CHAPTER 9. HUMAN SERVICES.

ARTICLE 5. MISCELLANEOUS PROVISIONS.

§9-5-34. Food is Medicine services under the Medicaid Program.

(a) The Legislature finds that nutrition-related chronic diseases are prevalent among Medicaid members in West Virginia and contribute to poor health outcomes and increased health care costs. The purpose of this section is to authorize the use of nutrition-based interventions, known as Food Is Medicine services, as a cost-effective strategy to improve health outcomes and reduce avoidable medical utilization.

(b) In accordance with the Rural Health Transformation Program, the Department of Human Services, through the Bureau for Medical Services, shall permit and encourage Medicaid managed care organizations to offer Food is Medicine services within the state Medicaid program.

(c) Food is Medicine services offered pursuant to this section shall be designed to improve health outcomes for Medicaid members with nutrition related chronic diseases through nutrition supports and related services that reduce the need for higher cost medical care.

(d) Food is medicine services include, but are not limited to:

- (1) Nutrition-related case management;
- (2) Nutrition counseling provided by qualified professionals;
- (3) Medically tailored meals;
- (4) Produce prescriptions; and
- (5) Grocery provisions intended to support medically appropriate diets.

(e) Where feasible and consistent with Medicaid requirements, the Bureau for Medical Services shall encourage managed care organizations and their contracted entities to partner with community-based organizations and to prioritize the use of food grown or produced by local farmers and food producers in West Virginia.

(f) The Bureau for Medical Services shall provide guidance to managed care organizations regarding the implementation of Food Is Medicine services under this section and may establish standards, reporting expectations, and quality measures to ensure program integrity and effectiveness.

CHAPTER 16 PUBLIC HEALTH

ARTICLE 67. MAKE WEST VIRGINIA HEALTHY ACT OF 2026.

§16-67-1. Short title.

This article shall be known and may be cited as the "Make West Virginia Healthy Act of 2026".

§16-67-2. Findings and purpose.

(a) The Legislature finds that chronic diet-/lifestyle-related diseases (including obesity, type 2 diabetes, hypertension) impose substantial health and fiscal burdens on the State.

(b) The Legislature finds that ensuring program integrity in state health and nutrition assistance programs, promoting nutritious food access, increasing consumer transparency, and encouraging physical fitness are essential to improving the health of West Virginians.

(c) The purpose of this article is to create, as an integral part of the Department of Health, an entity to coordinate the efforts of all agencies to prevent and remedy chronic diseases and to ensure that all citizens are being educated on this serious health risks that are affecting the state.

§16-67-3. Definitions.

In this article, unless the context otherwise requires:

"BMS" means the West Virginia Bureau for Medical Services.

"Department" means the West Virginia Department of Health, or successor.

"Eligible nutritious food" means food items that meet criteria established by the Department under rule for high-nutritional value, no or low added sugar, minimal artificial dyes/additives, and meeting standards consistent with USDA guidance.

7 "Food deserts" means areas with limited access to affordable and nutritious food.

8 "Pilot program" means a time-limited, state-approved demonstration initiative under this
9 article.

10 "SNAP" means the Supplemental Nutrition Assistance Program under the federal Food
11 and Nutrition Act of 2008 (7 U.S.C. §2011 *et seq.*) and the State's implementing rules.

§16-67-4. Creation of the Office of Healthy Lifestyles.

1 There is continued the Office of Healthy Lifestyles within the Department of Health. The
2 management of this office shall be provided in the manner determined by the Secretary of the
3 Department of Health to be in the best interest of the state and its citizens.

§16-67-5. Powers and duties of the office.

1 The Office of Healthy Lifestyles shall:

2 (1) Establish a Healthy Lifestyle Coalition to assure consistency of the public health and
3 private sector approach to dealing with programs that affect health and wellness; to provide a
4 forum for discussing the issues that affect healthy lifestyles and to identify best practices that can
5 be replicated. By July 1, 2026, the Secretary shall appoint 13 members of the Coalition whose
6 terms shall be for a period of four years, and the members may be reappointed to a second term.
7 The terms may be staggered to assure continuity of experience on the coalition. Members shall
8 represent state agencies, community organizations and other entities which have an interest and
9 expertise in healthy lifestyles. Members may not be compensated but shall receive
10 reimbursement for expenses incurred while performing the business of the coalition. The Coalition
11 shall meet monthly;

12 (2) Establish a clinical advisory committee to assure a unified approach using the latest
13 research to assure consistency in program development;

14 (3) Establish a statewide voluntary private sector partnership and recognition program for
15 employers, merchants, restaurants and other private sector businesses to encourage the
16 development or further advance current programs that encourage healthy lifestyles;

