1 AN ACT to amend and reenact §7-22-9 of the Code of West Virginia, 1931, as amended, relating
2 to county economic opportunity development districts; and to authorize the Berkeley
3 County Commission to levy a special district excise tax for the benefit of the Berkeley
4 County Economic Opportunity Development District.

Be it enacted by the Legislature of West Virginia:

ARTICLE 22. COUNTY ECONOMIC OPPORTUNITY DEVELOPMENT DISTRICTS.

§7-22-9. Authorization to levy special district excise tax.

1 (a) General. — County commissions have no inherent authority to levy taxes and have
2 only that authority expressly granted to them by the Legislature. The Legislature is specifically
3 extended, and intends by this article, to exercise certain relevant powers expressed in section
4 six-a, article X of the Constitution of this state as follows: (1) The Legislature may appropriate
5 state funds for use in matching or maximizing grants-in-aid for public purposes from the United
6 States or any department, bureau, commission, or agency thereof, or any other source, to any
7 county, municipality, or other political subdivision of the state, under such circumstances and
8 subject to such terms, conditions, and restrictions as the Legislature may prescribe by law; and
9 (2) the Legislature may impose a state tax or taxes, or dedicate a state tax or taxes, or any portion
10 thereof for the benefit of, and use by, counties, municipalities, or other political subdivisions of the
11 state for public purposes, the proceeds of any such imposed or dedicated tax or taxes or portion
12 thereof to be distributed to such counties, municipalities, or other political subdivisions of the state
13 under such circumstances and subject to such terms, conditions and restrictions as the
14 Legislature may prescribe.

15 Because a special district excise tax would have the effect of diverting, for a specified
16 period of years, tax dollars which to the extent, if any, are not essentially incremental to tax dollars
17 currently paid into the General Revenue Fund of the state, the Legislature finds that in order to
18 substantially ensure that such special district excise taxes will not adversely impact the current
19 level of the General Revenue Fund of the state, it is necessary for the Legislature to separately

20 consider and act upon each and every economic development district which is proposed,
21 including the unique characteristics of location, current condition and activity of and within the
22 area included in such proposed economic opportunity development district and that for such
23 reasons a statute more general in ultimate application is not feasible for accomplishment of the
24 intention and purpose of the Legislature in enacting this article. Therefore, no economic
25 opportunity development district excise tax may be levied by a county commission until after the
26 Legislature expressly authorizes the county commission to levy a special district excise tax on
27 sales of tangible personal property and services made within district boundaries approved by the
28 Legislature.

29 (b) Authorizations. — The Legislature authorizes the following county commissions to levy
30 special district excise taxes on sales of tangible personal property and services made from
31 business locations in the following economic opportunity development districts:

32 (1) The Ohio County Commission may levy a special district excise tax for the benefit of
33 the Fort Henry Economic Opportunity Development District which comprises 500 contiguous
34 acres of land. Notwithstanding the time limitations provisions of subdivision (2), subsection (a),
35 section fifteen of this article, the Fort Henry Economic Opportunity Development District shall not
36 be abolished under §7-22-15(a)(2) of this code until the year 2054, unless sooner abolished and
37 terminated in accordance with the §7-22-15(a)(1) of this code or any other provision of this code,
38 or sooner abolished for any other reason: *Provided*, That on December 31, 2054, the provisions
39 of §7-22-15(a)(2) of this code shall apply to abolish the Fort Henry Economic Opportunity
40 Development District, if the district has not been abolished prior to that date.

41 (2) The Harrison County Commission may levy a special district excise tax for the benefit
42 of the Charles Pointe Economic Opportunity Development District which comprises 437 acres of
43 land.

44 (3) The Monongalia County Commission may levy a special district excise tax for the

(c) Annual reports. — Notwithstanding any other provision of this code to the contrary, any jurisdiction that imposes a special district excise tax shall compile and issue an annual report for each fiscal year of operation, such year beginning on July 1 and ending on June 30. The annual report shall be issued on or before the next succeeding December 31 after the close of each fiscal year.
