*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 18. WEST VIRGINIA DIVISION OF NATURAL RESOURCES POLICE  
OFFICER RETIREMENT SYSTEM.**

4 member's final average salary multiplied by the member's years of credited service: *Provided,*  
5 That members who retire after July 1, 2025, shall have an accrued benefit of two and one-half

7 *Provided, however,* That members who retire after July 1, 2029, shall have an accrued benefit of  
8 two and three-fourths percent of the member's final average salary multiplied by the member's

20 (e) "Actuarial equivalent" means a benefit of equal value computed upon the basis of the

23 federal maximum benefit requirements of §415 of the Internal Revenue Code, "actuarial

(k) "Bona fide separation from service upon retirement" means that a retirant has completely terminated any employment relationship with the Division of Natural Resources for a period of at least 60 consecutive days from the effective date of retirement and without a prearranged agreement to return to employment with the division. For purposes of this definition, an employment relationship includes employment in any capacity, whether on a permanent, full-time, part-time, substitute, per diem, temporary or leased employee basis.

(l) "Covered employment" means either: (1) Employment as a Natural Resources Police Officer and the active performance of the duties required of a Natural Resources Police Officer; (2) the period of time which active duties are not performed but disability benefits are received under §20-18-21 or §20-18-22 of this code; or (3) concurrent employment by a Natural Resources Police Officer in a job or jobs in addition to his or her employment as a Natural Resources Police Officer where the secondary employment requires the Natural Resources Police Officer to be a member of another retirement system which is administered by the Consolidated Public Retirement Board pursuant to §5-10D-1 *et seq.* of this code: *Provided*, That the Natural Resources Police Officer contributes to the fund created in §20-18-7 of this code the amount specified as the Natural Resource Police Officer's contribution in §20-18-8 of this code.

94 period the member received disability benefits under §20-18-21 or §20-18-22 of this code then  
95 "final average salary" means the average of the monthly salary determined paid to the member  
96 during that period determined as if the disability first commenced after the effective date of this  
97 article with monthly compensation equal to that average monthly compensation which the  
98 member was receiving in the plan year prior to the initial disability multiplied by 12.

104 vacation, holiday, illness, incapacity including disability, layoff, jury duty, military duty, leave of  
105 absence, or any combination thereof, and without regard to whether the employment relationship  
106 has terminated. Hours under this paragraph shall be calculated and credited pursuant to West  
107 Virginia Division of Labor rules. A member will not be credited with any hours of service for any  
108 period of time he or she is receiving benefits under §20-18-21 or §20-18-22 of this code; and

113 agreement pertains rather than the plan year in which the award, agreement, or payment is made.

114 (x) "Medical examination" means an in-person or virtual examination of a member's  
115 physical or mental health, or both, by a physician or physicians selected or approved by the board;

(cc) "Normal retirement age" means the first to occur of the following: (1) Attainment of age 55 years and the completion of 15 or more years of service; (2) while still in covered employment, attainment of at least age 55 years, and when the sum of current age plus years of service equals or exceeds 70 years; or (3) attainment of at least age 62 years, and completion of

A member may be determined partially disabled for the purposes of this article and maintain the ability to engage in other gainful employment which exists within the state but which ability would not enable him or her to earn an amount at least equal to two thirds of the average annual compensation earned by all active members of this plan during the plan year ending as of the most recent June 30, as of which plan data has been assembled and used for the actuarial valuation of the plan.

(ee) "Plan" means the West Virginia Natural Resources Police Officers Retirement System established by this article.

The applicable age is:

(A) Seventy-two, if the individual attains age 72 prior to January 1, 2023;

(B) Seventy-three, if the individual attains age 72 after December 31, 2022, and attains age 73 before January 1, 2033; or

(oo) "Surviving spouse" means the person to whom the member was legally married at the time of the member's death and who survived the member.