17 (4) Coordinate higher education training programs for dietary and exercise physiology
18 students with rural health care providers;

19 (5) Coordinate existing health promotion initiatives to assure clear, concise and consistent
20 communication;

21 (6) Solicit, accept and expend grants, gifts, bequests, donations and other funds from any
22 source for programs that will enable the state to accomplish the goals of this program;

23 (7) Develop a cross-agency series of goals to ensure consistency throughout the system
24 of providers and agencies working in the area of improving lifestyles;

25 (8) Consider the resources of the local health departments and recommend ongoing
26 relationships, as appropriate, between local health departments, family resource networks, faith-
27 based organizations, cooperative extension services, farm bureaus and other health care
28 providers;

29 (9) Encourage the development of incentives for participation in employee wellness
30 programs. Incentives may be based upon, but should not be limited to, the employee's completion
31 of health questionnaires or participating in healthy lifestyles initiatives, and may use experiences
32 of successful initiatives that have occurred in this state. The action plan should include among its
33 targets, state government employees in this incentive program;

34 (10) Build upon existing initiatives that focus on any of the coalition's goals, soliciting input
35 from these initiatives and eliminating duplication of efforts; and

36 (11) Report its progress annually by December 1st to the Legislative Oversight
37 Commission on Health and Human Resource Accountability; including:

38 (A) The initiatives and outcomes of efforts coordinated with the Department of Education;

- 39 (B) The initiatives and outcomes of efforts coordinated with the Department of Agriculture;
40 (C) The initiatives and outcomes of efforts coordinated with BMS; and
41 (D) The initiatives and outcomes of efforts coordinated with SNAP.

§16-67-6. Creation of a Healthy Lifestyles Fund.

1 There is continued in the State Treasury a separate special revenue account, which shall
2 be an interest bearing account, to be known as the "Healthy Lifestyles Fund". The special revenue
3 account shall consist of all appropriations made by the Legislature, income from the investment
4 of moneys held in the special revenue account and all other sums available for deposit to the
5 special revenue account from any source, public or private. No expenditures for purposes of this
6 section are authorized from collections except in accordance with the provisions of §12-3-1 *et*
7 *seq.* of this code and upon fulfillment of the provisions set forth in §11B-2-1 *et seq.* of this code.
8 Any balance remaining in the special revenue account at the end of any state fiscal year does not
9 revert to the General Revenue Fund but remains in the special revenue account and shall be
10 used solely in a manner consistent with this article. No expenses incurred under this section shall
11 be a charge against the General Funds of the state.

§16-67-7. Coordination with the West Virginia Department of Education.

- 1 (a) The Office of Healthy Lifestyles shall work with the Department of Education to help
2 develop and implement plans focused on improving the physical fitness of students in West
3 Virginia pursuant to §18-2-7a of this code.
- 4 (b) The Office of Healthy Lifestyles shall work with the Department of Education to help
5 develop and implement plans focused on improving the nutrition of students in West Virginia
6 pursuant to §18-5D-3 of this code.
- 7 (c) The Office of Healthy Lifestyles shall work with the Department of Education and the
8 Department of Agriculture to implement and fund a sustainable Farm-to-School program.
- 9 (d) The Department of Education shall provide the Office of Healthy Lifestyles the results
10 of the programs listed in this section, including:

- 11 (1) For the physical activity initiatives.
- 12 (A) Physical activity participation;
- 13 (B) Aerobic capacity;
- 14 (C) Strength;
- 15 (D) Flexibility; and
- 16 (E) All metrics to be reported will be anonymous and are not to include any identifying
- 17 information about students.
- 18 (2) For the nutrition initiatives:
- 19 (A) Whether the school meal options provided to students comply with the United States
- 20 Department of Agriculture's School Nutrition Standards; and
- 21 (B) The amount of fresh fruit and vegetables, to be recorded separately, made available
- 22 to students.

§16-67-8. Coordination with the West Virginia Department of Agriculture.

- 1 (a) The Office for Healthy Lifestyles shall coordinate with the West Virginia Department of
- 2 Agriculture to complete a study on the health impact of food additives and dyes.
- 3 (b) The Office of Healthy Lifestyles shall coordinate with the West Virginia Department of
- 4 Agriculture to create a state-wide map of "food desert" zones and create a plan to improve access
- 5 to fresh-local food.
- 6 (c) The Office of Healthy Lifestyles shall coordinate with the West Virginia Department of
- 7 Agriculture and the West Virginia Department of Education to implement and fund a sustainable
- 8 Farm-to-School program.
- 9 (d) The Office for Healthy Lifestyles shall coordinate with the West Virginia Department of
- 10 Agriculture to identify vendors to locally source, grow, and supply fresh healthy foods.
- 11 (e) The outcome of all programs in this section will be provided to the Office of Health
- 12 Lifestyles to include in the annual report required by §16-67-5 of this code.

