated by the Tax Commissioner.

(3) For a business which has not been in existence for a full calendar year, the total tax due from the business during the prior calendar year shall be divided by the number of months, including fractions of a month, that it was in business during the prior calendar year; and if that amount exceeds \$100,000, the tax attributable to the first 15 days of June each year shall be remitted by June 20 as provided in subdivision (2) of this subsection.

1 (a) *General.* — Every employer required to deduct and withhold tax under this article shall
2 file a withholding return as prescribed by the Tax Commissioner and pay over to the Tax

Commissioner the taxes required to be deducted and withheld. The due dates for returns and payments shall be established by the Tax Commissioner to match as closely as practicable the due dates in effect for federal income tax purposes, in accordance with the procedures established by the Internal Revenue Service pursuant to Section 3402 of the Internal Revenue Code except as otherwise provided in this section: *Provided*, That not later than January 31, 2019, and January 31 of each year thereafter, employers and payers shall submit to the Tax Commissioner the annual reconciliation of West Virginia income tax withheld, together with state copies of all withholding tax statements reflecting West Virginia tax withholding, including, but not limited to, forms W-2, W-2G, and 1099, furnished to each employee or payee for the preceding calendar year, notwithstanding the fact that the employer or payer may have a calendar tax year ending on December 31 or a fiscal tax year ending on a date other than December 31. (c) *Deposit in trust for Tax Commissioner.* — Whenever any employer fails to collect, truthfully account for, or pay over the tax, or to make returns of the tax as required in this section, the Tax Commissioner may serve a notice requiring the employer to collect the taxes which become collectible after service of the notice, to deposit the taxes in a bank approved by the Tax Commissioner, in a separate account, in trust for and payable to the Tax Commissioner and to keep the amount of the tax in the separate account until payment over to the Tax Commissioner. The notice remains in effect until a notice of cancellation is served by the Tax Commissioner.

(d) *Accelerated payment.* —

(1) Every employer required to deduct and withhold tax whose average payment per calendar month for the preceding calendar year under §11-21-74(a) of this code exceeded \$100,000 shall remit the tax attributable to the first 15 days of June each year by June 23.

(2) For purposes of complying with §11-21-74(d)(1) of this code, the employer shall remit an amount equal to the withholding tax due under this article on employee compensation subject to withholding tax payable or paid to employees for the first 15 days of June or, at the employer's election, the employer may remit an amount equal to 50 percent of the employer's liability for withholding tax under this article on compensation payable or paid to employees for the preceding month of May.

(3) For an employer which has not been in business for a full calendar year, the total amount the employer was required to deduct and withhold under §11-21-74(a) of this code for the prior calendar year shall be divided by the number of months, including fractions of a month, that it was in business during the prior calendar year and if that amount exceeds \$100,000, the employer shall remit the tax attributable to the first 15 days of June each year by June 23, as provided in §11-21-74(d)(2) of this code.

55 (4) When an employer required to make an advanced payment of withholding tax under
56 §11-21-74(d)(1) of this code makes out its return for the month of June, which is due by July 20,
57 that employer may claim as a credit against its liability under this article for tax on employee
58 compensation paid or payable for employee services rendered during the month of June the
59 amount of the advanced payment of tax made under §11-21-74(d)(1) of this code.

60 (e) Effective upon passage, the provisions of §11-21-74(d) of this code shall no longer
61 have any force or effect.

62 (f) An annual reconciliation of West Virginia personal income tax withheld shall be
63 submitted by the employer by January 31, following the close of the calendar year, together with
64 Tax Division copies of all withholding tax statements for that preceding calendar year. The
65 reconciliation shall be accompanied by a list of the amounts of income withheld for each employee
66 in such form as the Tax Commissioner prescribes and shall be filed separately from the
67 employer's monthly or quarterly return.

8 (g) Any employer required to file a withholding return for 50 or more employees shall file
69 its return using electronic filing as defined in §11-21-54 of this code: *Provided*, That for any tax
70 period beginning after December 31, 2017, any employer that uses a payroll service or is required
71 to file a withholding return for 25 or more employees shall file its return using electronic filing as
72 defined in §11-21-54 of this code. An employer that is required to file electronically but does not
73 do so is subject to a penalty in the amount of \$25 per employee for whom the return was not filed
74 electronically, unless the employer shows that the failure is due to a technical inability to comply.