(pp) "Totally disabled" means a member's inability to engage in substantial gainful activity by reason of any medically determined physical or mental impairment that can be expected to

193 result in death or that has lasted or can be expected to last for a continuous period of not less  
194 than 12 months. For purposes of this subdivision:

195 (1) A member is totally disabled only if his or her physical or mental impairment or  
196 impairments are so severe that he or she is not only unable to perform his or her previous work  
197 as a Natural Resources Police Officer but also cannot, considering his or her age, education, and  
198 work experience, engage in any other kind of substantial gainful employment which exists in the  
199 state regardless of whether: (A) The work exists in the immediate area in which the member lives;  
200 (B) a specific job vacancy exists; or (C) the member would be hired if he or she applied for work.

201 (2) "Physical or mental impairment" is an impairment that results from an anatomical,  
202 physiological, or psychological abnormality that is demonstrated by medically accepted clinical  
203 and laboratory diagnostic techniques. A member's receipt of Social Security disability benefits  
204 creates a rebuttable presumption that the member is totally disabled for purposes of this plan.  
205 Substantial gainful employment rebuts the presumption of total disability.

206 (qq) Year of service. — A member shall, except in his or her first and last years of covered  
207 employment, or within the plan year of the effective date, be credited with year of service credit,  
208 based upon the hours of service performed as covered employment and credited to the member  
209 during the plan year based upon the following schedule:

210 Hours of Service Years of Service Credited

211 Less than 500 0

212 500 to 999  $\frac{1}{3}$

213 1,000 to 1,499  $\frac{2}{3}$

214 1,500 or more 1

215 During a member's first and last years of covered employment or within the plan year of  
216 the effective date, the member shall be credited with one-twelfth of a year of service for each  
217 month during the plan year in which the member is credited with an hour of service. A member is  
218 not entitled to credit for years of service for any time period during which he or she received

219 disability payments under §20-18-21 or §20-18-22 of this code. Except as specifically excluded,  
220 years of service include covered employment prior to the effective date. Years of service which  
221 are credited to a member prior to his or her receipt of accumulated contributions upon termination  
222 of employment pursuant to §20-18-20 or §5-10-30 of this code, shall be disregarded for all  
223 purposes under this plan unless the member repays the accumulated contributions with interest  
224 pursuant to §20-18-20 of this code or had prior to the effective date made the repayment pursuant  
225 to §5-10-18 of this code.

**§20-18-8. Members' contributions; employer contributions.**

1 (a) There shall be deducted from the monthly salary of each member and paid into the  
2 fund an amount equal to nine and one-half percent of his or her monthly salary.

3 (b) An amount equal to an additional percentage of the monthly salary of each member  
4 shall be paid to the fund by the employer as annually reviewed and actuarially set by the board.

5 (c) If the board finds that the benefits provided by this article can be actuarially funded with  
6 a lesser contribution, then the board shall reduce the required member or employer contributions  
7 or both. The sums withheld each pay date shall be paid to the fund no later than 15 days following  
8 the end of the pay date.

9 (d) Any active member who has concurrent employment in an additional job or jobs and  
10 the additional employment requires the Natural Resources Police Officer to be a member of  
11 another retirement system which is administered by the Consolidated Public Retirement Board  
12 pursuant to §5-10D-1 *et seq.* of this code shall make an additional contribution to the fund of nine  
13 and one-half percent of his or her monthly salary earned from any additional employment which  
14 requires the Natural Resources Police Officer to be a member of another retirement system which  
15 is administered by the Consolidated Public Retirement Board pursuant to §5-10D-1 *et seq.* of this  
16 code. An additional employer contribution shall be paid to the fund by the concurrent employer  
17 for which the member is employed in an amount determined by the board. If the board finds that  
18 the benefits provided by this article can be funded with a lesser contribution, then the board shall

19     reduce the required member, or employer contributions or both. The sums withheld each calendar  
20     month shall be paid to the fund no later than 15 days following the end of the calendar month.

21             (e) Beginning the plan year commencing July 1, 2026, the division shall make a one-time  
22     payment of \$4,250,000 to the fund, in addition to the contribution requirement in subsection (b)  
23     above, the payment shall be made no later than July 31<sup>st</sup> of that year. If the board finds that an  
24     amount lower than the one-time payment will achieve 100% or greater funding in the plan year,  
25     the board may reduce the payment amount and notify the division accordingly.
