1 (a) An operator's mining, use, or development of the coal estate is permissible, is not
2 waste, and is not trespass if:

3 (1) The operator has made reasonable efforts to negotiate with all known, locatable
4 owners of coal land; and

5 (2) At least three fourths of the undivided interests in the right to mine, develop, lease,
6 operate, and produce coal have consented to the lawful use or development of the coal land.

7 (b) If the criteria in subdivisions (1) and (2), subsection (a) of this section have been
8 satisfied, any consenting co-tenant and his or her lessees, operators, agents, contractors, or
9 assigns:

10 (1) Are not liable for damages for waste or trespass due to the lawful use or development

27 interest owner to the State Treasurer, as the unclaimed property administrator, not more than 120
28 days from the date upon which any amount is reserved for an unknown or unlocatable interest
29 owner pursuant to subsections (a) and (b) of this section and §37B-4-1 *et seq.* of this code, and
30 each calendar quarter thereafter;

31 (2) Concurrently with the report required in subdivision (1) of this subsection, remit the

33 this code and as determined by the State Treasurer; and

45 section, and the lease terms and provisions pursuant to subsection (e) of this section, by filing a
46 petition for accounting with the West Virginia Tax Commissioner within 45 days following the

operator's written delivery of royalty and lease information required by subsections (c), (d), and (e) of this section. The Tax Commissioner shall make a written ruling on the nonconsenting co-tenant's petition within 60 days of receipt of the petition. If either the nonconsenting co-tenant or the operator is dissatisfied with the Tax Commissioner's ruling, he or she may file a petition for appeal with the West Virginia Office of Tax Appeals. Judicial review of a decision by the Office of Tax Appeals is governed by §11-10A-19 of this code. At the operator's discretion, disclosure of the payment terms may be made under seal.
