1 AN ACT to amend and reenact §3-3-1 and §3-3-1a of the Code of West Virginia, 1931, as
2 amended, relating to modifying the eligibility to vote in certain elections of certain persons
3 residing abroad or overseas; defining terms; and providing effective date.

Be it enacted by the Legislature of West Virginia:

ARTICLE 3. VOTING BY ABSENTEES.

§3-3-1. Persons eligible to vote absentee ballots.

1 (a) All registered and other qualified voters of the county may vote an absentee ballot in
2 person during the period of early voting.

3 (b) Registered voters and other qualified voters in the county may vote an absentee ballot
4 by mail in the following circumstances:

5 (1) Any voter who is confined to a specific location and prevented from voting in person
6 throughout the period of voting in person because of:

7 (A) Disability, illness, injury, or other medical reason;

8 (B) Physical disability or immobility due to extreme advanced age; or

9 (C) Incarceration or home detention if the underlying conviction is not for a crime which is
10 a felony or a violation of §3-9-12, §3-9-13, or §3-9-16 of this code involving bribery in an election;

11 (2) Any voter who is absent from his or her county of residence throughout the period and
12 available hours for voting in person because of:

13 (A) Personal or business travel;

14 (B) Attendance at a college, university, or other place of education or training; or

15 (C) Employment which because of hours worked and distance from the county seat make
16 voting in person impossible;

17 (3) Any voter absent from the county throughout the period and available hours for voting
18 in person and who is an absent uniformed services voter or overseas voter, as defined by 42
19 U.S.C. § 1973, *et seq.*, the Uniformed and Overseas Citizens Absentee Voting Act of 1986,

including members of the uniformed services on active duty, members of the merchant marine, and spouses and dependents of those members on active duty;

(4) Any citizen of the United States temporarily residing abroad who:

(A) Immediately prior to their departure from the United States was domiciled in West Virginia and:

(i) Was last registered to vote, or last eligible to register and vote, in West Virginia; or

(ii) Would have been eligible to register and vote in West Virginia except that the citizen had not reached 18 years of age, but has since reached 18 years of age; and

(iii) Is not registered or qualified to vote elsewhere in the United States;

(B) Holds a valid passport or passport card or other proof of citizenship issued under the authority of the Secretary of State of the United States; and

(C) Has not established permanent residency in any other state or country.

(5) Any voter who is participating in the Address Confidentiality Program as established by §48-28A-103 of this code.

(c) Registered voters and other qualified voters in the county may vote an electronic absentee ballot in the following circumstances:

(1) The voter has a physical disability, as defined in §3-3-1a of this code;

(2) The voter is absent from the county throughout the period and available hours for voting in person and is an absent uniformed services voter or overseas voter, as defined by 42 U.S.C. § 1973, *et seq.*, the Uniformed and Overseas Citizens Absentee Voting Act of 1986, including members of the uniformed services on active duty, members of the merchant marine, and spouses and dependents of those members on active duty;

(3) The voter is a citizen of the United States, temporarily residing abroad, who meets the conditions in subdivision (4), subsection (b) of this section for voting an absentee ballot by mail; or

46 (4) The voter is a qualified first responder called away on duty to respond to an emergency
47 outside the voter's county of residence, which prevents the voter from participating in the election
48 by in-person and mail-in absentee voting. For purposes of this section, "qualified first responder"
49 means a person with specialized training who arrives and provides aid at the scene of an
50 emergency, such as an accident, natural disaster, or act of terrorism. First responders typically
51 include emergency medical technicians, firefighters, law-enforcement officers, neighborhood
52 assistance officers, and paramedics.

53 (d) Registered voters and other qualified voters in the county may, in the following
54 circumstances, vote an emergency absentee ballot, subject to the availability of the services as
55 provided in this article:

56 (1) Any voter who is confined or expects to be confined in a hospital or other duly licensed
57 health care facility within the county of residence or other authorized area, as provided in this
58 article, on the day of the election;

59 (2) Any voter who resides in a nursing home within the county of residence and would be
60 otherwise unable to vote in person, providing the county commission has authorized the services
61 if the voter has resided in the nursing home for a period of less than 30 days;

62 (3) Any voter who becomes confined, on or after the 7th day preceding an election, to a
63 specific location within the county because of illness, injury, physical disability, immobility due to
64 advanced age, or another medical reason: *Provided*, That the county clerk may require a written
65 confirmation by a licensed physician, physician's assistant, or advanced practice registered nurse
66 that the voter meets the criteria of this subdivision before permitting the voter to vote an
67 emergency absentee ballot; and

68 (4) Any voter who is working as a replacement poll worker and is assigned to a precinct
69 out of his or her voting district, if the assignment was made after the period for voting an absentee
70 ballot in person has expired.

71 (e) Any overseas federal election voter may register to vote and may apply for and vote
72 an absentee ballot by mail in any federal election held in the election district of this state in which
73 the voter was formerly domiciled.

74 (f) Any overseas federal election voter who was born outside the United States may
75 register to vote and may apply for and vote an absentee ballot by mail in any federal election held
76 in the election district of this state in which the voter's parent, legal guardian, or spouse was
77 formerly domiciled.

78 (g) A United States citizen who was never domiciled in West Virginia is not eligible to vote
79 in any state, county, municipal, or special election.

80 (h) Any overseas state and federal voter may register to vote and may apply for and vote
81 an absentee ballot by mail in a state election and a federal election held in the election district of
82 this state in which the voter was formerly domiciled.

83 (i) The amendments to this section enacted during the 2026 regular session of the
84 Legislature are effective January 1, 2027.