§16-67-9. Coordination with Medicaid.

1 (a) The Legislature requests the Office for Healthy Lifestyles coordinate with Bureau of
2 Medical Services to develop a demonstration waiver for Section 1115 of the Social Security Act
3 to be given to the Secretary of the United States Health and Human Services exhibiting the impact
4 of the Food Is Medicine program, as provide for in §9-5-34 of this code.

5 (b) A copy of the demonstration shall be provided to the Legislative Oversight Committee
6 on Health and Human Resources Accountability upon submission.

7 (c) Upon approval of demonstration the implementation and outcomes of the Section 1115
8 waiver programs shall be included in the Office for Healthy Lifestyles annual report.

§16-67-10. The Office of Healthy Lifestyles County Grant Program.

1 (a) The Office of Healthy Lifestyles shall develop a county grant program to help further
2 the goals of this office in promoting healthy lifestyles for West Virginia residents. The grant
3 program shall prioritize applications by schools to increase the participation in Farm-to-School
4 initiative.

5 (b) The Office of Healthy Lifestyles shall develop and publish publicly the criteria for
6 eligibility,

7 (c) The Office of Healthy Lifestyles shall include in its annual report required by §16-67-5
8 of this code, the grant awardees, the proposed plans by the recipients, and the following year how
9 the grant awardees utilized the funds awarded.

CHAPTER 18. EDUCATION.

ARTICLE 2. STATE BOARD OF EDUCATION.

§18-2-7a. Legislative findings; required physical education; program in physical fitness.

1 (a) The Legislature finds that obesity is a problem of epidemic proportions in this state.
2 There is increasing evidence that all segments of the population, beginning with children, are
3 becoming more sedentary, more overweight and more likely to develop health risks and diseases

4 including Type II Diabetes, high blood cholesterol and high blood pressure. The Legislature further
5 finds that the promotion of physical activity during the school day for school children is a crucial
6 step in combating this growing epidemic and in changing the attitudes and behavior of the
7 residents of this state toward health promoting physical activity.

8 (b) As a result of these findings, the State Department of Education shall establish the
9 requirement that each child enrolled in the public schools of this state actively participates in
10 physical education classes during the school year to the level of his or her ability as follows:

11 (1) *Elementary school grades.* — Not less than 30 minutes of physical education, including
12 physical exercise and age-appropriate physical activities, for not less than three days a week.

13 (2) *Middle school grades.* — Not less than one full period of physical education, including
14 physical exercise and age-appropriate physical activities, each school day of one semester of the
15 school year.

16 (3) *High school grades.* — Not less than one full course credit of physical education,
17 including physical exercise and age-appropriate physical activities, which shall be required for
18 graduation and the opportunity to enroll in an elective lifetime physical education course.

19 (c) In providing a physical education curriculum, a school employee may not restrict
20 participation in:

21 (1) Recess or other physical activity offered as part of the school's physical education
22 curriculum for a student enrolled in kindergarten or in a grade level below grade six as a penalty
23 for the student's academic performance or behavior; or

24 (2) Physical activity offered as part of the school's physical education curriculum for a
25 student enrolled in grade level six, seven, or eight as a penalty for the student's academic
26 performance or behavior.

27 (d) The Office of Healthy Lifestyles shall coordinate with the West Virginia Department of
28 Education, to help develop and implement initiatives to improve the physical fitness of students in
29 West Virginia under §16-67-5 and §16-67-7 of this code.

30 (1) Research viability of programs such as:

31 (A) Develop a plan utilizing existing facilities, if available, to implement a mile trail
32 surrounding the high schools or school grounds that would be open for the communities use to
33 encourage participation in this fitness initiative.

34 (B) Implementing a school fitness month; that provides learning opportunities to students
35 on maintaining their physical health.

36 (2) Providing the outcomes of all programs developed under this section to the Office of
37 Healthy Lifestyles to include in the annual report to the Legislative Oversight Committee on Health
38 and Human Resources Accountability under §16-67-5 of this code.

39 (e) Enrollment in physical education classes and activities required by the provisions of
40 this section shall not exceed, and shall be consistent with, state guidelines for enrollment in all
41 other subjects and classes: *Provided*, That schools which do not currently have the number of
42 certified physical education teachers, do not currently have the required physical setting or would
43 have to significantly alter academic offerings to meet the physical education requirements may
44 develop alternate programs that will enable current staff, physical settings and offerings to be
45 used to meet the physical education requirements established herein. These alternate programs
46 shall be submitted to the state Department of Education and the Healthy Lifestyle Council for
47 approval. Those schools needing to develop alternate programs shall not be required to
48 implement this program until the school year commencing two thousand six.

