2 West Virginia, 1931, as amended, relating to the racetrack video lottery changes in
3 distribution of net terminal income; changes in distribution of adjusted gross receipts in the
4 lottery racetrack table games; and restoring moneys previously removed from net terminal
5 income in 2014.

Be it enacted by the Legislature of West Virginia:

ARTICLE 22A. RACETRACK VIDEO LOTTERY.

§29-22A-10d. Changes in distribution of net terminal income; distributions from excess lottery fund.

1 (a) Notwithstanding any provision of §29-22A-10(b) of this code to the contrary, for the
2 fiscal year beginning July 1, 2014, and each fiscal year thereafter, the commission may transfer
3 up to \$9 million as actual costs and expenses to the Licensed Racetrack Modernization Fund.

4 (b) Notwithstanding any provision of §29-22A-10(c) of this code to the contrary, for the
5 fiscal year beginning July 1, 2014, and each fiscal year thereafter, each distribution, except those
6 distributions to be made pursuant to §29-22A-10(c) (1), (2), (3), (4), (5) and (7) of this code, shall
7 be reduced by 100 percent. Payments may not be made pursuant to §29-22A-10 of this code,
8 other than those excepted by this subsection, and are made in lieu thereof in an amount to be
9 determined by appropriation from the State Excess Lottery Revenue Fund.

10 (c) The total amount of reductions resulting from subsection (b) of this section shall be
11 paid into the State Excess Lottery Revenue Fund, created by §29-22-18a of this code.

12 (d) Notwithstanding any other provision of this code to the contrary, for the fiscal year
13 beginning July 1, 2014, and each fiscal year thereafter, moneys deposited to the State Excess
14 Lottery Revenue Fund pursuant to this section shall be expended by the Lottery in accordance
15 with appropriations.

16 (e) Prior to payment of any appropriation made pursuant to this section, debt service
17 payments payable from the State Excess Lottery Fund shall first be paid in accordance with the

18 provisions of §29-22A-18a, §29-22A-18d, and §29-22A-18e of this code and in the priority as
19 defined by §29-22A-18f(c) of this code.

20 (f) Notwithstanding any other provision of this code to the contrary, after payment of debt
21 service from the State Excess Lottery Revenue Fund, all other distributions required by §29-22A-
22 18a of this code and the distributions appropriated pursuant to this section shall be paid on a pro
23 rata basis.

24 (g)(1) Except as provided in subdivision (2) of this subsection, notwithstanding the
25 provisions of §29-22A-10(c)(9)(B) of this code, upon certification of the Governor to the
26 Legislature that an independent actuary has determined that the unfunded liability of the Old
27 Fund, as defined in chapter 23 of this code, has been paid or provided for in its entirety, the
28 transfers made to the Workers' Compensation Debt Reduction Fund pursuant to §29-22A-
29 10(c)(9)(A) of this code shall expire and those funds shall remain in the State Excess Lottery
30 Revenue Fund subject to appropriation.

1 (2)(A) Notwithstanding any provision of §29-22A-10(c)(9)(B) of this code or any other
32 provision of this code to the contrary, if the budget shortfall, as determined by the state Budget
33 Office as of December 1, 2015, is greater than \$100 million, then the Governor may, by Executive
34 Order, redirect deposits of revenues derived from net terminal income imposed under this article,
35 for any period commencing after February 29, 2016 and ending before July 1, 2016, to the
36 General Revenue Fund, instead of to the funds otherwise mandated in this article, in §23-2D-1 *et*
37 *seq.* of this code, or in any other provision of this code.

38 (B) Notwithstanding any provision of subdivision (1) of this subsection or any provision of

42 before July 1, 2017, to the General Revenue Fund, instead of to the funds otherwise mandated
43 in this article, in §23-2D-1 *et seq.* of this code, or in any other provision of this code, until