49 (f) The state board shall prescribe a program within the existing health and physical
50 education program which incorporates fitness testing, reporting, recognition, fitness events and
51 incentive programs which requires the participation in grades four through eight and the required
52 high school course. The state board shall adopt the Presidential Fitness Test as part of this
53 program and ensure it is administered and operated in accordance with the guidance of the
54 President's Council on Sports, Fitness, and Nutrition. For any areas of testing and preparation
55 not addressed by the Presidential Fitness Test and the President's Council on Sports, Fitness,

56 and Nutrition, those areas of the program shall be selected from nationally accepted fitness
57 testing programs designed for school-aged children that test cardiovascular fitness, muscular
58 strength and endurance, flexibility and body composition. The program shall include modified
59 tests for exceptional students. Each school in the state shall participate in National Physical
60 Fitness and Sports Month in May of each year and shall make every effort to involve the
61 community it serves in the related events.

62 (g) The state board shall promulgate a rule in accordance with the provisions article three-
63 b, chapter twenty-nine-a of this code that includes at least the following provisions to provide for
64 the collection, reporting and use of body mass index data in the public schools:

65 (1) The data shall be collected using the appropriate methodology for assessing the body
66 mass index from student height and weight data;

67 (2) The data shall be collected on a scientifically drawn sample of students;

68 (3) The data shall be collected and reported in a manner that protects student
69 confidentiality;

70 (4) The data shall be reported to the Department of Education; and

71 (5) All body mass index data shall be reported in aggregate to the Governor, the West
72 Virginia Board of Education, the Office for Healthy Lifestyles, and the Legislative Oversight
73 Commission on Health and Human Resources Accountability for use as an indicator of progress
74 toward promoting healthy lifestyles among school-aged children.

ARTICLE 5D. FEED TO ACHIEVE ACT.

§18-5D-4. Creating public-private partnerships; creating nonprofit foundation or fund; audit.

1 (a) The Department of Education and each county board of education shall promptly
2 establish a fund that is restricted solely for the receipt and expenditure of gifts, grants and
3 bequests for the purposes of this article and may establish in lieu thereof a nonprofit foundation
4 for this purpose. The purpose of the fund or nonprofit foundation is to provide supplemental or

5 matching funds to increase participation in the nutrition programs in the Feed to Achieve initiative
6 set forth in subsection (c) of this section. The Department of Education shall utilize its fund or
7 nonprofit foundation to assist county boards of education in counties whose fund or foundation
8 lacks sufficient business, industry and individual contributors to fund the Feed to Achieve nutrition
9 programs.

10 (b) Financial support for the fund or foundation may come from either public or private
11 gifts, grants, contributions, bequests and endowments.

12 (c) Expenditures from the state or county funds or by the foundations shall be used for
13 provision of food to students through any of the programs or initiatives approved by the Office of
14 Child Nutrition, including the following programs: School Breakfast Program, National School
15 Lunch Program, the Summer Food Service Program, the Fresh Fruit and Vegetable Program, the
16 Child and Adult Care Food Program, the farm-to-school initiative and community gardens.
17 Expenditures may also be made for initiatives developed with the Department of Human Services
18 and public-private partnerships to provide outreach and nutritional meals when students are not
19 in school.

20 (d) No administrative expenses or personnel expenses for any of the state departments
21 implementing this act, the State Board of Education, any county board of education, school or
22 program may be paid from the funds or by the foundations.

23 (e) Individuals or businesses that contribute to the funds or foundations may specify
24 schools or nutrition programs for which the contribution is to be used.

25 (f) The Department of Education and county boards of education may establish public-
26 private partnerships to enhance current or advance additional nutrition programs that provide
27 nutritious food for children to take home for weekend meals.

28 (g) The West Virginia Board of Education will work with the Office of Healthy Lifestyles
29 and the West Virginia Department of Agriculture to implement and fund a sustainable "Farm-to-

School" program. The outcomes of this program will be included in the annual report provided by the Office of Healthy Lifestyles required by §16-67-5 of this code.

(h) The Department of Education shall collaborate with the Department of Human Services to develop effective strategies and programs such as after school nutrition outreach and programs that improve the healthy lifestyle of all students in pre-kindergarten through twelfth grade. The Department of Human Services may propose rules for promulgation in accordance with the provisions of article three, chapter twenty-nine-a of this code to effectuate any programs so developed.

(i) All moneys contributed to a fund or foundation established pursuant to this section and all expenditures made therefrom shall be audited as part of the annual independent audit of the State Board of Education and the county boards of education.
